ECU Board of Trustees meeting remarks
September 13, 2019

The Student Government Association has ambitious goals this year, which were shared at a previous meeting.

- The SGA is committed to working with faculty, the university registrar, and ITCS to build a system that shows textbook cost to a student when they sign up for a class.

- This year’s SGA budget recently passed, $563,000 in revenue from student fees, one of the largest student government budgets in the university system. With this money the SGA will support over 500 student organizations around campus and we will also help fund travel for students to attend conferences and symposiums.
Good morning. To our trustee board chair, Vern Davenport and Vice Chair Fielding Miller and Chancellor Dan Gerlach. I bring you remarks on the behalf of the faculty. Jeff Popke, Chair of the Faculty was unable to attend today’s session as it conflicts with UNC Faculty Assembly and he has obligations there. To prepare for today’s remarks, I pulled out an older text entitled *Strategic Change in Colleges and Universities – Planning to Survive and Prosper*. And it is here in this subtitle of *Planning to Survive and Prosper* that I would like to reflect for just a few minutes.

While ECU has maintained stability in its academic core and student affairs/student services center, as an institution, for the past couple of years we have hit crisis after crisis, addressing them reactively. However, to survive and indeed prosper, it is essential that we move from a position of reactivity to proactivity. And this is exactly what we are doing now through the leadership of Chancellor Dan in collaboration with the Executive Council and the faculty, administration and staff of ECU. Yes, on the budget Chancellor Dan called for a hiring freeze that will poise us to absorb the anticipated budget reduction in 20-21. In this vein, this step was a bit of a necessary evil. But in so doing, we are freed to look forward to a future in anticipation and hope. In being a bit freer, we can transition reactive energy to creativity. And this is where we as a university, a community of students and scholars, thrive. According to the text referenced above, authors Rowley, Lujan and Dolence proffer that “creativity challenges and rearranges the way we see things. By seeing the present differently, one can diffract the future much as a prism turns light into component parts” (p. 9). Yes, there is light at the end of the tunnel. And no, it is not the beam of an oncoming train. I am hopeful and indeed enthusiastic about the year ahead.

As a Faculty we just held our first Faculty Senate meeting of the year and our Faculty Senate Standing Committees are still in their organizational phases. However, as Faculty Officers – Jeff Popke, Chair, Amanda Klein, Secretary, and Purificacion Martinez, Parliamentarian – we have met periodically over the course of the summer and now regularly with the new school year. And we would like to
put forward a Faculty Agenda for the year focused on faculty retention and inclusion.

Towards this end, we are continuing our work over the past couple of years to recognize and support the work of our Fixed Term Faculty. We are finalizing changes to the Faculty Manual adopted this Spring that would broaden the voice of Fixed Term Faculty in changing their unit codes. The unit codes govern operations within the various colleges, schools, and departments respectively. Now, the votes of Fixed Term Faculty will count with that of tenured and tenure stream faculty on unit code except with provisions regarding promotion and tenure. In addition, our Faculty Welfare committee is working on a resolution highlighting the invaluable role Fixed Term faculty play in our clinics and labs, as industry leaders, and through their contributions to the teaching enterprise.

In addition to recognizing and supporting the work of our Fixed Term colleagues, we will also proactively connect with our Non-White Faculty of Color. We want the decisions made within our Faculty Senate Committees and indeed the Faculty Senate itself, to reflect the diversity of experiences, thought, skills and abilities of our entire faculty. Therefore, when we have pockets of faculty who feel disconnected or overburdened by disproportionate service loads, it is important for us to reach out to them to make sure their voices are heard, their perspectives are represented, and to assert their value to our community. Towards this end we seek to work through the Faculty Senate Committee on Committees to develop a strategy to reach underrepresented faculty and include them as part of the solution to past faculty engagement challenges.

