ECU Board of Trustees  
November 2, 2018  
Mendenhall Student Center  

MINUTES  

The Board of Trustees met in regular session at Mendenhall Student Center on the East Carolina University campus. Chair Kieran Shanahan called the meeting to order.  

Mr. Shanahan called on Trustee Vince Smith to give the invocation.  

Mr. Shanahan called on Cadet Brooke Bennett, a Criminal Justice major from Mount Airy, NC and Cadet Micah Holmes, a Nursing major from Greenville, NC to lead the Pledge of Allegiance.  

ROLL CALL  

Mr. Shanahan called on Secretary Kel Normann to call the roll:

READING OF ETHICS STATEMENT

In compliance with the State Government Ethics Act, Mr. Shanahan read the conflict of interest statement and asked if anyone had a conflict of interest to disclose. No conflicts were identified.

APPROVAL OF MINUTES

Mr. Shanahan asked for a motion to approve the minutes from both the regular meeting on September 7 and the special called meeting on October 23. Mr. Davenport moved approval of the minutes and Ms. Fanning seconded the motion. The motion was approved with no negative votes.

UNIVERSITY REPORTS

CHANCELLOR’S REPORT

Chancellor Staton gave his remarks to the board. A full text version of the Chancellor’s remarks is listed as “Attachment A.”

REPORT FROM THE STUDENT GOVERNMENT ASSOCIATION

Mr. Jordan Koonts, President of the Student Government Association, brought an update from the SGA. A full text version of Mr. Koonts’ remarks is listed as “Attachment B.”
REPORT FROM THE FACULTY SENATE

Dr. Jeff Popke, Chair of the Faculty, brought an update from the Faculty Senate. A full text version of Dr. Popke’s remarks is listed as “Attachment C.”

REPORT FROM THE STAFF SENATE

Mr. Brooks Person, Chair of Staff Senate, brought an update from the Staff Senate. A full text version of Mr. Person’s remarks is listed as “Attachment D.”

REPORT FROM THE BOARD OF VISITORS

Ms. Linda Thomas, Chair of the Board of Visitors, brought an update from the Board of Visitors. Ms. Thomas’ remarks are listed as “Attachment E.”

COMMITTEE REPORTS

Athletics & Advancement Committee

Mr. Edwin Clark gave the report from the Athletics and Advancement Committee. A summary of the report is listed as “Attachment F.” There was one item that needed action by the board in open session and other items reserved for closed session.

Mr. Clark moved that Board of Visitors Charter Bylaws be approved as presented in the board materials. Motion seconded and carried with unanimous approval.

Finance & Facilities Committee

Mr. Max Joyner gave the report from the Finance & Facilities Committee. A summary of the report is listed as “Attachment G.” There were two motions needing action by the board.
Mr. Joyner moved that the board approve the following as presented in board materials: one permanent utility easement to Greenville Utilities Commission as listed in board materials, two permanent utility easements as listed in board materials, convey a right of way and easement to North Carolina Department of Public Transportation as listed in board materials, lease by acquisition office space at 301 S. Evans St. as listed in board materials. Ms. Davis seconded, no discussion. Approved. These items are listed as “Attachment H” in board materials.

Mr. Joyner moved the board approved the proposed tuition and fee schedule as presented in board materials. Mr. Koonts seconded with no discussion, approved unanimously. A copy of this item is listed as “Attachment I.”

Audit Committee

Mr. Kel Normann gave the report on behalf of the Audit Committee. A summary of this report is listed as “Attachment J.” There were no action items for the full board.

Health Sciences

Ms. Deborah Davis gave the report from the Health Sciences Committee. A summary of this report is listed as “Attachment K.” There were no action items needing attention by the full board.

University Affairs

Mr. Mark Copeland presented the report from the University Affairs committee. A summary of this report is listed as “Attachment L.” There were two motions requiring approval by the full board. Mr. Copeland moved the board approve the exception request to the 120 credit hour policy for undergraduate degrees as presented in board materials. The motion was
seconded by Ms. Davis and no discussion. Motion approved by all. This item is listed as “Attachment M.”

Mr. Koonts moved that the candidates for degrees as approved by the Chancellor and Faculty Senate be authorized for conferral at the annual winter commencement on Friday, December 14, 2018. Mr. Copeland seconded the motion. Approved unanimously.

CLOSED SESSION

Mr. Koonts then moved that the board go into closed session to prevent the disclosure of confidential personnel information under N.C.G.S. Statues 126-122 and 126-30, to consider the qualifications, competence, performance, character, fitness or conditions of appointment of one or more prospective and/or current employees, and to consult with the attorney and to preserve the attorney-client privilege. The motion was seconded and approved unanimously.

MOTIONS FROM CLOSED SESSION

Upon resumption of open session, Mr. Shanahan called for any motions that were a result of closed session discussions.

Mr. Clark moved that the board approve the three naming proposals as presented in board materials. Ms. Davis seconded and there was no discussion. Motion approved. This item is listed as “Attachment N.”

UNFINISHED BUSINESS

There was no unfinished business.
NEW BUSINESS

There was no new business.

ADJOURNMENT

Hearing no other business, Mr. Shanahan adjourned the meeting at 11:45 am.

ADJOURN

Respectfully Submitted,
Megan Ayers
Office of the Assistant Secretary to the Board of Trustees
Remarks from the Student Government Association

- Student fee proposal: thank you to ECU's administration for supporting the student fee proposal recommended by ECU students.

- SGA passed a resolution honoring the Student Success Center and accomplishments over the past 10 years.

- Community clean up: 240 students representing Greek Life meet monthly to clean up the Grid and Uptown areas of City of Greenville.

- Alternative Fall break: Many ECU students spent their fall break in the Alternative Fall Break experience helping those in Hurricane Florence affected areas, joining University Advancement and REDE groups.
Good morning, everyone. I am Jeff Popke, Chair of the Faculty, and I appreciate the opportunity to speak to you. I want to say a few words about the importance of shared governance. But before I do, I want to start by underscoring the essential role of our faculty in some of the successes that you have been hearing about at recent board meetings. You have heard, for example, that faculty are helping our students graduate at the highest rate in ECU's history, and are playing a key role in devising new strategies for growing our enrollments and increase student retention. Our faculty researchers are achieving unprecedented success in securing research grants, and have generated the highest level of research funding that ECU has ever seen. And some of you heard yesterday how faculty mentors are pairing our honors students with community partners to address pressing challenges here in Eastern North Carolina. So, I think it is clear, our faculty have been doing extraordinary work in our classrooms, our labs, in clinical settings, and in the communities that we serve.

But I also want to acknowledge this morning that we are experiencing a time of considerable change, and a bit of uncertainty, and I can tell you forthrightly that overall faculty morale at ECU is as low as I have seen it in my 20 years here. This much was indicated recently by a system-wide employee engagement survey, the results of which suggest that ECU faculty hold more negative opinions about our university than employees elsewhere in the UNC system, especially in areas related to trust, institutional mission, and communication.

In my view, many of the factors contributing to low faculty morale derive from beyond our campus, include deteriorating public attitudes toward higher education, relatively flat faculty salaries, and an increasingly activist state-legislature and Board of Governors. We can now add the uncertainty surrounding leadership change at the UNC System.

It is within this context of a somewhat unsettled external environment that I want to stress the vital importance of safeguarding ECU's longstanding tradition of shared governance.

Now, the concept of shared governance is admittedly a bit nebulous, and it turns out that it is a fairly recent idea in American higher education. For the first 200 years or so, American universities were top-down institutions controlled by powerful college presidents and boards of trustees, and faculty had little say in campus affairs.

Here's how one newspaper put it in 1881: “[the trustee] wishes very much, indeed, that a college could be carried on without professors, and has a vague notion that by some sort of improvement in organization this result may some day be attained” (quoted in Gerber 2014, p. 29).

I hope I am safe in expressing my gratitude to our trustees for not having secret plans for a university without professors – although I can tell you that some of our faculty suspect that such a plan might exist in some quarters of our state legislature.
Now, as we are aware, the faculty role in the mission of American universities has only grown, and this is what led to increasing calls for a 'shared governance', essentially a partnership between college presidents, boards of trustees, and an increasingly important and engaged faculty.

Shared governance came to ECU in the 1960s under the leadership of President Leo Jenkins, and still today it provides the ideal model for ensuring that all campus constituencies play a meaningful role in university deliberations, decision-making and administration.

I want to close by noting that there is an important role to be played here by the Board of Trustees, and I recommend to you the recent 'Statement on Shared Governance', endorsed just last year by the Association of Governing Boards. That Statement represents a strong validation of shared governance principles and stresses the importance of trustees to its success. "A board’s commitment to the value and practice of shared governance," the statement notes, "bears fruit for the institution in the form of mutual trust in challenging times, support for innovation, and shared commitment to goals for building a stronger future."

As we seek to weather our own challenging times, reaffirming our commitment to shared governance can help to build trust and combat low morale, galvanize a shared sense of institutional mission, and serve as an effective bulwark against unwarranted intrusion in our campus affairs – all things that will be especially important during a time of considerable system-level change.

On behalf of the faculty, I can assure you that we stand ready to work with our trustees, administration, and other campus constituencies to constructively and collaboratively address the challenges that we face, and to continue moving this great university forward.

References

Hello and good morning. The ECU Staff Senate has only met once since the last Board of Trustees meeting due to storms, but in keeping with our goal to improve our visibility, we have still worked hard to hold several events for ECU employees.

One such event, The ECU Staff Senate Wellness Walk, formerly known as a Fitness Walk, was held this past October 10th around Lake Laupus. Our Reward and Recognitions committee along with ECU Campus Recreation and Wellness was able to wrap the Lake with over 40 vendors including campus groups, community organizations and local businesses to help promote an active lifestyle with regards to the 8 dimensions of wellness and provide several giveaways for those who attended the event.

You may have noticed the photos streaming. These photos include not only the Wellness Walk but the ECU Staff Senate school supply drive for the ECU Laboratory school and also our current and past Senators volunteering to help students during dorm move in. Our Senators have volunteered over 100 hours so far this year in the community.

Several of the other committees are working on events for staff. For example, The Leadership and Professional Development committee has invited Steven Brody to lead a short leadership segment on living a life free from financial stress and worry during our November meeting. The Staff Senate Human Resources committee will be providing dinner again this year at the Hope Lodge and are planning a campus-wide forum on the topic of Parental Leave. They are also very close to completing the Emergency Assistance Fund for campus and I am hopeful that at our next meeting I can proudly announce its completion.

Finally, to improve our visibility in the ECU community and to help raise money for our scholarships, ECU Staff Senate will be volunteering at ECU Basketball games as a concessions group. We will also be volunteering during the Concert for Hurricane Florence relief and will be donating a portion of those sales to relief efforts. So if you get a moment during the concert or at a game, stop by Booth 6 in Minges.
The year is only beginning for ECU Staff Senate and we hope to represent and support all staff for all the great work they provide to East Carolina. I am proud for what we have achieved, and so far, has been a great privilege to lead as Chair of Staff Senate.

Thank You for listening!

BOV Meeting Dates
- Friday, January 11, 2019
- Friday, March 29, 2019

Respectively submitted,

Linda Thomas, Chair
Highlights from the Athletics & Advancement Committee Meeting
November 1, 2018

Basketball coach Joe Dooley greeted the board and shared that the team is relatively healthy with just a few pre-season bumps and bruises and excited for the upcoming season.

Lee Workman was acknowledged and thanked for his 34 years of service to the University.

VC Dyba reported that the university has raised $8.3 Million to date ($5.2 Million for East Campus and $1.5 Million for West Campus as of October 30 and $1.5M as of October 1 for Athletics) with a campaign total of $196 Million. He also outlined the five pillars of the campaign which are included in your board material. Dyba also shared that Advancement was challenged to raise $1M in year one for the Chancellor’s Scholars scholarship. Due the generosity of the Maynard family (James and Connie and daughter Easter) this goal was met. Now, it must be sustained with $1M added each year to attract and recruit freshman. In line with fundraising, the new crowdfunding platform was unveiled which will help pirates come together to raise money for ideas and passions. There are currently three crowdfunding projects: ECU Community School, Honors College Study Abroad, and the Chancellor’s Scholars.

The success of the upcoming Avett Brothers concert on November 13th is due to the partnerships across campus with no profit for ECU. The concert could potentially result in $400K for local organizations to help with disaster relief related to hurricane Florence.

Michael Aho, 64th chair of the Alumni Association shared that the ECUAA is undergoing a new model of engagement which transitioned the association from a dues paying model to a membership model. They have worked on their strategic plan which focuses on the “why” of the association. The new mantra for the association is ‘Pirates Together Pirates Forever’.

Linda Thomas, chair of the Board of Visitors presented changes to the current Charter/Bylaws. The changes for consideration were approved as presented in your board material.

Mr. Chairman, I’ll have a couple of items in closed session, however, I have one motion for the board to consider now.

I move that the Board of Visitors charter/bylaw revisions be approved as presented in board materials.
Finance and Facilities Committee met on November 1, 2018.

I. MINUTES
   A. The committee approved the minutes from the September 6, 2018 meeting.

II. ACTION AND INFORMATION ITEMS

   A. The Committee reviewed request to:
      • Grant One Permanent Utility Easement to Greenville Utilities Commission
      • Grant Two Permanent Utility Easements to Greenville Utilities Commission
      • Convey Right of Way and Easement to North Carolina Department of Transportation
      • Lease by Acquisition Office Space at 301 S. Evans Street
      The Committee approved the motions to recommend that the full Board approve the request.

   B. The Committee reviewed a request to approve the Tuition and Fees for the 2019-2020 academic year. Sara Thorndike, VC for Administration and Finance and Stephanie Coleman, Assistant VC for Operations, were available for questions. The Committee approved a motion to recommend that the full Board approve the fees.

   C. Sara Thorndike, VC for Administration, provided the Approved EHRA Employee Salary Adjustments pursuant to September 30, 2016 Expanded authority.

   D. Kitty Wetherington, Associate VC for Human Resources, provided information on the Employment Engagement Survey.

   E. Bill Bagnell, Associate VC for Campus Operations, provided information on the Designer Selections since last Board Meeting.

   F. Bill Bagnell, Associate VC for Campus Operations, updated the committee on Capital Projects.

   G. Bill Koch, Associate VC for Environmental Health and Campus Safety, updated the committee on Campus Safety.

   H. Other

Meeting adjourned at 2:50 pm.
MEMORANDUM

TO: Sara Thorndike
FROM: Kevin Carraway
DATE: September 28, 2018
SUBJECT: Request ECU Board of Trustees Approval to Grant One Permanent Utility Easement to Greenville Utilities Commission

Request ECU Board of Trustees approval to grant one permanent easement to Greenville Utilities Commission to support the installation of Vidant Peaking Generators as per the survey map and legal description for the sum of $1.00.

A permanent 15’ in width utility easement located immediately adjacent to the southern right-of-way of NCSR 1202-MacGregor Downs Road and the eastern right-of-way of Arlington Boulevard (depicted on the attached survey map).

