The Athletics and Advancement Committee met in regular session November 21, 2019.

The meeting was opened with the reading of the Conflict of Interest Statement.

The minutes from the September 2019 were approved.

**Advancement Highlights**

Mr. Chris Dyba opened his presentation by explaining to the group that there is no simple way to define the monthly metrics as 1/12 of goal because each month is different. For example, historically December fundraising is typically higher than June because of year end donations from donors. Also, many stock transfers take place at yearend. He reminded the board that the east campus goal is $20,000,000 and west campus is $12,000,000. Currently east campus is trending above goal and west campus is falling slightly behind. Potential reasons for the lag on the west campus may be attributed to a recent retirement of our lead medical fundraiser, the now settled lawsuit with Vidant Health, and the pending Medical Education building.

He assured the board that his entire team is focused on the green boxes (reference the spreadsheet) and the vernacular for the office is “we want green boxes”.

**Athletic Highlights**

Mr. Phillip Wood gave a Pirate Club update and distributed a spreadsheet displaying Pirate Club Fundraising by Year because the spreadsheet in the board materials reflects the fiscal year and the Pirate Club operates on a calendar year. He shared the Pirate Club’s current focus is on non-renewals. There are currently 738 donors who have not renewed from last year which could yield another $400,000.

Mr. Jon Gilbert addressed the Student Pirate Club and reiterated that the SPC needs to be revamped. He recently met with some students and came up with some ideas for new amenities for consideration. Despite the decline in membership, our student group remains on the upper end of our peers.

Mr. Gilbert reviewed the Athletics Fundraising goal (excluding the Annul Fund) of $3,500,000 which is higher than last year’s goal. Premium seating played a large part of the non-annual fund money because multi-year long commitments were counted in their entirety this year. One hundred Trade-Club seats remain available which could yield $250,000. Additionally, he anticipates $500,000 in endowments, $500,000 in philanthropic gifts and $250,000 from additional special projects. Basketball season ticket sales are currently at 1619 with a goal of 1800. This figure represents 75 tickets ahead of last year at this time. He reported that the recent Liberty game brought in the highest attended revenue game since 2008 when we hosted Wake Forrest University. Monthly athletic expenses compared to budget are trending well and he explained that the revenue compared to budget will remain in the red until June, when ECU will receive the conference office distribution and the Pirate Club transfer.

The control room project is now going to be sustained inhouse (compared to outside rental as previously reported). Once the first distribution is received the conversion from a closet to a control room will begin on the south side of the stadium. One year from now we will be streaming and producing many of our own athletic events. This upgrading of infrastructure is needed in order to comply with the contract.
Mr. Gilbert explained the upcoming Michigan game (2023) guarantees $1.8M which will be a great asset for ECU. He discussed the potential for games with Power 5 schools but at this point those teams have not been finalized.

Mr. Gilbert shared that the Academic Performance Rate (APR) is trending in the right direction. Prior scores are still in our calculation as the cycle is a 4-year cycle and we still have three years remaining.

Current net alcohol sales are $100,000 to date.

Mr. Gilbert gave a brief synopsis of the NCAAs work on NIL (Name, Image, Likeness). Ideally the student athlete and the institution can benefit from sales. There are conflicting discussions related to the NIL but it appears schools are headed in this direction.

RE: ECU Board of Visitors Bylaw Revisions – Proposed

On January 31, 2020, the ECU Board of Visitors unanimously approved the recommended revisions to the Board of Visitors’ bylaws. Please see below for a summary of those changes. Upon review, we are asking that the Board of Trustees amend the Board of Visitors bylaws as prescribed in that summary.

**Summary of Proposed Revisions to the By-Laws**

- Recommending changing the name of the document from “Charter” to “By-Laws.” The Charter will continue to exist in its original form, as approved on March 18, 1994. All subsequent changes made to that document, are now encapsulated in a second document entitled “Amended and Revised By-Laws,” to which all changes are applied.

- Recommending amending the size of the membership from 40 appointed members to “no more than 60 appointed members.” This reverses the change in the 2018 bylaw revisions.

- Recommending reinstating the Mayor of the City of Greenville or designee and the Pitt County Commissioners designee to the ex-officio membership.

- Recommending a term of four years rather than the two-year terms. This also reverses the change made in 2018 bylaw revisions.

- Recommending removing the requirement that the Member be physically present for three successive meetings, and to permit telephonic participation. However, a member must be physically present for 1 meeting out of every 3 rolling meetings. Note, however, that physical presence at the meetings is preferred and highly recommended.
• Recommending adding language regarding excused absences to be at the discretion of the Chair.

• Recommending the establishment of a Nominating Committee and defines its scope of work to include the nomination of Members to the full board, as well as the Office Nomination Process.

• Recommending changing the number of terms an officer can be elected to a specific office from “for an unlimited number of terms” to “a second one-year term.”

Thank you for your consideration of these proposed revisions.

2. Article III, 4. Changed the word “ten” deleted and the sentence read, “As terms expire, members shall be appointed annually at the July meeting of the Board of Trustees.

   Authorized by Dr. James LeRoy Smith, Assistant Secretary, East Carolina University Board of Trustees February 1, 1999.

   Approved by the Board of Trustees on May 14, 1999.

4. Upon the conclusion of a term of service on the ECU Board of Visitors, any member who has served in the capacity of Chair will be designated as an emeritus(a) member. Members Emeritus(a) will serve in an ex-officio capacity of the ECU Board of Visitors in perpetuity.     Approved by the Board of Trustees on July 15, 2016

9. Revised Article II - Expand the definition of the purpose and functions of the BOV. This revision ties the purpose and function of the BOV with the ECU Strategic Plan and more clearly defines what the membership should “do” as members, while still allowing the Chancellor and Board of Trustees the flexibility to use the BOV as needed strategically.

    Revised Article III – Membership – The membership of the BOV is going from 60 to 40 appointed members. That reduction will happen over the course of the next 2-3 years through natural attrition (no one will be asked to step down or vacate their seat). There is also a revision to modify the number of ex-officio members from 9 to 6, keeping the Chancellor, the Board of Trustee representative, and representatives from each of the four university foundations.

    Revised Article III – Term Limits. BOV member’s term limits are now 2 years. A BOV member could be appointed to one two year term, then be eligible for reappointment to a 2nd two year term, for a total of 4 years of service.

    Revised Article IV – Officer Nomination Process. This section includes the steps this body would take to recommend a slate of officers to the Board of Trustees. This
would include using a nomination committee of the BOV and assessing leadership nominations from the entire BOV. The BOV would formally vote on a slate of officers to recommend to the Trustees at their spring meeting.

Approved by the Board of Trustees on November 2, 2018

10. Amendments approved at February 2020 Board of Trustees meeting will be incorporated herein.