Finally, the Faculty Officers are taking the lead in the support of faculty advancement through rank. In conjunction with the Office of Faculty Excellence, we will host a dossier preparation work shop this fall which follows hours we have volunteered to assist faculty with their dossiers as they prepare to advance through rank. It has been said that a good leader goes first and goes long, and the dedication among this group of Faculty Officers rival no one. I am pleased and indeed am privileged to work alongside this group this upcoming year. I am also excited about the opportunity to work with this year’s Board of Trustees, seasoned and new members alike. On behalf of the Faculty, I extend my hand in a
spirit of collaboration as we together, with administration, move our institution from mere survival to prosperity.

Good morning and thank you for having me. I would like to begin this morning by quickly introducing the 2019-2020 Staff Senate Executive Committee.

First, I would like to start with Mr. Todd Inman and since he is here ask him to stand for a second. Todd is from ECU’s grounds department and has also received his newest nickname Bird Whisperer thanks to Chancellor Dan. Todd has served the staff senate in various roles and we are extremely lucky that he is now in the Chair Elect position and will be leading the group next year when my term is up. Thank you, Todd!

Ms. Debbie Pettaway from the College of Allied Health Sciences is serving as our Vice Chair; Ms Robin Mayo from Administration
& Finance as our treasurer and Ms. Karen Eastwood from the College of Allied Health Sciences as our secretary.

I’ve been blessed with a great group of leaders this year that are really helping to make a difference in Staff Senate.

The first few months of our 2019-2020 Staff Senate year have been extremely productive and I would like to share the highlights of our efforts with you.

We kicked off our year with a school supplies drive benefiting the East Carolina Community School. We just finished up dividing and sorting all of the donated items and I feel certain that every student at the community school will have most of the supplies they need for the entire school year with some supplies to spare. We will be making the delivery to the school next week and plan on meeting with the principal to plan more service activities where staff senate can be involved.
Our annual Wellness walk has been scheduled for October 17th from 11-1 at Lake Laupus on the Health Sciences Campus. We will be promoting the 8 dimensions of wellness to our staff and are inviting local vendors to come and share with us their products and services that can help us with our wellness, whether that’s physical, mental, emotional, financial or more! We truly believe that when staff are incorporating these things into their lives and meeting their wellness needs they are a more productive and overall better employee, and we would like to do anything we can to help them!

Staff Senate has now made the decision to record and share our monthly meetings so we can reach a wider audience. This began when we received numerous requests to live stream our monthly meeting when Chancellor Dan came and spoke with us. After that meeting we decided that this is great way to reach our staff that unfortunately can’t attend our meetings. We know that it’s very
difficult for many staff to leave their work areas and we want to be able to reach them in any way possible, so they can hear what we are doing and feel a part of our efforts.

We truly have a special group of senators this year and I’m sure every chair brags on their own group, but I honestly mean it. These individuals want to make a difference and want to do anything they can to make ECU an even better place. ECU has endured some rough times and there have been many recent changes, but I know that with our current leadership ECU will weather any storm and our Staff will be there helping in whatever way they can.

Thank you.
Athletics & Advancement Committee
Talking Points
September 12, 2019

Athletic Highlights
Presented to the board was the mission statement for athletics which is aligned with East Carolina University’s mission statement.

Mr. Gilbert reported that ECU Athletics employees were required to sign an attestation of compliance form which will help ensure institutional control. He also shared that the state of NC passed a sports betting bill which allows for legal sports betting and athletic staff and students were educated regarding NCAA sports wagering.

Currently ECU has 446 student athletics, 135 who receive full scholarships (encompassing 5 sports), 222 students that receive partial scholarships, 97 walk-ons and 8 students who are in their 5th year or have a medical hardship.

Mr. Gilbert conveyed to the group the recent implementations deployed to increase Fan Engagement which include, The Helm letter, 60 Seconds with the AD, @ECUAthletics Twitter account with nearly 8 million total impressions since January 1, 2019, the ECU Facebook Football page on Facebook which generated over 3,000 followers and providing free admission to women’s soccer and volleyball home matches. In reference to our first home game against Gardner Webb he did recognize that operationally we were not as prepared as we should have been. The deficiencies are being addressed to ensure improvement by the next game. Of note, there were no alcohol related health incidents at the game, just heat related health issues.