Granting of the easement is contingent on subsequent approvals from UNC General Administration, State Property Office, and Council of State will be required.

cc: B. Bagnell
KNOW ALL MEN BY THESE PRESENTS, that the undersigned "GRANTOR" (whether one or more), for and in consideration of the sum of ONE DOLLAR ($1.00) and other good and valuable consideration to it in hand paid by GREENVILLE UTILITIES COMMISSION of the City of Greenville, Pitt County, North Carolina, 401 South Greene Street (PO Box 1847), Greenville, NC 27835-1847, hereinafter referred to as the "COMMISSION," the receipt of which is hereby acknowledged, does hereby grant the City of Greenville, a body politic and corporate in Pitt County, North Carolina, for use of the "COMMISSION," its licensees, successors and assigns, the right, privilege and easement to go in, through, under, and upon lands of the GRANTOR located in Greenville Township, Pitt County, North Carolina, and more fully described as follows:

A Permanent Utility Easement 15 feet in width, more or less, and 411 feet in length, more or less, in two (2) separate links, 44 and 367 feet, more or less, in length (Dimensions are not an absolute measurement and may vary in length), containing 6,458 sq. ft., more or less, across Tax Parcel No. 42632 (according to the records in the Office of the Tax Administration of Pitt County, NC), said property described in Deed Book 1517 at page 185 and shown in Map Book 40 page 192, Pitt County Public Registry, and traveling from a point in the Grantors north property line common with Tax Parcel No. 15814 and located immediately adjacent to the southern right-of-way of NCSR1202 - MacGregor Downs Road (60' R/W Public), and the eastern right-of-way of Arlington Boulevard (80' R/W Public - 60' B-B), across the subject property, a southwesterly direction along the grantors northeast property line and located immediately adjacent to the southern right-of-way of NCSR1202 - MacGregor Downs Road (60' R/W Public), and the eastern right-of-way of Arlington Boulevard (80' R/W Public - 60' B-B), 198 feet in length, more or less, to a point, the Point of Beginning; thence across the subject property 367 feet in length, more or less, along the Grantor’s west property line common with and located immediately adjacent to the eastern right-of-way of Arlington Boulevard (80' R/W Public - 60' B-B) to a point; thence across the subject property 44 feet in length, more or less, along the Grantor’s west property line common with and located immediately adjacent to the eastern right-of-way of Arlington Boulevard (80' R/W Public - 60' B-B) to a point in the Grantor’s west property line, a common corner with the east right-of-way of Arlington Boulevard (80' R/W Public - 60' B-B), and the northern right-of-way of Heart Drive (90' R/W Private - 66' B-B) to a point, all as more particularly shown as the shaded portions on the sketch entitled “North Carolina State of Greenville TWP, Pitt Co., NC” dated July 19, 2018, which is marked Exhibit "A" and is attached hereto and made a part hereof, and to which reference is hereby made for a more particular and accurate description of the subject easement.

and to construct, install, operate and maintain utility facilities within such easement in a manner suitable to the Commission upon, across, under and through said premises within an easement and right of way strip of the width, location and approximate length hereinafter defined and to be utilized by the Commission a permanent easement and a temporary construction easement for the public use with the right to do all things necessary or convenient thereto, including the following:
the right of officers, agents, and workmen of the Commission and its contractors to go to and from said right of way strip at all times over the above described land by such route or routes as shall occasion the least practicable inconvenience to Grantor, including private roads and ways then existing thereon, on foot or by conveyance, with materials, machinery, supplies and equipment as may be desirable; provided that except in emergencies, existing roads and ways thereon shall be used to the extent that they afford ingress and egress to and from the right of way strip; and to construct, reconstruct, work upon, repair, alter, inspect and in general do any other thing necessary or convenient to maintain and operate said lines for the purpose aforesaid;

(b) the right and privilege to enter upon the land included in the construction easement hereinabove described for the purpose of constructing said utility facilities, and the right and privilege at all times to enter upon the land included in the area of the permanent easement hereinabove described for the maintenance and repair of said utility facilities;

(c) the right to clear, and keep cleared, from said right of way strip all structures (other than ordinary fences, but when Commission desires, such fences may be opened and reclosed or temporarily removed and replaced, or Commission may provide suitable gates therein) and all vegetation which may interfere with the utility facilities herein described and to use (1) chemicals which are not injurious to human beings, domestic animals, fish or game, (2) machinery, and (3) other forms of equipment and devices in so doing;

(d) the right to install, construct, repair, maintain and operate all utility lines, structures and appurtenant facilities of the Commission.

The structures and appurtenant facilities installed by the Commission shall be and remain the property of the Commission and may be removed by it at any time and from time to time.

Grantor reserves the right to use the lands in and over which the right of way and easement rights are hereby granted for all purposes not inconsistent with said right of way and easement rights, except that Grantor agrees that (1) no buildings or permanent structures, wells, septic tanks, absorption pits, underground or overhead storage tanks, burial plots, or any other obstruction which might interfere with the construction, maintenance and operation of said utility facilities shall be placed within the area of said strip without the express written permission of the Commission; and (2) the Commission's facilities shall in no way be interfered with or endangered by the Grantor or Grantor's licensees, successors or assigns, without the express written permission of the Commission.

The Commission agrees that it will repair, rebuild, replace or pay the actual damages sustained as mutually agreed upon by the Commission and Grantor, and pay the actual damages to actual crops inside said right of way strip on the above land caused by the construction, operation, maintenance, inspection, rebuilding and removal of said lines, and in going to and from said right of way strip, and will repair any extraordinary damage to any bridge or to any road due to heavy hauling to and from the said right of way strip if claim is made within a period of thirty (30) days after such damages are sustained by Grantor.

Any notice to be given by one party to the other party hereunder may be delivered or deposited postage prepaid addressed to the following:

Grantor: State of North Carolina  
116 West Jones Street  
Raleigh, North Carolina 27602

Commission: Greenville Utilities Commission  
401 S. Greene Street  
P.O. Box 1847  
Greenville, North Carolina 27835

TO HAVE AND TO HOLD the aforesaid rights, privileges and construction easement unto the Grantee for such period of time as may be required to complete the construction of said utility facilities, and thereafter a permanent easement unto the Grantee and its successors, licensees and assigns for the uses and purposes hereinabove set forth.

And Grantor, for the Grantor and for the Grantor's heirs, executors, administrators, licensees, successors and assigns, covenants to and with the Commission, its licensees, suc-
cessors and assigns, that Grantor is lawfully seized of the above described land in fee and has the right to convey the said rights, easements and privileges herein described; that the same is free and clear from any and all encumbrances not satisfactory to the Commission; that the Commission shall have quiet and peaceful possession, use and enjoyment of the aforesaid easement of right of way, rights and privileges; that the Grantor shall execute such further assurances thereof as may be required by the Commission; and Grantor will forever warrant and defend the title to the said easement of right of way, rights and privileges against the lawful claims of all persons whomsoever.

The singular shall include the plural and reference to gender shall include masculine, feminine and neuter.

IN WITNESS WHEREOF, the State of North Carolina has caused this instrument to be executed in its name by Pat McCrory, Governor, attested by Elaine F. Marshall, Secretary of State, and the Great Seal of the State of North Carolina to be hereto affixed by virtue of the power and authority aforesaid.

STATE OF NORTH CAROLINA

By: ___________________________________________________________________

Roy Cooper, Governor

[SEAL]

Attest:

Elaine F. Marshall, Secretary of State

NORTH CAROLINA
WAKE COUNTY

I, ____________________________________________, a Notary Public of the aforesaid County and State, certify that Elaine F. Marshall, Secretary of the State of North Carolina, personally came before me this day and acknowledged that she is the Secretary of State of North Carolina, and that by authority duly given and as the act of the State, the foregoing instrument was signed in its name by Roy Cooper, Governor of the State of North Carolina, sealed with the Great Seal of the State of North Carolina, and attested by herself as Secretary of State of North Carolina.

WITNESS my hand and seal, this the _____ day of ________________, 2018.

My Commission Expires: ____________________________

NOTARY PUBLIC
MEMORANDUM

TO: Sara Thorndike

FROM: Kevin Carraway

DATE: September 28, 2018

SUBJECT: Request ECU Board of Trustees Approval to Grant Two Permanent Utility Easements to Greenville Utilities Commission

Request ECU Board of Trustees approval to grant two permanent easements to Greenville Utilities Commission to support the installation of Vidant Peaking Generators as per the survey map and legal description for the sum of $1.00.

1. Area I (West side of Arlington Boulevard)

   A permanent 25’ in width utility easement located immediately adjacent to the northern right-of-way of NCSR 1202-MacGregor Downs Road and the western right-of-way of Arlington Boulevard (depicted on the attached survey map);

2. Area II (East side of Arlington Boulevard)

   A permanent 15’ in width utility easement located immediately adjacent to the northern right-of-way of NCSR 1201-MacGregor Downs Road and the eastern right-of-way of Arlington Boulevard (depicted on the attached survey map).

Granting of the easements is contingent on subsequent approvals from UNC General Administration, State Property Office, and Council of State will be required.

cc: B. Bagnell
KNOW ALL MEN BY THESE PRESENTS, that the undersigned "GRANTOR" (whether one or more), for and in consideration of the sum of ONE DOLLAR ($1.00) and other good and valuable consideration to it in hand paid by GREENVILLE UTILITIES COMMISSION of the City of Greenville, Pitt County, North Carolina, 401 South Greene Street (PO Box 1847), Greenville, NC 27835-1847, hereinafter referred to as the "COMMISSION," the receipt of which is hereby acknowledged, does hereby grant the City of Greenville, a body politic and corporate in Pitt County, North Carolina, for use of the "COMMISSION," its licensees, successors and assigns, the right, privilege and easement to go in, through, under, and upon lands of the GRANTOR located in Greenville Township, Pitt County, North Carolina, and more fully described as follows:

Two Permanent Utility Easements, one 25' in width, more or less, and one 15' in width, more or less, across Tax Parcel No. 50468 (according to the records in the Office of the Tax Administration of Pitt County, NC) on both the west and east sides of Arlington Boulevard, said property described in Deed Book 1417 at Page 458 and shown in Plat Book 58 at Page 151, Pitt County Public Registry.

Area I (West side of Arlington Boulevard)

A Permanent Utility Easement 25' in width, more or less, located by traveling from the Grantor’s west property line, a common boundary with Tax Parcel No. 11467, and located immediately adjacent to the northern right-of-way of NCSR 1202 – MacGregor Downs Road (60’ R/W Public), in an easterly direction 1,600’ in length, more or less, to a point, the Point of Beginning; thence across the subject property 267’ in length, more or less, and located immediately adjacent to the northern right-of-way of NCSR 1202 – MacGregor Downs Road (60’ R/W Public), to a point; thence across the subject property in a northeasterly direction 56’ in length, more or less, and located immediately adjacent to the northern right-of-way of NCSR 1202 – MacGregor Downs Road (60’ R/W Public), and the western right-of-way of Arlington Boulevard (60’ R/W Public – 60’ B-B), to a point;

Area II (East side of Arlington Boulevard)

A Permanent Utility Easement 15’ in width, more or less, located by traveling from the Grantor’s east property line, a common boundary with Tax Parcel No. 39663, and located immediately adjacent to the northern right-of-way of NCSR 1202 – MacGregor Downs Road (60’ R/W Public), in a westerly direction 114’ in length, more or less, to a point, the Point of Beginning; thence across the subject property in a northwesterly direction 88’ in length, more or less, and located immediately adjacent to the northern right-of-way of NCSR 1202 – MacGregor Downs Road (60’ R/W Public), and the eastern right-of-way of Arlington Boulevard (60’ R/W Public – 60’ B-B), to a point;

Said easement area containing 10,170 square feet, more or less, all as more particularly shown as the shaded portions on the sketch entitled "North Carolina State of Greenville TWP, Pitt Co., NC" dated May 4, 2018, which is marked Exhibit ‘A’ and is attached hereto.
and made a part hereof, and to which reference is hereby made for a more particular and accurate description of the subject easements.

and to construct, install, operate and maintain utility facilities within such easement in a manner suitable to the Commission upon, across, under and through said premises within an easement and right of way strip of the width, location and approximate length hereinafter defined and to be utilized by the Commission a permanent easement and a temporary construction easement for the public use with the right to do all things necessary or convenient thereto, including the following:

(a) the right of officers, agents, and workmen of the Commission and its contractors to go to and from said right of way strip at all times over the above described land by such route or routes as shall occasion the least practicable inconvenience to Grantor, including private roads and ways then existing thereon, on foot or by conveyance, with materials, machinery, supplies and equipment as may be desirable; provided that except in emergencies, existing roads and ways thereon shall be used to the extent that they afford ingress and egress to and from the right of way strip; and to construct, reconstruct, work upon, repair, alter, inspect and in general do any other thing necessary or convenient to maintain and operate said lines for the purpose aforesaid;

(b) the right and privilege to enter upon the land included in the construction easement hereinabove described for the purpose of constructing said utility facilities, and the right and privilege at all times to enter upon the land included in the area of the permanent easement hereinabove described for the maintenance and repair of said utility facilities;

(c) the right to clear, and keep cleared, from said right of way strip all structures (other than ordinary fences, but when Commission desires, such fences may be opened and reclosed or temporarily removed and replaced, or Commission may provide suitable gates therein) and all vegetation which may interfere with the utility facilities herein described and to use (1) chemicals which are not injurious to human beings, domestic animals, fish or game, (2) machinery, and (3) other forms of equipment and devices in so doing;

(d) the right to install, construct, repair, maintain and operate all utility lines, structures and appurtenant facilities of the Commission.

The structures and appurtenant facilities installed by the Commission shall be and remain the property of the Commission and may be removed by it at any time and from time to time.

Grantor reserves the right to use the lands in and over which the right of way and easement rights are hereby granted for all purposes not inconsistent with said right of way and easement rights, except that Grantor agrees that (1) no buildings or permanent structures, wells, septic tanks, absorption pits, underground or overhead storage tanks, burial plots, or any other obstruction which might interfere with the construction, maintenance and operation of said utility facilities shall be placed within the area of said strip without the express written permission of the Commission; and (2) the Commission's facilities shall in no way be interfered with or endangered by the Grantor or Grantor's licensees, successors or assigns, without the express written permission of the Commission.

The Commission agrees that it will repair, rebuild, replace or pay the actual damages sustained as mutually agreed upon by the Commission and Grantor, and pay the actual damages to actual crops inside said right of way strip on the above land caused by the construction, operation, maintenance, inspection, rebuilding and removal of said lines, and in going to and from said right of way strip, and will repair any extraordinary damage to any bridge or to any road due to heavy hauling to and from the said right of way strip if claim is made within a period of thirty (30) days after such damages are sustained by Grantor.

Any notice to be given by one party to the other party hereunder may be delivered or deposited postage prepaid addressed to the following:

Grantor: State of North Carolina
116 West Jones Street
Raleigh, North Carolina 27602
Commission: Greenville Utilities Commission
401 S. Greene Street
P.O. Box 1847
Greenville, North Carolina 27835

TO HAVE AND TO HOLD the aforesaid rights, privileges and construction easement unto
the Grantee for such period of time as may be required to complete the construction of said utility
facilities, and thereafter a permanent easement unto the Grantee and its successors, licensees
and assigns for the uses and purposes hereinabove set forth.

And Grantor, for the Grantor and for the Grantor's heirs, executors, administrators,
licensees, successors and assigns, covenants to and with the Commission, its licensees, suc-
cessors and assigns, that Grantor is lawfully seized of the above described land in fee and has the
right to convey the said rights, easements and privileges herein described; that the same is free
and clear from any and all encumbrances not satisfactory to the Commission; that the
Commission shall have quiet and peaceful possession, use and enjoyment of the aforesaid
easement of right of way, rights and privileges; that the Grantor shall execute such further
assurances thereof as may be required by the Commission; and Grantor will forever warrant and
defend the title to the said easement of right of way, rights and privileges against the lawful claims
of all persons whomsoever.

The singular shall include the plural and reference to gender shall include masculine,
feminine and neuter.

IN WITNESS WHEREOF, the State of North Carolina has caused this instrument to be
executed in its name by Pat McCrory, Governor, attested by Elaine F. Marshall, Secretary of
State, and the Great Seal of the State of North Carolina to be hereto affixed by virtue of the power
and authority aforesaid.

MEMORANDUM

TO: Sara Thorndike

FROM: Kevin Carraway

DATE: September 28, 2018

SUBJECT: Request ECU Board of Trustees Approval to Convey Right of Way and Easement to NC Department of Transportation

Request ECU Board of Trustees approval to convey right of way and utility easement to the NC Department of Transportation (NCDOT) for the US 13 and NC Highway 43 (W. 5th St.) Intersection Improvement Project #U-5730 001.

This project will widen and improve W. 5th Street at the Memorial Drive intersection and allow for a right hand turn lane turning right into Memorial Drive.

Attached are written metes and bounds and survey for the right of way and easement requested.

Granting of the easement is contingent on subsequent approvals from UNC General Administration, State Property Office, and Council of State will be required.

cc: B. Bagnell
SUMMARY STATEMENT/CONTINGENT OFFER TO PURCHASE REAL PROPERTY
DUE TO THE ACQUISITION OF RIGHT OF WAY AND DAMAGES

TO: State of North Carolina
    1321 Mail Service Center
    Raleigh, NC 27699

DATE: 9/27/2018

TO: Lessee, if Applicable

TIP/PARCEL NO. U-5730 001
COUNTY Pitt
DESCRIPTION: Intersection At US-13 and NC 43 (W 5th St)

Dear Property Owner:

The following contingent offer of just compensation is based on the fair market value of the property and is not less than the approved appraised value for the appropriate legal compensable interest or interests. The approved value disregards any increase or decrease in the fair market value of the property acquired due to influence caused by public knowledge of this project. The contingent offer of just compensation is based on an analysis of market data, comparable land sales, and, if applicable, building costs in the area of your property. Please retain this form as it contains pertinent income tax information.

Value of Right of Way to be Acquired $ 9,125.00
Value of Permanent Easements to be Acquired $ 17,400.00
Value of Temporary Easement (Rental of Land) to be Acquired $
Value of Improvements to be Acquired $ 6,075.00

Damage, if any, to Remainder $
Benefits, if any, to Remainder minus $

TOTAL CONTINGENT OFFER $ 32,600.00

The total contingent offer includes all interests other than leases involving Federal Agencies and Tenant owned improvements.

(A) Description of the land and effects of the acquisition

Subject property described in Deed Book 3088, page 793, Pitt County Registry, contains approximately 1.790 acres of which 0.025 acres is being acquired as right of way, leaving 1.765 acres remaining on the right with access to West Fifth Street. In addition there is a permanent utility easement containing approximately 0.053 acres being acquired.

(B) The TOTAL CONTINGENT OFFER includes payment for the improvements and appurtenances described below:

Asphalt paving, concrete curb and gutter, 3 small trees and grassed area

Provided there is sufficient time remaining in the project schedule, you may repurchase these improvements for a retention value, with the stipulation that you remove them from the acquisition area at no expense to the Department.

(C) Should you desire to sell the Department the portion of your property considered to be an uneconomic remnant or buildable lot, as explained to you by the Right of Way Agent, the total contingent offer would be: $ N/A

Please note that any contingent offer to purchase a remnant/buildable lot is conditioned upon the remnant/buildable lot being environmentally clean prior to the conveyance to the Department. You may be required to provide the Department with a release from the appropriate environmental agency stating that all contaminants have been remediated and/or removed to their standards.

The original of this form was handed to Kevin Carraway, ECU Associate Vice Chancellor for Administration and Finance-Business Services on September 27, 2018. Owner was furnished a copy of the Right of Way Brochure/Owner’s Letter.

I will be available at your convenience to discuss this matter further with you. My telephone number is 252-558-3326.

Please be advised that the agent signing this form is only authorized to recommend settlement to the North Carolina Department of Transportation, and any recommended settlement is not a binding contract unless and until accepted by the North Carolina Department of Transportation by its formal execution of documents for conveyance of Right of Way, Easements, and/or other interests.

(Signed) - Right of Way Agent

EXECUTIVE SUMMARY
ECU 2019-2020 Tuition/Fee Proposal

This report provides the ECU Board of Trustees with tuition and fee recommendations for Academic Year 2019-20. These recommendations conform to guidance provided by the Board of Governors (BOG).

I. Process

The annual tuition and fee increase process was significantly compressed, due to the timing of the guidelines and the November BOT meeting being the first of the month. We were able to obtain appropriate input and comply with the guidelines provided by Board of Governors (BOG). We had about three weeks in October to complete this process. The process began with the establishment of the Campus Tuition and Fee Committee (CTFC). The Committee members with voting authority included the Vice Chancellor for Administration and Finance, Vice Chancellor for Student Affairs, Provost (or delegate), Interim Vice Chancellor for Health Sciences (or delegate), Faculty Senate Chair, an undergraduate student, and graduate student. Other members of the Committee included representation from the University Budget Office, Financial Aid, Graduate School, and Health Sciences Budget Office. Three Committee meetings were held in October. The CTFC reviewed current tuition and fee policies and guidance from System Office and the Board of Governors, past rates and increases, peer institution tuition and fees, and discussed approaches to tuition/fee for the 2019/20 year.

The Chancellor’s Executive Council and Student Government Association (SGA) were updated after the second Committee meeting with the fee proposals to be shared with the students during the forums and SGA Assembly. Two student forums were conducted by the Student Government Association to inform students of the proposed increases and receive feedback. The fee increase proposals impacting all students were presented to the SGA Assembly for their recommendations and it was streamed live through Facebook Live. The SGA Assembly passed a resolution in support of the following increases Athletics ($50), Education and Technology ($8), and Student Centers Operations ($8). The CTFC recommended Athletics ($75), Education and Technology ($8), and Student Centers Operations ($8) to the Chancellor.

In addition, the School of Dental Medicine met with students within their respective program to discuss recommended increases.

As in past years, we believe our process exceeds the standards for student input set forth by the BOG.

II. Background

The UNC Board of Governors tuition and fee guidelines [Attachment 1] issued on September 19th provide parameters for setting tuition and fee rates for the 2019-20 year. No tuition increases for resident undergraduate students are allowed, however, market-driven increases for undergraduate nonresidents and all graduate students are allowed. The 2016 budget bill enacted a fixed tuition rate for first-time full time resident undergraduates and new transfer students that remain continuously enrolled for eight consecutive semesters or the equivalent number of remaining semesters for transfer students. The fixed rate was first effective for Fall 2016 admits. Additionally, consistent with the statutory requirements from 2016, mandatory fee increases that are charged to all students shall not exceed 3%.

Increase proposals for mandatory fees (Athletics, Education and Technology, and Student Centers Operations) are presented below for BOT consideration for the 2019-20 year.

In addition to mandatory fees (those that all students pay), we are recommending tuition and fee changes in this year’s proposal that are charged only to students who are participating in a specific program or activity.
Use of revenues generated with the proposed tuition and fee increases are described below.

III. Tuition Increase Proposals

There is no proposed tuition increase for undergraduates or graduates. [Attachment 2]

Brody School of Medicine and School of Dental Medicine

Tuition increases for Brody School of Medicine and School of Dental Medicine are not subject to the same percentage limitations noted above for undergraduate and graduate students. The BOG has not established ceilings for these entities although “…campuses are encouraged to carefully review all revenue sources before recommending increases that are higher than the undergraduate rate increases.”

School of Dental Medicine has limited revenue sources to pay for instructional costs. At this time, the use of clinical revenues for instructional purposes could put the clinical operations at risk. Thus, it is appropriate that increased costs of instruction be covered by an increase in tuition. The tuition for the School of Dental Medicine is the lowest of our peer schools designated by System Office. [Attachment 3]

The School of Dental Medicine is proposing a tuition increase of $1,000 per year, or 3.5%. The professional tuition generated by graduate dental students will be allocated to a 1.0 FTE for a general dentistry faculty member. Details of these uses are provided in Attachment 3.

There is no proposed tuition increase for Medical students.

IV. Fee Proposals

Mandatory fee increases are proposed for Athletics ($50), Education and Technology ($8), and Student Centers Operations ($8). The proposed fee increases total $66 for 2019-20.

The Student Recreation Center debt service fee of $15 will be eliminated beginning in Fall 2019. This debt has been paid in full. As a result, the $66 proposed fee increase will be offset by the $15 reduction, for a net increase of $51.

The net increase is 1.99%, which is less than the 3% statutory maximum. Attachment 4 shows all required fees. The details for the proposed increases are in Attachment 5.

The projected increased revenues in Athletics are estimated to be about $1,100,000. The projected revenues will be used to reduce the annual Athletics operating shortfall. [Attachment 5]

The Education and Technology fee should generate about $200,000 in new revenues. The projected revenues will be used to provide a sustainable plan for the network infrastructure. [Attachment 5]

Student Centers Operations projected increased revenues are about $176,000. The increased revenues will be used for the building operating costs for the new Health Sciences Student Center and the new Student Center opening on main campus in January 2019. [Attachment 5]

We are also proposing the following changes to special fees and miscellaneous charges.

V. Other Miscellaneous Charges and Special Fees

We are requesting a reduction in the application fee for undergraduates and graduates from $75 to $60. [Attachment 6]

We are requesting a miscellaneous charge of $35 for a readmission fee. [Attachment 6]
Dental Medicine is proposing a fee increase for Dental Electronic Textbooks of $233 annually. [Attachment 6]

Housing is requesting an average rate increase of 2.5% for residence halls. The increases range from $210 to $230 annually depending on the dorm and room type. Total annual rates will range from $4,446 to $8,390. Room rates differ per hall based on facility accommodations. [Attachment 7]

Dining is requesting an increase of $100 per meal plan, a 2.53% increase. [Attachment 7]

Parking is proposing a 2% increase. The increases range from $1 to $11 annually. There are different permit prices based on proximity zones. [Attachment 8]

VI. Generated Tuition and Fee Revenue in Relation to the ECU Total Budget

From 2013-14 to 2017-18, student tuition revenue increased from $116 million, 13% of total revenues, to roughly $135 million, or 14% of total revenues. [Attachment 9, two pages] Mandatory student fees increased from $47 million, 5% of total revenues, to about $61 million, 6% in 2017-18. [Attachment 9] Total revenue generated from tuition and mandatory fees in 2013-14 was about $164 million, or 19%, and 20% in 2017-18.

During this same time, state appropriations increased from almost $276 million, to about $305 million. Both years generated around 32% of revenues. It is critically important to note that this $29 million increase in appropriations is the net change after all increases and decreases. Appropriations increased from funding to stabilize Brody, legislative salary increases, benefit rate increases, maintenance and operating dollars for Coastal Studies and Dental School buildings, support for additional students in the dental school, and enrollment growth funding.

VII. Financial Aid

Attachment 10 shows the number and proportion of students who receive financial aid and the total and average debt for graduating students and all students. The proportion of students receiving financial aid has been relatively constant over the last five years. Each of the last four years, the percentage of students graduating with debt has slightly increased.

VIII. ECU Tuition Comparisons with UNC-System and Peer Institutions

UNC-System Institution comparisons:

Attachment 11 provides data on all tuition and fees for all UNC-system universities for Academic Year 18-19. With respect to tuition, we rank 4th in the system. When we include fees, we rank 6th.

Attachment 12 illustrates mandatory student fees for all UNC-system universities. We rank in the middle of the system overall. In most individual categories, our fees rank in the lower quartile.

National peer university comparisons:

All UNC-system schools have a BOG-approved list of peer Universities from around the country. Attachment 13 provides tuition and fees data for all our peer schools for the fiscal year 2017-18. Data was obtained from IPEDS and lags by one academic year. Our undergraduate and graduate resident tuition and fees are second from the bottom, Undergraduate non-residents is tenth lowest and graduate non-residents is sixth lowest.

On Attachment 14, we provide a comparison of our out-of-state tuition and fees to in-state and out-of-state tuition and fees for students at representative universities in New Jersey, Maryland, South Carolina, West...
Virginia and Virginia. With the exception of Towson University, our out-of-state rate is less than all other out-of-state rates. As has historically been the case, our out-of-state rate is greater than the in-state rates for these schools. When looking at total cost of attendance, the difference is narrowed considerably.

IX. Other

In Attachment 15, we have provided some additional historical information.

MEMORANDUM  

TO:         Chancellors  
            Chiefs of Staff  
            Chief Academic Officers  
            Chief Financial Officers  

FROM:       Clinton P. Carter  

SUBJECT:    Proposals for 2019-20 Campus-Initiated Tuition and Fee Adjustments  

Overview  
President Spellings and the Board of Governors are committed to maintaining accessibility and affordability of higher education for all North Carolinians. This commitment was reaffirmed with a resolution adopted at the September 2017 Board meeting. For 2019-20, tuition increases will only be considered for nonresident undergraduate students and graduate students. Constituent institutions are encouraged to identify reductions to tuition and fees for resident undergraduates where possible.  

Attached are guidelines for your use in submitting requests for changes in tuition and fee rates, effective for the Fall Term 2019. Campus proposals will be reviewed by the president and her staff and presented to the Board in January for consideration at their March meeting. The guidance outlined in this memo is based on Board recommendations, the UNC policy 1000.1.1 – Establishing Tuition and Fees (Attachment 1), and a special provision enacted by the 2016 General Assembly related to fees.  

Undergraduate Tuition  
The Board is recommending the following for undergraduate students:  

- **No tuition increases are allowed for resident students.** Combined tuition and fee rates for undergraduate residents shall continue to remain in the bottom quartile of an institution’s public peers.  