Mr. Phillip Wood provided the Pirate Club update reporting that the energy is starting to translate in the numbers. Current Pirate Club membership is at 5,432 which is better than this time last year with a goal of 6,018 members. The fundraising goal for this calendar year is $7.2M and they are currently at $6.6M. Student Pirate Club (SPC) numbers are down approximately 2,000 students. Noted that in 2010 membership was at its highest and that was undoubtedly because that is the year the Boneyard opened. The Pirate Club is working on ways to show the students more value in hopes to attract more SPC members.

Football season ticket sales reflect an increase over last year with an 89% renewal rate. All suites and loge boxes have been sold. Remaining premium inventory is 130 seats in the Trade Club level and 319 seats in the Williams Clark Club level.

Mr. Gilbert explained the criteria for the Academic Performance Report (APR) which allows ECU to receive distributions from the NCAA. The projected APR is 973. ECU is currently working on acquiring recovery points.

A slide was shown demonstrating how ECU’s total revenue compared to expenses compares with other schools in our conference.

Mr. Gilbert gave an update on the following projects:

- ToweBank Tower – 99% complete
- Hight Field – complete
- Strength and Conditioning- waiting on paint and graphics
- Volleyball Locker Room – in progress
- Baseball Waterproofing – phase 1 done
- Softball Batting Cage – waiting on approval, completion expected in February
- Auxiliary Fields – completed
- Men’s Basketball Locker Room – project soon to begin with December completion date

There was discussion around the cost of attendance and Mr. Gilbert explained to the board the process for disbursements.

Discussion was also had regarding the ESPN contract. Mr. Gilbert explained that we will be receiving an upfront payment that will help with the much-needed infrastructure. He explained that we are only required to stream 30 events on our platform and decisions will need to be made regarding what we do and don’t stream. This new contract will require more staff; some of which may be hired staff and some contracted staff. There is a company in Charlotte that we may partner with in order to utilize their studio. This partnership will be advantageous to other entities on campus.

A question was posed regarding the beer sales in the stadium. Currently, it appears that the net profit from sales is approximately $25K.

The current Training Table which accommodates football, men’s and women’s basketball was discussed. The need for expansion to accommodate other teams was addressed but currently availability of space and cost are problematic.

Advancement Highlights
Mr. Chris Dyba explained to the group the difference between Advancement’s reporting of fundraising totals (fiscal year) compared to Athletics (calendar year). He also shared that Advancement reports their numbers to three different entities, CASE, VSE, and the UNC System and all universities must report the same way. He also explained that fluctuations in the 5-year trend report is often seen when large planned gifts are documented (like the $7M gift to the West campus in 2018) and noted the peak in 2017 in Athletics due to the Southside expansion. Mr. Dyba shared the year-to-date total of $10M ($3.6M for East campus, $500K for West campus and $5.9M for Athletics). He then reported the campaign fundraising total is $251M which means we are halfway to goal.

Mr. Dyba shared the recommendation for new members, Lynn Lane for a term ending June 30, 2020 and Matt Slate for a term ending June 30, 2022 to the Endowment Fund Board. A motion was made to approve the nominees, with no opposition the motion was passed. The full board will vote to elect the nominees at tomorrow’s meeting.

Mr. Scott Francis the new Associate Vice Chancellor and President of the ECU Alumni Association spoke to the board and shared his goals for the alumni Association. He plans to develop initiatives to transform the life of a pirate beginning with onboarding them in high school, involving them while they are here on campus, being there as they venture out into the working world and staying engaged with them as they prepare for their planned gift to ECU.

His three goals are:

- Growing Engagement
- Growing Opportunity
- Growing Pirates

The ERM function is emphasizing the importance of sharing information across departments and divisions. Ms. Thorndike advised that each of the University’s top risks is assigned to a senior campus leader for management and mitigation. The Board will be briefed on one or two top risks, or emerging risks, at each upcoming meeting.