- **Increases are allowed for nonresident students.** Campuses should continue to follow the traditional process for recommending campus-initiated tuition increases for nonresident undergraduate students. Combined rates for these students should be market driven and reflect the full cost of providing a quality education. In addition, a goal of each campus should be setting nonresident rates at or above the third quartile of each institution’s public peers.
MEMO: 2019-20 Tuition and Fee Proposals
September 19, 2018
Page 2 of 3

**Graduate and Professional School Tuition**
The Board of Governors will consider school-based tuition rates for graduate and professional programs that have been approved by the Board of Governors. Institutions must use the Board's tuition and fee policy as a guideline in developing recommendations for establishing graduate and professional school tuition rates. The tuition and fee policy states, "Graduate and professional schools shall continue to establish rates consistent with each program's unique market and academic requirements." Tuition for graduate and professional students will be set with an emphasis on maintaining and increasing the excellence of the institution's graduate and professional programs, as well as ensuring access. Please do not submit requests for tuition increases for graduate programs that have not been previously approved by the Board of Governors.

**NC Promise Institutions (ECSU, UNCP, and WCU)**
The 2016 General Assembly set up a tuition buy-down program for ECSU, UNCP, and WCU that began with the 2018-19 academic year. The 2019-20 tuition for undergraduate residents will be $500 per semester and $2,500 per semester for undergraduate nonresidents. The cost of the foregone tuition receipts will be offset by an appropriation to increase the UNC base budget.

**ALL TUITION INCREASE PROPOSALS MUST BE ACCOMPANIED BY A DETAILED JUSTIFICATION ON THE USE OF THE INCREASED FUNDS.**

**Mandatory Fees (including debt service fees)**
In accordance with UNC Board policy, the Board of Governors is responsible for establishing fees at the constituent institutions of the University consistent with the philosophy set forth in the North Carolina Constitution. Fees will be charged only for limited, dedicated purposes and shall not be used to defray the cost of general academic and administrative operations of campuses, including academic programs and faculty and administrative salaries and benefits.

All fee increase proposals must be accompanied by an expenditure plan showing how the additional revenues are critically important for the fee-supported activity, including a description of why alternative sources or expenditure reductions are insufficient for addressing the needs of the fee-supported activity. In approving proposed fee increases submitted by the institutions, the Board will make every effort to keep fees for students as low as possible while providing revenues needed to support the purposes for which the fees are charged. Consistent with the statutory requirements enacted by the 2016 General Assembly, the total maximum allowable percentage increase is 3% for mandatory student fees that are charged to all students and approved by the Board.

Debt service fees are applicable to all students and reflect the cost of servicing debt at the coverage levels required in Board resolutions and other documents authorizing the debt. Requests for debt service fee increases must be accompanied by an expenditure plan showing how the additional revenues will directly offset the debt service of the associated self-liquidating project. Additionally, the debt service fee increase should be presented with a detailed justification outlining the self-liquidating project that it supports.

**Special Fees**
The number of special fees (applicable to students engaged in particular activities or course of study) has increased tremendously during the past several years; therefore, the recommendation is that no special fee increases or establishment of new special fees be allowed for 2019-20.
Application Fees
Application fees shall be established for each institution. Any proposed change in application fees must be submitted for review and approval by the Board.

Student Involvement and Use of Funds
Tuition and fee proposals must be accompanied by the Student Involvement in Tuition and Fee Setting Process form (Attachment 2). Additional information from your institution supporting your student involvement may also be transmitted with your tuition and fee package.

Attachments
Please see below for a list of attachments needed for completion of the tuition and fee cycle for the 2019-20 academic year.

Completion Date
We appreciate your efforts in providing the requested information. Tuition and fee packages are due by Wednesday, December 5, 2018. In addition to any correspondence sent to the UNC System Office, please email the Excel workbook of your tuition and fee package to Karen Russell (ktr@northcarolina.edu). Campus summary information must also be entered into the NCHED web-based system.

Please contact Karen Russell at 919-962-4606 if you have any questions about the process.

Thank you for your assistance.

Establishing Tuition and Fees

The General Assembly shall provide that the benefits of The University of North Carolina and other public institutions of higher education, as far as practicable, be extended to the people of the State free of expense. – North Carolina Constitution, Article IX, Section 9

I. Establishing Tuition

This citation from the North Carolina Constitution sets the parameters for establishing resident tuition rates at the constituent institutions of The University of North Carolina. The constitutional provisions for setting tuition are codified in General Statute 116-11(7), which states, in part, "The Board (of Governors) shall set tuition and required fees at the institutions, not inconsistent with actions of the General Assembly." This statute governed the setting of tuition rates for both resident and nonresident students from 1971 through 1999 during which time the Board of Governors recommended no tuition increases except as required by statute. This policy outlines the framework to be followed by the Board in establishing tuition levels for constituent institutions, commencing with academic year 2003-2004. Tuition is charged to students enrolled in academic programs during regular terms, summer sessions or through off-campus distance instruction and is used to partially defray the costs of general academic and administrative operations of campuses, including academic programs and faculty and administrative salaries and benefits.

1. Board-initiated Tuition Rates

A. Undergraduate Tuition – General Policy

The appropriate tuition policy at the undergraduate level encourages students to pursue academic and intellectual interests without regard to program costs. Accordingly, no difference in tuition between undergraduate programs will occur within an institution, and there will be only minimal differences in undergraduate tuition among campuses in similar institutional categories as defined by the Board to reflect both varying missions and contrasting costs of education. Deviation in undergraduate tuition among campuses in different institutional categories will be based upon institutional offerings and will be reasonable.

B. Graduate and Professional Tuition – General Policy

The Board will attempt to extend the principle that tuition be set as low as practicable to graduate and professional students as well as those at the undergraduate level. The financial structure and educational purposes of graduate and professional education, however, are sufficiently different from undergraduate education that distinct tuition policies at the graduate and professional level will be permitted. The application of what is "practicable" varies by level of instruction for a number of reasons, and those differences will be reflected in the tuition policies associated with each.

The Board will apply Article IX, Section 9 of the North Carolina Constitution to graduate and professional level students but with the realization that the costs, sources of funds and purposes of graduate and professional education are materially different from undergraduate education. Tuition for graduate and professional students will be set with an

1Consistent with G.S. 116-143, no tuition or fees may be charged to students in the high school program at the North Carolina School of Science and Mathematics. Service charges may be established consistent with Section II.2. below.
understanding that tuition revenues may be needed to maintain and increase the excellence of the University’s graduate and professional programs. In setting tuition rates, the Board will consider the need to provide access to these programs for students irrespective of their financial capacity as well as the desire to attract and retain the best students to serve North Carolina’s needs in each field.

C. Tuition for Nonresident Students - General Policy

Under General Statute 116-144, the Board of Governors is required to set tuition rates for nonresident students at levels “...higher than the rates charged residents of North Carolina and comparable to the rates charged nonresident students by comparable public institutions nationwide....” In complying with the statute, the Board will set tuition for nonresident students after considering the results of a review of rates set by comparable public institutions nationwide. The Board will further consider the need for tuition remissions for nonresident graduate students when setting tuition rates and tuition remission policies.

D. Process for Setting Board-initiated Tuition Rates

i. Proposed increases in general tuition rates are to be recommended by the President for consideration by the Board. The President will seek counsel from University Chancellors and a committee of campus representatives appointed by each chancellor, before making the recommendations for tuition changes. The committee of campus representatives appointed by each chancellor will include students.

ii. The President, the chancellors and the committee of campus representatives will consider a number of factors in deciding whether to recommend changes to general tuition rates in any given year. After the President recommends any action to the Board of Governors, the Board will also consider those factors, which include:

a. Availability of State general fund revenue to maintain quality and access within the campuses of the University of North Carolina;

b. Evidence of institutional efforts to manage costs through increases in productivity, budget flexibility, and/or efficiency improvements;

c. Analysis of the impact of tuition and fee charges on student access to the campuses of the University of North Carolina as measured by the college-going rate and other metrics so as not to limit access to the University;

d. Changes in various price and income indices (e.g., North Carolina per capita personal income, Consumer Price Index, Higher Education Price Index);

e. The current level of student charges (tuition, fees, room and board) at UNC institutions and whether campuses have proposed campus or program tuition differentials for the budget period that would be in addition to general increases in tuition;

f. Analysis of student indebtedness levels within the University, viewed in the context of student attrition rates;
g. Availability of financial aid and tuition remission and amount of unmet need. Financial aid should be reviewed in the context of the different missions of the institutions, the diverse capacities of the institutions to provide financial assistance and the contrasting needs of students attending the institutions.

iii. In academic years ending in odd numbers (e.g., June 30, 2003, the long session of the General Assembly), the Board will act by October of the preceding year or when it adopts its biennial budget request to establish the University's general tuition rates for the next academic year. This timing allows Board action on tuition to be incorporated into the University's budget request as part of its overall financing plan. In academic years ending in even numbers when the Board prepares a supplemental budget request, the Board will set Board-initiated tuition rates in conjunction with its establishment of campus-initiated tuition rates.

2. Campus-initiated Tuition Rates

A. Campuses may request increases in tuition to provide revenue for specific purposes and programs. Revenue generated from a campus-initiated change in tuition rates will be accounted for in the budget of the originating campus and transferred within the institution by the chancellor in accordance with the priorities identified in the approved campus proposal.

B. Undergraduate Tuition

The Board recognizes that campuses may experience circumstances that suggest that an across-the-board change in undergraduate tuition may be needed at one or more institutions. In the event that circumstances lead a campus or campuses to the conclusion that a change in undergraduate tuition rates is needed, campuses are permitted to bring proposals for undergraduate tuition changes before the Board for its consideration. Campuses wishing to submit requests for undergraduate tuition changes will conduct a process that includes consultation with participation by students. A campus will consider the following factors when creating an undergraduate tuition proposal.

i. Availability of State general fund revenue to maintain quality and access within the campuses of the University of North Carolina;

ii. Evidence of institutional efforts to manage costs through increases in productivity, budget flexibility, and/or efficiency improvements;

iii. Analysis of the impact of tuition and fee charges on student access to the campuses of the University of North Carolina as measured by the college-going rate and other metrics so as not to limit access to the University;

iv. Changes in various price and income indices (e.g., North Carolina per capita personal income, Consumer Price Index, Higher Education Price Index);

v. The current level of student charges (tuition, fees, room and board) at UNC institutions and whether campuses have proposed campus or program tuition differentials for the budget period that would be in addition to general increases in tuition;
vi. Analysis of student indebtedness levels within the University, viewed in the context of student attrition rates;

vii. Availability of financial aid and tuition remission and amount of unmet need. Financial aid should be reviewed in the context of the different missions of the institutions, the diverse capacities of the institutions to provide financial assistance and the contrasting needs of students attending the institutions.

viii. A plan for the intended use of additional tuition receipts (e.g., needed improvements to the educational program, funding for competitive salary increases, financial aid, etc.)

3. Graduate and Professional Tuition

The Board of Governors will permit individual campuses to initiate requests for Board approval of different base or program tuition rates at the graduate and professional level. If a campus explores the possibility of developing such a request, it will present evidence to ensure that students in the affected graduate and/or professional programs have been consulted. Tuition for graduate and professional students will be set with an emphasis on maintaining and increasing the excellence of the campus’ graduate and professional programs as well as ensuring access. To the extent possible, there should be full tuition remission for graduate assistants to improve a campus’ competitiveness in recruiting and retaining highly qualified nonresident graduate students.

In reviewing potential criteria to recommend as a basis for deciding when specific graduate or professional tuition differentials may be appropriate at a particular institution, a flexible policy framework that allows judgments to be reached based on a number of factors is preferable either to cost-based formulas or to discipline or program typologies that treat all academic or professional programs the same. In particular, a flexible approach based on the unique factors associated with specific programs is desirable because of the potential mix of graduate and professional programs that one may find within any given school or college; e.g., a professional school may offer a Ph.D. program in addition to one or more professional degree programs. Therefore, the campuses will consider the following factors in developing graduate and professional school tuition proposals.

A. The anticipated impact of a proposed change on program quality;

B. The projected impact of a proposed change in tuition on access for North Carolina residents;

C. The availability of student financial aid for students with economic need and of tuition remission;

D. The extent to which current and prospective students can afford possible increases in tuition;

E. The relationship of projected tuition revenue to institutional and/or program costs;

F. Tuition and fees, net of remissions and waivers, charged by peer institutions or programs, as compared to tuition and fees, net of remissions, at the UNC institution or program (the public subsidy received by students at public institutions or programs in the peer set,
including the UNC institution or program in question, will also be identified as part of the comparison; 

G. A plan for the intended use of additional tuition receipts (e.g., needed improvements to the educational program, funding for competitive salary increases, financial aid, etc.); and 

H. Assistantships or grant support for graduate students; 

I. Analysis of student indebtedness levels within the University. 

4. Timing and Review of Board Action 

The Board will act by February of each year, or as soon as possible thereafter, to establish the University’s campus-initiated tuition rates for the next academic year. Setting campus-initiated tuition rates by February will permit students and their families to know in early spring what their tuition charges for the fall semester will be, assuming consistency between the actions of the Board of Governors and the General Assembly. Moreover, an institution is required to submit a one-time report at the end of the first full biennium following an approved campus-initiated tuition rate increase in order to confirm that the additional revenues were used as the Board intended in approving the campus request. This will ensure the accountability of a campus for its tuition proposals as well as enable the Board to maintain the University’s accountability to the State. 

5. Tuition Requests in Context of Long Range Plans 

All proposals for campus-based tuition increases will include the campus’ plan for other tuition increases for a prospective period of five years, including the year of the current application. 

6. Individual Consideration of Campus Request 

The Board will review each campus-based tuition request on an individual basis, within the context of the University’s long range plan, the need for Board-initiated tuition increases, the state’s economic environment, and the financial impact on students. The Board is obligated to exercise its discretion in granting, modifying or denying a campus request. 

II. Establishing Fees. 

The Board of Governors is responsible for establishing fees at the constituent institutions of the University consistent with the philosophy set forth in the North Carolina constitution. Fees will be charged only for limited, dedicated purposes and shall not be used to defray the costs of general academic and administrative operations of campuses, including academic programs and faculty and administrative salaries and benefits. Consistent with the above citation, the Board will make every effort to keep fees for students as low as possible while providing the revenues needed to support the purposes for which the fees are charged. 

Each year, the Board establishes the fees listed below. All fees established shall be based upon the recommendation of the chancellor, the institutional Board of Trustees, and following his or her review, the President. Excluding the application fee charged to prospective students, all fees set by the Board are annual fees. Once an annual fee has been established, semester rates, summer rates, and part-time rates shall be established by the President. It is the policy of the Board to act no later than February of each year to establish fees for the following fall semester.
1. Although the General Assembly provides for most of the instructional costs of institutions through State appropriations, institutions traditionally rely entirely on student fees to finance a number of activities, services, and facilities. Institutional Boards of Trustees are required to weight the benefits of the activity, facility or service against the fee required to provide financial support. Orientation sessions for the Boards of Trustees will regularly include discussions of the process followed when establishing student fees.

A. Application Fee. An application fee shall be established for each institution. Specific programs within an institution may require an application fee different from the fee charged for most students and the Board may set different fees according to program needs.

B. General Fees. Fees generally applicable to all students shall be established by the Board of Governors. Four general fees are authorized: athletic fees, health services fees, student activity fees, and educational and technology fees.

C. Fees Related to the Retirement of Debt Incurred for Capital Projects. Fees generally applicable to all students that provide revenues for the retirement of debt shall be fixed by the Board of Governors at the time of the borrowing. Indebtedness fees may not include components for operations and maintenance but shall reflect the cost of servicing the debt at the coverage levels required in Board resolutions and other documents authorizing the debt. Changes in fees required subsequent to the issuance of the debt may be approved by the President upon the request of the chancellor. Indebtedness fees expire when the related debt is retired.

D. Special Fees. Fees applicable only to students engaged in particular activities or courses of study shall be established by the Board of Governors when needed. These fees will not be used to provide general academic revenues that will be provided for from campus-initiated tuition increases.

2. Each chancellor is authorized to establish miscellaneous service charges for such items as transcripts, diplomas, caps & gowns, special examinations, late registrations, and replacement of I.D. cards. A schedule of such charges shall be filed with the President prior to the beginning of each school year.

3. The process for establishing fees shall be as follows:

A. In academic years ending in odd numbers (e.g., June 30, 2003, prior to the short session of the General Assembly in 2004), the process shall be initiated at the beginning of the fall semester and contain the following steps.

i. The Vice President for Finance shall issue instructions to the campus chancellors calling for them to initiate a review of fees.

ii. Each chancellor shall establish a fee review committee with representatives of all aspects of campus life, including, but not limited to, representatives from Business Affairs, Student Affairs, the Financial Aid Office, and the student body. The Committee shall conduct a complete review of student fees from a zero-based budgeting

---

2The Chancellor of the North Carolina School of Science and Mathematics shall transmit by July 1 of each year a schedule of service charges at that institution for approval by the President.
perspective and shall make recommendations to the chancellor for establishing fees effective with the upcoming fall semester. The review will include an examination of alternative resources, including available institutional reserves, to determine if other funding is available to provide the services in lieu of establishing the fee. The review will include a reassessment of the existing operating methods to ensure that operations are performed in a cost-effective manner. If the committee determines that an increase in a fee is needed, the committee shall attempt to decrease another fee so that the total cost of education for students does not increase. In order to ensure that all students are able to meet the increased cost of education, the university’s financial aid officer, working with the committee, shall determine that sufficient financial aid is available, from whatever sources are possible.

iii. The chancellor shall review the recommendations of the Committee and present recommendations to the Board of Trustees for review and approval. Before a chancellor makes recommendations to the Board of Trustees, the recommendations of the fee review committee will be shared with student government leaders so that students may inform the chancellor of their perspectives on the proposed changes.

iv. The recommendations of the Board of Trustees will be forwarded to the President for review.

v. When the review is completed, the President will present fee recommendations to the Budget and Finance Committee for consideration by the Board of Governors.

Each step in the process shall be an iterative and comprehensive review of the previous step, resulting in changes to the fee recommendations as deemed appropriate.

B. In academic years ending in even numbers (e.g., June 30, 2004, prior to the long session of the General Assembly in 2005), fee increase proposals submitted by the institutional Board of Trustees to the President may be approved by the President if the increase provides only for the following:

i. Additional revenues equal to the amount required for funding compensation increases for fee-supported employees at a level equivalent to the previous years' compensation increases authorized by the General Assembly.

ii. Additional revenues for nonpersonnel items at a level equivalent to increases in the consumer price index.

If a campus requires other changes in fees in academic years ending in even numbers, the process that shall be followed is identical to that followed in academic years ending in odd numbers.
Student Involvement in Tuition and Fee Setting Process

Campus Name: ____________________________________________________________
Date: ___________________________________________________________________
Campus Administrator Name: _________________________________________________
Campus Administrator Title: _________________________________________________
Campus Administrator Signature: _____________________________________________

Student Body President Name: ________________________________________________
Student Body President Signature: _____________________________________________

Collaboration
   ___ Tuition and fee committee(s) established
   ___ Students were represented on the committee(s)
   ___ Student representatives were appointed by the Chancellor in consultation with the Student Body
       President
   ___ Committees were co-chaired by the Chief Academic Officer and/or Chief Student Affairs Officer
       or their designee along with the Student Body President and/or Student Senate President.

Inclusiveness
   ___ Students on the tuition and fee committees were representative of student constituencies:
       (for example, in-state, out-of-state, undergraduate, graduate, professional school, distance
       education, etc.)
   ___ Student involvement throughout the entire tuition and fee setting process
   ___ Student forums were conducted (at least two, one mid-day and one in the evening)

Transparency
   ___ Utilization of social media to reach out to students
   ___ Utilization of university listserv(s) and website

Timeliness
   ___ Process initiated and completed consistent with the UNC Policy
       (September 1\textsuperscript{st} through December 1\textsuperscript{st})

Accountability
   ___ Inclusion of student involvement form in the institution’s tuition and fee request packet
       submitted to the UNC System Office

ECU School of Dental Medicine
Tuition Proposal for Academic Year 2019-20

The ECU School of Dental Medicine proposes increasing tuition by $1,000 for the 2019-20 academic year. This would increase tuition from $28,944 to $29,944. Even with this increase, ECU would still be in the lowest quartile of in-state tuition for all US Public Dental Schools. The table below based on the AY 2017 – 2018 report from American Dental Association shows annual tuition for the ECU SoDM and for our Peer Schools as designated by the UNC System Office. Data is for AY 17-18, the most recent year for which data comparison is available.

In-state tuition at UNC Chapel Hill School of Dentistry was $35,833 for AY 17-18.

The ECU SoDM will use the estimated tuition revenue of $190,665 per year to support a new position for a General Dentistry Faculty member. General Dentistry faculty make up the core of our faculty, and adding this position is consistent with our mission to educate leaders who will serve as primary care dentists in rural and underserved communities across the state of North Carolina. Consequently, the SoDM’s educational and clinical care models focus on preparing graduates with robust skills as general dentists. To achieve this key objective, the SoDM’s faculty must include a sizeable number of broadly skilled general dentists who can provide clinical supervision and mentorship for students, while also working with preclinical students as they develop their knowledge and skills in the Classroom, Technique Lab, and the Clinical Simulation lab.

The General Dentistry Faculty member will provide a much needed enhancement and support for the SoDM’s cadre of General Practice Group Leaders and once trained may become a Group Leader. He or she will be able to function equally well as a key faculty member within the General Practice Groups, in the didactic setting, or in preclinical laboratories in Ross Hall.

Student Involvement
Student input was an important part of the review of tuition as well as the Electronic Textbook fee. On October 17, 2018, the Vice Dean and Associate Dean for Student Affairs convened an open forum to which all students were invited. Included in the meeting were the Chair of General Dentistry, the Assistant Dean for Dental Education and Informatics, and the Executive Director of Budget and Finance. During the meeting, the administrative representatives explained the overall process for requesting increases, the proposed tuition increase that would allow the SoDM to fully fund a new General Dentistry faculty position as well as the fee increase. The students asked several questions on both the tuition and fee increases and expressed support and appreciation for being included in the process.

Proposed change in annual fees is $51, or 1.99% of BOG Approved fees. Details are below.

- **Athletics $50 increase**
  - Estimated revenue generated $1,100,000.
  - Additional revenue will reduce the annual operating shortfall.
  - A three-year budget with three different scenarios- worse case, conservative, and best case was completed about 3 months ago. In the three-year conservative budget in FY 2020, we anticipate a $5.2 million shortfall, if we do not receive a student fee increase. The budget projected an increase in expenses across the board by 3%, plus additional budget was added for facility repairs and filling some of the vacant positions. Additionally, we accounted for a change in NCAA regulations requiring trainers to be full time employees versus GA’s. The increases beyond the 3% is about $1 million.
  - For revenue purposes, we were very conservative and budgeted for minimal increases in Pirate Club Support ($50K annually) and ticket sales ($100K annually) over the budgeted FY 2018-19. Another reason for the increased deficit is university support will be reduced from $2.5 million to about $600K in FY 2020. This is due to the depletion of capital resources that have been used for The Boneyard debt service.

- **Education and Technology $8 increase**
  - Estimated revenue generated $200,000.
  - One component of a multi-year sustainable plan for the network.
  - The ECU network provides critical connectivity and is core to teaching and research. Our state-of-the-art network ensures the transmission and security of our information. In an ever-changing security environment, the tools we use ensure we have 99.9% uptime speed, quality, and multiple layers of protection. The full replacement of our network environment occurs annually over an 8-10-year cycle.
  - To create this sustainable plan, we will reduce the cost of future network expenditures by only refreshing critical components thus extending the life of the equipment. We will reduce our annual computer lab upgrades by shifting a significant portion to FY 2021 thus extending the life of the computer lab equipment; and reduce the amount spent on college technology and classroom technology compared to FY 2018. Additionally, we will use approximately $400,000 from the Education and Technology fund balance to meet campus needs in FY 2020.

- **Student Centers Operations $8 increase**
  - Estimated revenue generated $176,000.
  - In January 2019, Student Involvement & Leadership will be opening the second new facility in two years, the Main Campus Student Center. This will replace Mendenhall Student Center, at 110,000 square feet, with a new facility of 220,000 square feet. Utilities, staffing, operations, and maintenance cost will increase by an estimated $700,000. This increase will cover a portion of the anticipated operating costs of this new facility.

- **Student Recreation Center Debt Service $15 decrease**
  - The final debt payment for the student recreation center will be paid in fiscal year 2018-19, therefore, the debt service fee can be eliminated, saving the students $15 annually.

<td>$655</td>
<td>$233</td>
<td>$888</td>
</tr>
</tbody>
</table>

- **Application Fee-Undergraduate**
  - Current Fee $75; Proposed Reduction of $15; Proposed Rate $60
  - The purpose of the reduction is to attract additional applicants and align our fee structure with similarly tiered UNC System schools (UNC-Charlotte = $60.00; UNC-Greensboro= $65.00; and NC A&T = $65.00).
  - In 2017-18 the total app fee revenue was $1,414,500 and at $75 each, that would yield about 18,860 applicants. The reduction in app fee, projecting 18,000 applications, is a loss of revenue of $270,000. ECU granted 5,283 fee waivers at a cost of $396,225.
  - These fees are the primary revenue source for the Undergraduate Admissions budget, both for personnel and operating expenses. For example, the total compensation (salaries and benefits) for Undergraduate Admissions supported by non-state dollars is $1,137,223.
  - In order not to lose operational capacity, which would diminish recruitment efforts, and to sustain current personnel expense, the University will backfill the Undergraduate Admissions budget with recurring and non-recurring funds.

- **Application Fee-Graduate**
  - Current Fee $75; Proposed Reduction of $15; Proposed Rate $60
  - The reduced rate will make recruiting efforts more competitive. Other application fees within our similarly tiered UNC System schools (UNC-Charlotte = $75.00; UNC-Greensboro= $65.00; and NC A&T = $60.00).
  - Within the 17 UNC System campuses, ECU’s current graduate application fee is $10 higher than the average graduate application fee.
  - Lowering ECU’s graduate application fee by $15 is estimated to reduce revenues by $86,000 per year.
  - We will need to backfill the Graduate Admissions budget with recurring and non-recurring funds.

- **Readmission Fee**
  - New Fee $35
  - Students with a break of enrollment of more than one consecutive semester are required to submit a readmission application and a readmission fee.
  - The fee is designed to support the resources necessary to process related data. At the time of application for readmission, Undergraduate Admissions personnel review Banner data (e.g. last date of attendance and academic standing) and other data (e.g. campus safety and
conduct/judicial). Once there is verification the student is eligible to re-enroll, there is an examination of the academic record to determine if the student is eligible for readmission under the forgiveness policy. The student is then admitted as a regular admit or forgiveness admit. Although some campuses may charge the same level fee as new freshmen and new transfers, we recognize the level of effort supported by the fee isn’t comparable for a readmit.

- **Dental Electronic Textbooks**
  - Current Fee $655; Proposed Increase of $233; Proposed Fee $888
  - The ECU School of Dental Medicine proposes an increase in the fee students pay for their electronic textbooks.
  - ECU School of Dental Medicine has an integrated curriculum that uses problem-based learning and case-based learning that requires the searching of content in peer-reviewed books. The school has used a book list that includes medical volumes from several different important publishers. The school contracted with VitalSource Technologies to deliver digital versions of these textbooks in an interface that facilitates searching for integrated curricula. The booklist has changed since 2011, and the SoDM has covered the costs in excess of the current electronic textbook fee from other funds for several years. Unlike other digital book systems, these books are owned by the students and represent a dental practice library following graduation.
  - Over the past 3 years, the booklist has largely stabilized and so we are now requesting an annual fee increase of $233.
  - This brings the total a student pays for the books over 4 years to $3,256. These books would cost over $8,400 if purchased in paper.

** Standard Residence Halls include Legacy, Jones, Fleming, Jarvis, Umstead & Garrett

Justification: The above fee increase will help to offset increased cost of staffing due to legislation of the new minimum annual salary for permanent, full-time employees. The impacts of this legislation to Housing are $284,320 for increases to employees with salaries below the threshold of $31,200. There are an estimated $95,000 of additional employee costs due to the impacts of compression on the salary structure of the department. This results in total impacts of almost $380,000. Additional to these new full-time employee costs is an expected increase in student wages which will add an additional $200,000 to the student wage line of the operating budget.

Justification: The above fee increase represents an adjustment to reflect the increase related to increased food costs which are rising at just over 3% annually. Benefit costs for dining staff has risen greatly in the past year (over $130,000) as a higher percentage of staff are choosing to accept the benefit package. The addition of several new food outlets in the new student center will also increase staffing costs for FY20 which results in increased operational expenses.
1. On September 19, 2018, the Parking and Transportation Committee recommended a 2% increase for all currently existing flat lot permits for Fiscal Year 19-20.

2. New fees are being proposed for 2 new flat (surface) lot permit categories to allow commuting students access to main campus spaces during the evenings and weekends. In the past, all commuting permits were eligible to move onto campus during the evenings and weekends. With the loss of nearly 600 spaces due to construction on the core campus, the large number of commuter students trying to access the remaining, limited spaces created access issues for faculty trying to find space to park to teach evening classes, conduct research, or meet with students. It also affected music, theater and other large events, as well as access by emergency vehicles to campus. These new permits provide a means to better manage the limited space available for these mission critical operations.

3. The Student Center Garage will open by year end. Since it will not be available for the full academic year, the recommendation is to keep garage permit fees at the same level for the upcoming FY19-20 year.