University Counsel – Ms. Donna Gooden Payne
Ms. Payne briefed the committee on the UNC system policies related to board member duties and expectations and conflicts of interest. Ms. Payne also briefed the committee on the status of the individual board members’ conflict of interest evaluations that have been vetted by the State Ethics Commission.

Mr. Chairman, I respectfully request that the board members’ COI evaluation letters be included in the Board Meeting minutes.

Request for Name Change

Current Name: Entrepreneurship Center

Proposed Name: Small Business Resource Center

Rationale:

During the 2018-19 AY the longstanding Small Business Institute was changed to the Entrepreneurship Center to reside in the Miller School of Entrepreneurship. After additional debate it was decided that further study was necessary to better differentiate the Center and its role in the Miller School. This included input from key stakeholders and donors to ensure an accurate representation of the Center’s name to best fit with its key activities. Below is additional information on the Miller School and how the Small Business Resource Center strategically aligns within the School.

The College of Business established the first School of Entrepreneurship in the region in 2015, made possible by a generous commitment of $5 million by a Raleigh area entrepreneur, J. Fielding Miller, and his wife, Kim Grice Miller. The Miller School of Entrepreneurship serves as a regional hub for preparing students to take an entrepreneurial mindset and skillset into their communities. The Miller School is committed to an experiential-based curriculum and co-curricular activities for students in the BS Entrepreneurship degree and Entrepreneurship Certificate programs. In addition, its faculty are involved in scholarly activities with a focus on applied and/or sponsored research and thought leadership in the fields of entrepreneurship, small business, family business and innovation. The Miller School also provides internships and award winning student consulting projects for regional business clients.

Leaning on the Miller School’s applied research expertise, the Small Business Resource Center provides ECU students and the regional community with best practices and proven knowledge required to start and sustain enterprises in eastern North Carolina. The days of cash on hand is 130.9 days and reserves sit at $57.6M.
– Dr. Mark Stacy reviewed the current and proposed faculty compensation model. In the current comp plan salaries are not keeping up with the market and faculty turnover is problematic. The proposed comp model appropriately aligns clinical compensation to productivity and does not differentiate clinical compensation from total compensation. The plan is to shadow the new compensation methodology with the current one prior to implementation.

Naming Proposal

College of Health and Human Performance

Background Material

Dr. Jerry Edward McGee (ECU 1965 BS, Health and Human Performance) has made a gift pledge in the amount of $25,000 to the College of Health and Human Performance (HHP). This gift is designated to the Dr. Jerry E. McGee Endowed Fund.

The above-referenced gift is contingent upon the naming of an appropriate facility relevant to the purpose above for Robert L. "Jack" Boone. The Dean is recommending that the new office of the Director for the HHP Advising Center located on the main campus be so named, and that it would be altogether fitting and proper to do this. The Advising Center is undergoing a major consolidation and restructuring; and this project is a primary focus of the Dean's initial efforts to provide greater opportunity for student success in achieving their educational and career aspirations.

Dr. McGee is recently retired from a long and distinguished career as President of Wingate University, and is a long-time advocate and major benefactor for ECU and the College of HHP. For example, he has a planned gift arrangement in place that will provide a Distinguished Professorship in HHP at his death. Please take Dr. McGee's long-standing and generous support for HHP and ECU in consideration in evaluating the merits of this request. He and Dean Zvonkovic have discussed her plans for the future direction of the College and how he can best support her efforts.

Robert L. "Jack" Boone came to Greenville in 1948 as head coach of the ECU baseball team and assistant football coach. He became head football coach in 1952 and held that position until 1961. He also taught in the department of Health and Physical Education. He continued to teach after he was no longer a coach. He was inducted into the athletic hall of fame of Elon in 1972 and ECU in 1981.

Boone's football team won the Pirates' first North State Conference Championship in 1953, and he was voted Coach-of-the-Year in the conference. He led the Pirates to their first bowl game appearance in 1952, and again in 1953. His ECU football record was 49-45-5; and baseball 38-23-2.