4. The Student Center Garage contains 724 spaces, 15 of which are ADA accessible. Permit space allocations may be adjusted based on permit sales and actual usage. Allocations will be set to maximize efficiency.

5. The Student Center Garage will follow an operating plan similar to the former Mendenhall lot. The initial allocation will be faculty/staff (all access) permits (600 spaces) and hourly/visitor spots (124 spaces) available to students and visitors during the day. At 5:30 pm, evening student permits (500 spaces) will be allowed to park in the garage, along with hourly/visitor (124 spaces) and faculty/staff all-access permits (100 spaces). Special event space will be arranged through Parking and Transportation Services via the Central Reservations Office (CRO) process. Data will be collected, and modifications made as necessary to best utilize the spaces available with faculty/staff all access permits having priority.

6. Parking operations must be self-supporting. We are currently constructing and planning three garages with future plans for additional garages at the bottom of College Hill Drive and the Health Science Campus. Future garage plans will be determined through the upcoming master plan update process based on enrollment and staffing projections, as well as future building plans.
7. Fees are based on construction, operating and maintenance costs to insure a sustainable parking program, but also must match well with the market. Garage fees at other UNC institutions range from $333 to $1,731 per year. This places the proposed ECU garage fees below the midpoint for the UNC system. Local market rates for private parking lots in Greenville were also reviewed and our fees compare well. (See attached)

8. With fees set at these levels, Parking can pay the garage debt and operate and maintain the facility with reasonable fund balance available for future construction as ECU continues to grow. Five million was used for the Student Center Garage and another $5 million may be needed for the Life Science and Biotechnology Building.

9. The fee structure proposed takes into consideration the loss of revenue of 450 A zone permits removed during the 30-month construction period for the Student Center Building and Garage. The Parking operation also has the expense of building new garage spaces at a cost of more than $20,000 per space to replace the 450 surface lot spaces that were constructed at less than $3,000 per space years ago. The construction cost of these surface spaces was already paid, and the spaces were earning the most revenue of any parking zone on campus.

10. The ECU Board of Trustees must approve all parking fees.

11. Parking fees proposed for all ECU parking permits and a comparison chart of UNC institutions and local market parking fees are attached.

</table>
• Minutes from the September 6, 2018 meeting were approved.
• For the Health Sciences Division update, Dr. Stacy announced:
  o East Carolina University and Vidant Medical Center have been selected as a site for a national trauma research network for the U.S. Department of Defense. Our local site is the network’s only site in North Carolina and the only rural site in the system.
  o Dr. Sylvia Brown, the dean of our College of Nursing, was recently inducted as a Fellow into nursing education’s most prestigious organization – the National League for Nursing’s Academy of Nursing Education – placing her among the nation’s most respected nurse educators.
  o When Hurricane Florence brought devastation to the Carolinas, students, faculty and alumni from across our university made sure they were in position to serve the region’s patients and storm victims – not just in the immediate aftermath of the storm, but for the months and years ahead. Those efforts are ongoing, as our community continues pursue ways to aid the region’s storm victims through donation drives and countless volunteer hours.
  o The American Dental Education Association announced that the ECU School of Dental Medicine is a recipient of the 2019 William J. Gies Award for Vision, Innovation and Achievement, in the Innovation category. The school earned the honor for its eight state-of-the-art service-learning centers in rural and underserved communities across North Carolina, where dental students and residents can hone their skills.
  o A third-year student at the ECU School of Dental Medicine has been named president-elect of the Student National Dental Association (SNDA). Akeadra Bell will spend the next year learning the organization’s operations, policies and programs in preparation to become SNDA national president next year. The SNDA was established over 40 years ago to promote, aid and support the academic and social environment of minority students.
  o In 2013, 80 percent of the nation’s medical schools applied for $1 million in grant funding through the American Medical Association’s Accelerating Change in Medical Education initiative. Brody was one of only 11 medical schools nationwide to be awarded funding under the AMA program, which aims to bridge the gap between how future physicians are trained and how health care is delivered. The AMA recently announced that it would be extending the successful initiative beyond its original five-year plan, which will give ECU and Brody a significant role to play in shaping the future of medical education.

Vince Smith
University Affairs Committee- East Carolina University Board of Trustees

Board Members Attending: Full Board Attendance

Academic Affairs – Ron Mitchelson

- **Student Credit Hours** - Ron talked about the UNC Policy Manual regarding student credit hours. ECU is in a good place for degree programs requiring 120 SCH to graduate. ECU has two exceptions (BS Engineering and BS Nursing). For both, there is a request to have this be at 125 SCH. NC State is doing the same thing for Nursing at 125 hours. For engineering it is one degree with multiple concentrations.
  - **MOTION**

- **Conferral of Degrees** – 2,406 students have applied to earn degrees this fall. This includes 1,716 Undergraduates and 690 Graduates.
  - **MOTION**

- **Honors College** - Dean David White, joined by Honors College staff
  - Currently admitting 200 scholars annually include 20 EC Scholars each year.
  - Each EC Scholar receives $63,000 and is ECU’s most prestigious merit scholarship
  - Academic Mentorship is another a huge component of the Honors College.
  - Todd Fraley talked about the unique curriculum for the Honors College including study abroad experiences, internships/fellowships and the Signature Honors Project.
  - The freshman colloquia, Honors 2000, are interdisciplinary teams and they work with the community about solving real problems. At the end, presentations are given about what the problem is and what solutions exist. This course leads to Honors 3000 and moves them toward Lean Launchpad pushes students outside the box and break down the idea that they know everything. The students receive the same type of relentless feedback that an employer will give them in the real world.
  - The Honors College students are graduating from ECU and going to places like Michigan, Berkley, and Stanford for grad school.
  - ECU Honors had its largest applicant pool this past year, which allows us to be more selective. We are becoming more competitive across the state and the region.

Research, Economic Development and Engagement (REDE) – Jay Golden

- Jay talked about the financial plan for research at ECU. In FY 2017-18, Sponsored Awards from ECU are at $97,246,213, which is a bit lower, but not unexpected. Subcontracts don’t count toward our number and ECU typically has the highest amount of subcontracts.
- We are seeing an expected track of 49% growth in expenditures reported to NSF, which would make us by percentage of growth among the highest growers in the country.
- After a record breaking year last year, we are doing great things in the first 90 days of FY 18-19. In fact we have seen great results already for things like sponsored awards and research awards are already done in the first 90 days.
- ECU is starting a new office of National Security and Industry Initiatives with Keith Wheeler as the leader of this new office.
- Jay said there are great things that we are doing at ECU and Greenville and we need to be better at banging that drum loudly to let people know.
• Jay asked the Board to approve the concept plan to move forward with For Profit Venture Funds. The board gave approval to proceed and Jay will report back to the Board with progress.

• **Student Presentations** – One of ECU’s goals was to double mentored undergraduate research experiences. Jay introduced two amazing ECU students to present on their work related to Capture 180 which is a competition.
  o One student, a sophomore, presented on “How are dietary fatty acids regulating spermatogenesis?”
  o The second student presented on “More PEAS Please: Can Food-Based Learning Improve Preschoolers Vegetable Intake?” These students are the best example of why undergraduate research is so important.
DATE: October 15, 2018

TO: ECU Board of Trustees

FROM: Ron Mitchelson, Provost and Senior Vice Chancellor for Academic Affairs

SUBJECT: Exception Requests to 120-Credit-Hour Policy for Undergraduate Degrees

Dear Board of Trustees:

In January 2018 the UNC Board of Governors amended their policies and regulations on Fostering Undergraduate Student Success, as detailed in the UNC Policy Manual, chapter 400.1.5 and 400.1.5[R]. One resulting mandate is that all four-year baccalaureate degree programs require no more than 120 semester credit hours, unless an exception is granted by the institution’s Board of Trustees and the UNC Board of Governors.

To comply with this new policy, ECU has been working to reduce undergraduate program credit hours and to determine whether any programs require an exception. After deliberation across all ECU colleges and schools, only two programs (of approximately 35 with excess hours in February 2018) are making a request for exception: the BSN in nursing and the BS in engineering.

The BSN in nursing is requesting a minimum requirement of 125 semester credit hours to avoid negative impact on the program’s ability to meet national standards and graduate well-prepared nurses in an increasingly demanding workforce. ECU is committed to high-level, quality education that prepares students to pass the national registered nurse (RN) licensure exam and allows graduates to engage in everyday life and death situations. Eight UNC institutions have prepared a joint memo to petition the UNC Board of Governors for an exception; each institution will submit the joint memo with their request.

The BS in engineering also is requesting a minimum requirement of 125 semester credit hours. The 125-hour request represents a reduction of 3 credit hours to place ECU in a competitive position with other UNC institutions, as requested by the ECU Academic Council. This reduction was accomplished by using one required math course as a general education elective, in accordance with ECU policy. Three UNC institutions (ECU, NCSU, and WCU) of five total are requesting credit hour exceptions.

We respectfully request approval of these requests for exception for the BSN in nursing and the BS in engineering. Upon approval, we will submit our requests to the UNC Board of Governors for final decision.

Ms Carolyn Harmon
Director Of the Chancellor's Society
Office for Institutional Advancement
East Carolina University
Greenville, NC 27858-4353

Dear Ms Harmon:

Please find the enclosed form but I am not sure that I really fit the criteria for the Chancellor's Society, although it would be an honor to have such membership.

I own a collection of contemporary ceramics which I have made arrangements to give to the Ceramics Department of the School of Art. I have signed the appropriate papers plus the School is named in my will, along with future funds to support the collection. The collection has a value between $300,000.00 to $500,000.00 and I add about $5,000.00 of work each year to the collection.

This past year I have given over $20,000.00 of ceramics to the School. I change out the exhibit twice a year. 2002, I will again give them a collection of work although we have not decided what that will be. My plans are to make a donation each year but the value of the work will vary. Eventually, the East Carolina University will have all of the work plus part of my estate to support the work. I hope that this does not happen tomorrow but it will happen.

I hope this explains how I will be giving to the University. Please note that I am a graduate of the University of Chapel Hill, not East Carolina.

Sincerely,

Dwight M. Holland

1/29/02

Based on this letter, please put a planned gift by bequest in Babcock in the amount of $400,000.00. Note its receipt and that he plans to have an art collection.
LETTER OF UNDERSTANDING

Mr. Dwight Holland of Asheboro, North Carolina is a longtime collector and patron of ceramic artists particularly those in the Seagrove area. His significant collection is of value both in terms of history and artistic craft. It currently numbers over 950 objects. Many of the works are by famous artists.

This letter serves to summarize a meeting between Mr. Dwight Holland and representatives from the ECU School of Art on July 29. Mr. Holland expressed his intent to donate his pottery collection to the School of Art and ECU School of Art expressed its intent to provide an atmosphere where this collection could be fully utilized as an educational tool for college art students. The following points serve to outline the intent expressed by both parties:

1. ECU agrees to accept the annual gifts of Mr. Holland’s pottery collection as a teaching collection not an exhibition collection. ECU understands that it will be used to instruct students. Individuals will be allowed to handle the objects as long as they exercise care.

2. ECU understands that no portion of this gift may be sold, as this gift constitutes a charitable gift of related-use.

3. The ECU School of Art agrees to make the necessary provisions to house the collection on campus to ensure that it will be viewed and be accessible to the students.

4. Both parties agree that upon advisement from the Dean of the School of Art, but by sole discretion of Mr. Holland, portions of the pottery collection will be given to ECU in increments annually as outright gifts. The delivery date, method of delivery and number of objects to be gifted will be negotiated and agreed upon prior to the arrival of the objects on campus.

5. Mr. Holland agrees to construct a manifest of the collection that includes the artist, medium, a brief history, and an appraisal by an independent appraiser, for each object. It is intended that this manifest will serve two purposes: the basis of a future catalogue produced by the School of Art and tax information.

6. Mr. Holland agrees to provide parts of the collection not yet gifted to ECU for special exhibition on a case by case request. These agreements would be for major exhibitions only and it is not envisioned that they will occur on a regular basis.

7. Mr. Holland agrees to provide restricted provisions in his will to insure that ECU’s School of Art become the sole beneficiary of Mr. Holland’s entire pottery collection, save a few pieces that will be specifically bequeathed to other parties.
8. Mr. Holland agrees to keep ECU informed of new pots that are added to the collection each year so that ECU can continue to work toward providing additional logistics to properly accommodate the entire collection at some time in the future.

These calculations are for illustration purposes only and should not be considered legal, accounting, or other professional advice. Your actual benefits may vary depending on the timing of the gift.
The money from the sale of my share of the residence  
3048 Old Cox Road, Asheboro, N. C. is to be invested by Phyllis  
Ann Holland as my trustee and treated as a trust. I give and  
empower Phyllis Ann Holland with all powers listed in the N. C.  
General Statutes for Trustees. In the event that Phyllis Ann  
Holland feels she needs part of it for any reason as to living  
expenses, health, or buying or renting a place to live, she may  
use it that is necessary provided she has used or uses her own  
resources first and the amount used is not more than one half of the property. The money used to  
buy the property retains the nature of a trust. After her estate  
is settled, the remaining money in my trust, I give and bequeath  
to East Carolina University Foundation, Inc. for the support of  
the Dwight M. Holland Ceramics Teaching Collection.  

All funds in my estate or generated by my estate from the house  
and land shall first be used to insure that Phyllis is able to  
live a comfortable life. The remainder after Phyllis dies, I give  
and bequeath to East Carolina University Foundation, Inc.  

ART IX, BEQUEST OF REMAINING POTTERY TO EAST CAROLINA  
UNIVERSITY FOUNDATION:  

Pottery collection has significant value both in terms of  
history and artistic craft, particularly of artisans from the  
Triad Area, N. C. area. It presently numbers over 1000 objects. It  
has been my feeling that it is a natural extension for me to donate my pottery collection 
so it can be used as an educational tool for college art students  
at East Carolina University in North Carolina. 

In August 1998 I entered a letter of understanding with East  
Carolina University School of Art of my intent to annually donate 
portions of my pottery collection, with a few exceptions of my  
choice, to them and to donate the remainder of my pottery  
collection to them at my death. A condition of the gifts is that 
the collection be fully utilized as an educational tool for 
college art students, not an exhibition collection. Two annual 
gifts have already been made. The pottery collection shall be 
called the Dwight M. Holland Ceramics Teaching Collection. 

[Dwight M. Holland Signature]
Will of Dwight M. Holland, total of 6 pages

Th., August 1998 letter of understanding also provided that, "Mr. Holland agrees to provide restricted provisions in his will to insure that ECU's School of Art becomes the sole beneficiary of Mr. Holland's entire pottery collection, have a police will be specifically bequeathed to other parties and that both agreements shall be followed. Since then, the situation has been changed through a newer agreement dated July 1999 with the East Carolina University School and East Carolina University Foundation, Inc. for the actual donations to be to the East Carolina University Foundation, Inc.

Therefore, I bequeath the remainder of my pottery collection, none bequeathed above to individuals, to East Carolina University and to the collection will not be gifted by East Carolina University to anyone else.

The costs of safeguarding, insuring, packing, storing and delivering my pottery to East Carolina Foundation, Inc. under this Item of my will shall be paid as expenses of administration.
LAND SALES SUMMARY

The appraiser located three land sales and one land listing that are considered to be reasonably similar to the subject and are considered to be representative of the actions of typical buyers and sellers in the market. The sales vary in size ranging from 22.0 acres to 47.83 acres. The unit of comparison for land sales such as the subject is the price per acre. The comparable land sales and listing indicate a range of values from $3,418 to $12,500 per acre. Comparing the sales to the subject property can narrow this range.

It is the appraiser's opinion that the highest and best use of the 28.0 acres will be for the development of a residential subdivision. All comparable sales that were chosen were purchased with the intent of developing or expanding residential subdivisions in areas similar to the subject, and are therefore considered reliable indicators of value.

The primary items of consideration are differences in rights of ownership, terms of financing, conditions of sale, expenditures immediately after the sale, and
market conditions. No adjustments are warranted for the primary items. Other or secondary adjustments are applied to the total adjusted prices per unit as lump sum percentages. These adjustments are described below.

LOCATION ADJUSTMENTS

The subject is located on the west side of Old Cox Road, just south of Zoo Parkway in Asheboro, NC. and immediately west of the zoo property. Sale 1 is located on Old N.C. Highway 13, about 2.5 miles southeast of the subject in an area similar in desirability compared with the subject therefore no adjustment are warranted. Sale 2 is located about 14 miles northwest of the subject along Hoover Hill Road. Sale 3 is located about 9 miles north of the subject on Hub Morris Road. Sale 4 (Listing) is located about 1.5 miles north of the subject on Old Cox Road. No location adjustments are warranted for these sales. All sales are located in the Asheboro portion of Randolph in areas of similar desirability.

SIZE ADJUSTMENTS

In general, economies of scale would indicate a higher price per SF for smaller parcels of land and vice versa. Comparable sales 2 and 4 (Listing) are reasonably similar in size to the subject therefore no adjustments are warranted. Sales 2 and 3 are significantly larger in size than the subject, therefore upward adjustments were warranted for these sales.

ZONING ADJUSTMENTS

The subject is zoned E-1 – Environmental District 1. This is the most unique zoning district in North Carolina because it is designed specifically to enhance and preserve the special character of the N.C. Zoological Park site. All development, other than single –family residential homes is regulated through Conditional Use or Special Use Permit review. Per Mr. Dumont Bunker, city engineer of the City of Asheboro and Mr. Jay Dell of the planning department of Randolph County, the subject property would most likely be required to have a minimum lot size of 3 acres per home and future development of a residential subdivision on the subject land may be unlikely. Sales 1 and
have similar zoning and density requirements as the subject therefore no adjustments were warranted for these sales. Sales 3 and 4 (Listing) have zonings that allow greater density than the subject therefore downward adjustments were made on the grid for these sales.

**UTILITY ADJUSTMENTS**

The subject does have sufficient utility access. The subject has water and sewer access from the N.C. Zoological park utility system; however, per the planning department of Randolph County, in order to further develop the subject property, the subject would have to be annexed into the City of Asheboro to obtain sewer and water for additional buildings. Per conversation with Mr. Dumont Bunker, city engineer for the city of Asheboro, only properties within 3 miles of the city are able to be annexed. The subject lies approximately 3.5 miles from the city, therefore special allowances would be necessary in order for the subject to be annexed into the city of Asheboro to obtain public water and sewer. Sales 1, 2, and 4 (Listing) utilize well and septic, therefore no adjustments are warranted. Sale 3 has access to public water and sewer, therefore a downward adjustment was warranted.

**LAND SALES SUMMARY**

Each comparable is considered to be a reasonable substitute for the subject site and received the same consideration. No one sale is most similar to the subject, rather they indicate a range of values. After comparing the sales to the subject property and adjusting for differences, the range of price per acre is $3,589 to $10,625 with a mean of $6,368 and a median of $5,629. Taking all the data into consideration, the appraiser is of the opinion that $6,000 per acre is most representative of the subject site. The estimated site value by the Sales Comparison Approach is as follows:

\[
28.0 \text{ Acres} \times \$6,000 \text{ per Acre} = \$168,000
\]

Rounded To: $170,000
Opinion of Land Value
$170,000

Per client instructions the appraiser also valued the improvements to the land, which include a single family residence with outbuildings. The 28 acres were included in this value, which appraised for $450,000. The total appraised value of the 28.0 acres with the improvements is $450,000.

Per the client, the current owner is to retain a life estate to the subject property. Appraiser has not determined the current value of the remainder interest due to the following: The state of the economy in Randolph County appears stable at present but is not significantly increasing. The current national economic crisis may extend for the foreseeable future with unknown effects on the local Randolph County economy. Therefore it would be difficult to project the subject’s future value based on actuarial studies from the U.S. Bureau of the Census in order to discount the value back to the current date.

Dr. West Paul
10517 Beckridge Ln.
Raleigh, NC 27615

Dear Dr. Paul:

Thank you so much for taking time out of your busy schedule to visit with me on Monday. It was a pleasure meeting you and learning more about your career and your experiences at ECU. Once again, it has been such a pleasure getting to know Joseph. We are so pleased that he is a wonderful advocate for the ECU Libraries!

Per your request, I am pleased to provide you with some information regarding ways that you and Mrs. Paul can support the ECU Libraries. Thank you so much for your interest. Since our state funding is consistently being cut, we rely on the generosity of our alumni and friends now more than ever to ensure the Libraries continue to meet, or exceed, the demands of our students and faculty.

Once again, I represent the entire ECU Library System: Joyner Library, the Music Library, and the Laupus Health Sciences Library. I will be honored to assist you in making your philanthropic support, which as you know, is tax deductible.

Music Library

Our top funding priority right now for Academic Library Services (which includes Joyner Library and the Music Library) is our campaign to raise funds that will enable us to renovate the Music Library during the summer of 2016. Please find enclosed a brochure that outlines this exciting project. We have various and unique opportunities for donors to have their names, or the names of friends/loved ones, honored on study carrels or on study rooms. Gifts to this campaign may be pledged until the Spring of 2016. Some donors wish to spread their giving out over 3 tax years (2014, 2015, and 2016) while ensuring they secure the naming opportunity that appeals to them the most. Gifts of all sizes, however, are sincerely appreciated and donors at the $100 or higher level will be recognized on our donor plaque.

Joyner Library

Our top funding needs within Joyner Library includes support of the Dean’s Fund for Excellence. This fund gives Jen Lewis, Interim Dean of Academic Library and Learning Resources, the ability to enhance the library with inspiring learning spaces, to celebrate student and faculty success, and to share collections with the community through exhibits and special events. Gifts to this fund have contributed to the purchase of technology, art, public programs, and awards to honor research and scholarship. You may designate your gift to the Dean’s Fund for Excellence with a focused intent or as an unrestricted gift to be used for the Dean’s priorities.
Laupus Health Sciences Library

Our top funding needs within the Laupus Health Sciences Library include either restricted or unrestricted support to be utilized for the purchase of library resources in all formats (books, journals, electronic resources/databases, anatomical models, etc.) The donor may specify if they wish for their gift to be utilized for the purchase of materials to benefit a specific subject, such as Medicine, Nursing, Dental, etc.

We also have a variety of unique naming opportunities throughout the library that a donor may name. The enclosed brochure/map shows the various spaces. Gifts made to name a space are placed in our general Library Fund to be utilized as needed by the Director to benefit the library. A space may be formally named once we receive at least 75% of the gift amount. A small naming ceremony is held and a plaque is unveiled in honor of the donors. Gifts may be pledged up to 5 years if necessary and naming opportunities must be approved by the ECU Board of Trustees.

- Gifts may be made via check or transfer of stocks/appreciated securities and we encourage donors to make their “year end” gifts as early in December as possible since the University is closed for much of the holiday season. We like to ensure that any donor requests are met before the holidays just in case there are any questions. Enclosed are directions for making gifts of stock/appreciated securities transfers.
- Checks for support of Joyner Library and the Music Library may be made out to the ECU Foundation with the gift designation noted on the memo line and on an accompanying pledge form (enclosed) or memo.
- Checks to support the Laupus Health Sciences Library may be made out to the ECU Medical and Health Sciences Foundation and once again, the gift designation may be noted on the memo line and also on the pledge form or memo.

Thank you again for your interest in supporting the ECU Libraries! If you have any questions at all, please don’t hesitate to contact me: (cell- 321-439-5074); teagged@ecu.edu.

Sincerely,

[Signature]

Dwain Posey Teague
Director of Major Gifts

Enclosures
About Laupus Library...

Laupus Library provides leadership in access to information essential to quality health care delivery, education, and research at East Carolina University and across eastern North Carolina. We serve the students and faculty of the ECU Health Sciences, the College of Allied Health Sciences, and the School of Dental Medicine at ECU.

We also provide services to other health care providers across the region.

In 2006, Laupus Library moved to the new Health Sciences Building on ECU's medical campus. The library shares this 300,000 square foot state-of-the-art educational center with the College of Allied Health Sciences and the College of Nursing. The four-story facility provides study space, a computer lab, media production and consultation services, reference services, circulating and historical collections.

Support the Library!
Wonderful! Here is the giving link for ECU: https://piratealumni.ecu.edu/ccon/new_gift.do?action=newGift

I now realize that you will have to enter your credit card info twice to designate it for the two different libraries/foundations. My apologies, I hope this won’t be too much trouble for you.

* Under “Gift Information/click here to choose the designations”, you can select “Joyner Library, then from the drop down menu, “Dean’s Fund For Excellence” for your Joyner Library gift designation;

* In the “gift notes” section or under “additional information”, you can enter that it’s to name a group study room in Joyner Library;

* Then select “Giving Reason” - alumni;

* Matching Gift Company Info (if applicable);

* Dedications (if in honor or in memory of someone);

* Your contact information;

* Miscellaneous info that is optional;

* then click “Next” and it should take you to the portion of the site for you to enter your credit card information.

**You can then repeat the steps above for your Laupus Library Gift; select “Laupus Library - Health Sciences General Fund” from the Gift information Drop down menu.

If you also still want to drop in the mail to us your completed forms where you document your pledge, we can enter your pledge payment reminders in our system. Or if it’s easier to scan and email those to me, please feel free.

Don’t hesitate to let me know if you have further questions and I’ll email you some of the Joyner Library Group Study Room photos ASAP, but there is no rush to decide on the room.

Thank you again for your support! Sincerely, Dwain.
Thank you so much for your email and voice mail. Apologies that I missed you — today I have literally been running in and out of the office all day 😊. Per the voice mail that I just left for you, my cell is 321-439-5074. Feel free to call me any time tonight or any time tomorrow and I will be happy to assist you with your questions. We are sincerely grateful for your interest. I can also identify needs for the Library School if that may be of interest to you also.

Thank you again and have a good evening. Sincerely, Dwain.

Subject: RE: Hi Dr. Paul: thank you from Dwain at ECU

Hi
Thanks for the info by mail.
My wife and I had a couple of questions. We were thinking about one of the smaller naming opportunities in the Laupus Library and also a separate donation to Joyner. I may have failed to mention that my wife’s mother also graduated from ECU with a degree in library science many years ago.
If you could give me a call when you have a chance.

Subject: Hi Dr. Paul: thank you from Dwain at ECU

Hi Dr. Paul!

Thank you again for taking time out of your busy schedule to meet with me earlier this week! It was a pleasure to meet you and to learn more about your education at ECU and your exciting career!

I will be mailing to your home today a concise packet of information, per your request, that outlines our top funding needs/opportunities within the ECU Library System (Joyner Library, the Music Library, and the Health Sciences Library). I hope that you and Mrs. Paul enjoy reviewing this information and I’m happy to assist with your end of year giving. Thank you again for considering the Libraries in your giving plans. Gifts of all sizes make a huge impact on our students and faculty.

Thank you again and have a great weekend. Sincerely, Dwain.

Have you considered your gift to support the ECU Libraries? https://onestop.ecu.edu/onlinegiving/

Naming Opportunities

Joyner Library’s spaces, such as the Collaborative Learning Center, Music Library, and Teaching Resources Center are places where patrons seek intellectual pursuits. All who visit will find advanced technology, ergonomic furniture, and inspirational places enhanced by engaging art. Your gift will help enhance library reading rooms, technology zones, study rooms, and research alcoves.

Available Spaces

Research and Instructional Services

Research and Instructional Services (RIS) offers personal assistance and instruction in the use of library resources to members of the ECU community (both on-campus and distance learners). Assistance is provided in person, via e-mail and telephone, and through various web-based services. An extensive program of outreach and library instruction are at the heart of the Department’s activities. RIS is located on the 1st floor of Joyner Library in a student centered space for education and creative activities, reference, research, technical assistance on demand, and flexible furniture facilitating collaborative learning.

$500,000

Music Library (/cs-lib/giving/musiclibraryexpansion.cfm)

The Music Library is the gem in the musical crown of eastern North Carolina and one of the largest music collections in the state. It is home to Joyner’s entire audio recording collection as well as the music-related portion of its video recording collection. In addition to these media collections the library owns collections of music scores, books, journals, microforms, and computer software dealing with every musical style and genre from classical to rock to reggae. The Music library also provides a computer/listening lab, study space, audio and video dubbing service and music reference assistance.

$750,000

Courtyard
Joyner Library's courtyard offers students the chance to relax or study alfresco at six tables shaded by canopy umbrellas. Each table seats up to four people, and two additional benches line the courtyard's brick paver perimeter. Several modern sculptures by ECU School of Art and Design alumni, as well as the lush green landscaping, accentuate the open space. The courtyard is wheelchair accessible.

$250,000

**Instruction Room #1418**

Instruction Room 1418 has state-of-the-art technology in a classroom that can accommodate up to 40 students. Five tables seating up to eight students each are equipped with eight electrical outlets and an HDMI port. Individual monitors can project locally from a laptop or from the instructor station located at the front of the room. The instructor teaches from a SMART podium projected to an 85" monitor. A fleet of 20 iPads is available for instruction depending upon course need.

$100,000

**Instruction Room #1415**

Instruction Room 1415 is equipped with 25 laptops and a SMART podium connected to a short throw projector. Soundproofing is incorporated into the walls. A fleet of 20 iPads is available for instruction depending upon course need.

$100,000

**Instruction Room #1020**

Instruction Room 1020 is equipped with 25 desktop computers and a SMART podium connected to a short throw projector. The room contains a beautiful mural entitled "Tree of Knowledge" that was created by a former ECU student. The mural features strong purple tones of silhouetted students around a tree raising their arms to gather glowing orbs.

$100,000

**Conference Room/Assembly Room #2409**

$50,000

**Graduate Lounge**

The Graduate Student Lounge is a 350 square foot space designed specifically for graduate students based upon survey feedback and focus groups. Furnishings include four Steelcase Body Work Lounges modular chairs, two-person lounge seating, two computer workstations, one fixed and four portable whiteboards, and a print station with scanning/emailing capability. Graduate students simply tap their ECU ID to the card reader to access the room. More than 150 different students used the room more than 1,750 times during the Fall 2017 semester.

$50,000

**Staff Lounge**

$25,000

**Group Study Rooms**
On busy days Group Study Rooms throughout the library are in high demand. Collaborative team projects are an essential element of the new pedagogy for many ECU professors teaching skills for the global economy. These rooms allow students to engage in discussions without disturbing others in quiet areas. Many of the Group Study Rooms are equipped with large screen monitors that connect to laptops for collaborative work.

$10,000 - $15,000 (depending on the room size)

Individual Study Rooms

Joyner Library has more than 50 small rooms for 1-2 people to use for study, research, and project completion. Many of the rooms contain whiteboards. The rooms can be reserved up to three consecutive hours, up to twice per day. During the 2016-2017 school year, they were reserved more than 42,000 times.

University Advancement • 2200 South Charles Boulevard • Greenville Centre, Suite 1100
East Carolina University • Greenville, NC • 27858-4333
E-mail: give2ecu@ecu.edu • Phone: 252-328-9560 • Fax: 252-328-4904
Guidelines for Making Gifts of Stock or Securities
to East Carolina University Foundation, Inc.

Donors are encouraged to contact the Gift Records Office for the ECU Foundation, Inc. to give notice of his or her gift intent. Although it is not required, we encourage the donor to submit his or her gift intent in writing to verify the intended use of the gift (especially if the gift is being made as a restricted gift) to allow the ECU staff to best serve the donor’s intent. Please notify Tammy Garrison in the Office of ECU Foundation Financial Services, 2200 S. Charles Blvd, Suite 1100, Greenville, North Carolina 27858, (252) 328-9572, Fax (252) 737-1903. garrison@ecu.edu

The donor is responsible for all broker fees. If broker fees are deducted from the proceeds of the sale of stock, the net amount of the proceeds will be recorded as the gift amount.

Electronic Transfers From the Donor’s Broker to the ECU Foundation’s Broker

The preferred method of transfer.

The donor should notify his broker of the intent to electronically transfer securities to the ECU Foundation, Inc. The donor’s broker should contact the ECU Foundation, Inc. and will need the following information:

Official Name of the Receiving Organization: East Carolina University Foundation, Inc.
Receiving Organization Address: First Clearing, LLC
Wells Fargo Advisors Financial Network, LLC
1001 Conference Drive, Suite B
Greenville, NC 27858
Ph: 252-707-0021 or Toll Free: 844-737-2520
Fax: 252-707-0022
Email: judy.jones@wfsinst.com
Website: www.hoytfamilywealthmanagement.wf.com

Stock Certificate Held in the Donor’s Name

Donor must relinquish the original stock certificate with the following forms: (1) Stock or Bond Power and (2) Letter of Authorization – Third party Release (TPR) or a memo including donor’s name, address and purpose. These forms may be obtained from any brokerage firm, the ECU Foundation or Institutional Advancement Office of Gift Records.

DO NOT HAVE THE DONOR TO ENDORSE THE CERTIFICATE
Mail the unendorsed stock certificate with a Letter of Authorization – Third Party Release (TPR) or a memo including donor’s name, address and purpose in one envelope. In a second envelope, send the signature guaranteed Stock or Bond Power.

The Stock or Bond Power form needs only to be signed and dated. The Letter of Authorization – Third party Release (TPR) needs to be dated and signed. Also please complete the address and telephone number of the donor.

Stock Certificate Held in the Name of the East Carolina University Foundation, Inc.

(Note: This method is not recommended due to unnecessary delays in processing the stock gift and the value of the stock could decrease.)

After the donor has relinquished the stock certificate to the East Carolina University Foundation, Inc., the Foundation must complete the following forms: (1) Stock or Bond Power, (2) Certification of Corporate Authorization to Transfer (General) and (3) Corporate Resolution. These forms may be obtained from the ECU Foundation or the Office of Gift Records.

The Stock or Bond Power must be signed and dated by the ECU Foundation, Inc. president.
The Certification of Corporate Authorization to Transfer (General) must be completely filled out and the Secretary of the ECU Foundation must sign the completed form.
The Corporate Resolution must also be completed, dated and signed by the Secretary of the ECU Foundation.

Dr. West Paul
10517 Beckridge Ln.
Raleigh, NC 27615

Dear Dr. Paul:

Thank you so much for taking time out of your busy schedule to visit with me on Monday. It was a pleasure meeting you and learning more about your career and your experiences at ECU. Once again, it has been such a pleasure getting to know Joseph. We are so pleased that he is a wonderful advocate for the ECU Libraries!

Per your request, I am pleased to provide you with some information regarding ways that you and Mrs. Paul can support the ECU Libraries. Thank you so much for your interest. Since our state funding is consistently being cut, we rely on the generosity of our alumni and friends now more than ever to ensure the Libraries continue to meet, or exceed, the demands of our students and faculty. Once again, I represent the entire ECU Library System: Joyner Library, the Music Library, and the Laupus Health Sciences Library. I will be honored to assist you in making your philanthropic support, which as you know, is tax deductible.

**Music Library**

Our top funding priority right now for Academic Library Services (which includes Joyner Library and the Music Library) is our campaign to raise funds that will enable us to renovate the Music Library during the summer of 2016. Please find enclosed a brochure that outlines this exciting project. We have various and unique opportunities for donors to have their names, or the names of friends/loved ones, honored on study carrels or on study rooms. Gifts to this campaign may be pledged until the Spring of 2016. Some donors wish to spread their giving out over 3 tax years (2014, 2015, and 2016) while ensuring they secure the naming opportunity that appeals to them the most. Gifts of all sizes, however, are sincerely appreciated and donors at the $100 or higher level will be recognized on our donor plaque.

**Joyner Library**

Our top funding needs within Joyner Library includes support of the *Dean’s Fund for Excellence*. This fund gives Jan Lewis, Interim Dean of Academic Library and Learning Resources, the ability to enhance the library with inspiring learning spaces, to celebrate student and faculty success, and to share collections with the community through exhibits and special events. Gifts to this fund have contributed to the purchase of technology, art, public programs, and awards to honor research and scholarship. You may designate your gift to the Dean’s Fund for Excellence with a focused intent or as an unrestricted gift to be used for the Dean’s priorities.
Laupus Health Sciences Library

Our top funding needs within the Laupus Health Sciences Library include either restricted or unrestricted support to be utilized for the purchase of library resources in all formats (books, journals, electronic resources/databases, anatomical models, etc.). The donor may specify if they wish for their gift to be utilized for the purchase of materials to benefit a specific subject, such as Medicine, Nursing, Dental, etc.

We also have a variety of unique naming opportunities throughout the library that a donor may name. The enclosed brochure/map shows the various spaces. Gifts made to name a space are placed in our general Library Fund to be utilized as needed by the Director to benefit the library. A space may be formally named once we receive at least 75% of the gift amount. A small naming ceremony is held and a plaque is unveiled in honor of the donors. Gifts may be pledged up to 5 years if necessary and naming opportunities must be approved by the ECU Board of Trustees.

- Gifts may be made via check or transfer of stocks/appreciated securities and we encourage donors to make their “year end” gifts as early in December as possible since the University is closed for much of the holiday season. We like to ensure that any donor requests are met before the holidays just in case there are any questions. Enclosed are directions for making gifts of stock/appreciated securities transfers.
- Checks for support of Joyner Library and the Music Library may be made out to the ECU Foundation with the gift designation noted on the memo line and on an accompanying pledge form (enclosed) or memo.
- Checks to support the Laupus Health Sciences Library may be made out to the ECU Medical
  and Health Sciences Foundation and once again, the gift designation may be noted on the memo line and also on the pledge form or memo.

Thank you again for your interest in supporting the ECU Libraries! If you have any questions at all, please don’t hesitate to contact me: (cell- 321-439-5074); teagued@ecu.edu.

Sincerely,

[Signature]

Wonderful! Here is the giving link for ECU: https://piratealumni.ecu.edu/ccon/new_gift.do?action=newGift

I now realize that you will have to enter your credit card info twice to designate it for the two different libraries/foundations. My apologies, I hope this won't be too much trouble for you.

* Under "Gift Information/click here to choose the designations", you can select "Joyner Library, then from the drop down menu, "Dean's Fund For Excellence" for your Joyner Library gift designation;

* In the "gift notes" section or under "additional information", you can enter that it's to name a group study room in Joyner Library;

* Then select "Giving Reason" - alumni;

* Matching Gift Company Info (if applicable);

* Dedications (if in honor or in memory of someone);

* Your contact information;

* Miscellaneous info that is optional;

* then click "Next" and it should take you to the portion of the site for you to enter your credit card information.

** You can then repeat the steps above for your Laupus Library Gift; select "Laupus library - Health Sciences General Fund" from the Gift Information Drop down menu.

If you also still want to drop in the mail to us your completed forms where you document your pledge, we can enter your pledge payment reminders in our system. Or if it's easier to scan and email those to me, please feel free.

Don't hesitate to let me know if you have further questions and I'll email you some of the Joyner Library Group Study Room photos ASAP, but there is no rush to decide on the room.

Thank you again for your support! Sincerely, Dwain.

Subject: RE: Hi Dr. Paul: thank you from Dwain at ECU 

So after conversations with my wife it looks like we are going to go the electronic credit card route (shows you what I know)- Can you direct me to the website and I will try to get it done today.
Thank you so much for your email and voice mail. Apologies that I missed you – today I have literally been running in and out of the office all day. Per the voice mail that I just left for you, my cell is 321-439-5074. Feel free to call me any time tonight or any time tomorrow and I will be happy to assist you with your questions. We are sincerely grateful for your interest. I can also identify needs for the Library School if that may be of interest to you also.

Thank you again and have a good evening. Sincerely, Dwain.

Subject: RE: Hi Dr. Paul: thank you from Dwain at ECU

HI
Thanks for the info by mail.
My wife and I had a couple of questions. We were thinking about one of the smaller naming opportunities in the Laupus Library and also a separate donation to Joyner. I may have failed to mention that my wife’s mother also graduated from ECU with a degree in library science many years ago.
If you could give me a call when you have a chance.

Subject: Hi Dr. Paul: thank you from Dwain at ECU

Hi Dr. Paul!

Thank you again for taking time out of your busy schedule to meet with me earlier this week! It was a pleasure to meet you and to learn more about your education at ECU and your exciting career!

I will be mailing to your home today a concise packet of information, per your request, that outlines our top funding needs/opportunities within the ECU Library System (Joyner Library, the Music Library, and the Health Sciences Library). I hope that you and Mrs. Paul enjoy reviewing this information and I’m happy to assist with your end of year giving. Thank you again for considering the Libraries in your giving plans. Gifts of all sizes make a huge impact on our students and faculty.

Thank you again and have a great weekend. Sincerely, Dwain.

Have you considered your gift to support the ECU Libraries? https://onestop.ecu.edu/onlinegiving/

Naming Opportunities

Joyner Library's spaces, such as the Collaborative Learning Center, Music Library, and Teaching Resources Center are places where patrons seek intellectual pursuits. All who visit will find advanced technology, ergonomic furniture, and inspirational places enhanced by engaging art. Your gift will help enhance library reading rooms, technology zones, study rooms, and research areas.

Available Spaces

Research and Instructional Services

Research and Instructional Services (RIS) offers personal assistance and instruction in the use of library resources to members of the ECU community (both on-campus and distance learners). Assistance is provided in person, via e-mail and telephone, and through various web-based services. An extensive program of outreach and library instruction are at the heart of the Department's activities. RIS is located on the 1st floor of Joyner Library in a student centered space for education and creative activities, reference, research, technical assistance on demand, and flexible furniture facilitating collaborative learning.

$500,000

Music Library (/cs-lib/giving/musiclibraryexpansion.cfm)

The Music Library is the gem in the musical crown of eastern North Carolina and one of the largest music collections in the state. It is home to Joyner's entire audio recording collection as well as the music-related portion of its video recording collection. In addition to these media collections the library owns collections of music scores, books, journals, microforms, and computer software dealing with every musical style and genre from classical to rock to reggae. The Music library also provides a computer/listening lab, study space, audio and video dubbing service and music reference assistance.

$750,000

Courtyard
Joyner Library's courtyard offers students the chance to relax or study al fresco at six tables shaded by canopy umbrellas. Each table seats up to four people, two additional benches line the courtyard's brick paver perimeter. Several modern sculptures by ECU School of Art and Design alumni, as well as the lush green landscaping, accentuate the open space. The courtyard is wheelchair accessible.

$250,000

Instruction Room #1418

Instruction Room 1418 has state of the art technology in a classroom that can accommodate up to 40 students. Five tables seating up to eight students each are equipped with eight electrical outlets and an HDMI port. Individual monitors can project locally from a laptop or from the instructor station located at the front of the room. The instructor teaches from a SMART podium projected to an 86" monitor. A fleet of 20 iPads is available for instruction depending upon course need.

$100,000

Instruction Room #1415

Instruction Room 1415 is equipped with 25 laptops and a SMART podium connected to a short throw projector. Soundproofing is incorporated into the walls. A fleet of 20 iPads is available for instruction depending upon course need.

$100,000

Instruction Room #1020

Instruction Room 1020 is equipped with 25 desktop computers and a SMART podium connected to a short throw projector. The room contains a beautiful mural entitled "Tree of Knowledge" that was created by a former ECU student. The mural features strong purple tones of silhouetted students around a tree raising their arms to gather glowing orbs.

$100,000

Conference Room/Assembly Room #2409

$50,000

Graduate Lounge

The Graduate Student Lounge is a 350 square foot space designed specifically for graduate students based upon survey feedback and focus groups. Furnishings include four Steelcase Body WorkLouge modular chairs, two-person lounge seating, two computer workstations, one fixed and four portable whiteboards, and a print station with scanning/emailing capability. Graduate students simply tap their ECU ID to the card reader to access the room. More than 150 different students used the room more than 1,750 times during the fall 2017 semester.

$50,000

Staff Lounge

$25,000

Group Study Rooms
On busy days Group Study Rooms throughout the library are in high demand. Collaborative team projects are an essential element of the new pedagogy for many ECU professors teaching skills for the global economy. These rooms allow students to engage in discussions without disturbing others in quiet areas. Many of the Group Study Rooms are equipped with large screen monitors that connect to laptop computers for collaborative work.

$10,000 - $15,000 (depending on the room size)

**Individual Study Rooms**

Joyner Library has more than 50 small rooms for 1-2 people to use for study, research, and project completion. Many of the rooms contain whiteboards. The rooms can be reserved up to three consecutive hours, up to twice per day. During the 2016-2017 school year they were reserved more than 42,000 times.