Boone died in February of 1984 at age 65. A quote attributed to Dr. John Howell, then ECU Chancellor, contained in Boone's obituary in the Wilmington Morning Star stated: "Mr. Boone had made a great many contributions to the university athletic department and to the instructional program after he left coaching."
Information from the ECU Athletic Hall of Fame states that Boone has been credited with "laying the groundwork for what followed in the years to come at ECU."

Dr. McGee developed a close relationship and strong bond with Coach Boone while a student at ECU and holds him in high esteem. He gives him credit for being a source of inspiration and encouragement, and being a major influence on his success in life. Also, Boone hired McGee as the student director of intramural programs, the income from which allowed him to stay in school.

Your consideration of this naming request is greatly appreciated.

I. ESTABLISHMENT

A. THIS AGREEMENT is made effective as of the date of the last signature affixed between Jerry E. McGee (Donor) and the ECU Foundation, Inc. (Foundation).

B. The Donor and the Foundation agree to establish a restricted endowment in the Foundation known as the Jerry E. McGee Fund (Fund). The fund manager will be the Dean of the College of Health and Human Performance or a comparable position should this position title no longer exist (Administrator).

C. The Fund will be activated upon receipt of a gift or written commitment of at least $25,000 which must be paid within five years. The endowment will be considered fully funded when the corpus reaches $25,000.

II. STATEMENT OF INTENT

The Donor wishes to establish this fund to supplement the work of the Dean for the benefit of the College of Health and Human Performance.

III. SOURCE OF FUNDS

The Fund shall be initially established with the following gifts and shall be consistent with the Foundation’s Gift Acceptance Policy:

A. Gift of $20,000 to be made through a Donor Advised Fund

B. Additional gift of $5,000 from the Donor

IV. PURPOSE AND USE OF FUNDS

This Fund shall be used to supplement the work of the Dean for the benefit of the College of Health and Human Performance. The Administrator shall be responsible for administering the distributions from the Fund and applying such distributions in accordance with Foundation and University policies and procedures.
V. FUND ADMINISTRATION

This Fund shall be administered in accordance with the Foundation’s policies and procedures and shall be consistent with the University’s policies, as follows:

A. The Fund shall be used only for a qualified charitable purpose consistent with the laws of the State of North Carolina and section 501(c)(3) of the Internal Revenue Code.

B. The Foundation will hold and administer these proceeds and any subsequent additions to the Fund in accordance with the terms and conditions of this agreement and current endowment policies as regulated by the East Carolina University Foundation, Inc. Board of Directors (Foundation Board of Directors).

C. With the consent of the Foundation, other parties may also make gifts to the Fund, but they may not change the purpose of the Fund.

D. Fees: A one-time fee is charged to all new gifts to the Fund. An annual endowment management fee is also charged to the fund. Gifts made to the Fund via telefund or annual fund solicitations are subject to a one-time Annual Fund department fee. These fee amounts are determined annually by the Foundation Board of Directors and will be in accordance with the Foundation’s Endowment Spending and Gift Fee Policy. All fees will be charged to the endowment’s investment earnings fund and will not reduce the fund’s corpus amount.

E. All gifts to and accumulated earnings of the Fund will be invested in the Foundation’s investment pool and will receive a prorated share of the net income or losses.

F. The spending distribution is determined by the Foundation Board of Directors who votes annually to adopt a rate of spending distribution applicable to all endowment funds.

G. In years when earned and accumulated investment earnings may be insufficient to meet the amount needed for the annual distribution or when multiyear commitments have been made, the Foundation Board of Directors may continue to make distributions, even if such distributions will reduce the total value of the endowment below the historical value of the corpus (the value of all gifts to the Fund). These spending distributions must be in accordance with the Foundation’s Endowment Spending and Gift Fee Policy, within what the Board has determined reasonable and prudent as noted within the North Carolina Uniform Prudent Management of Institutional Funds Act (UPMIFA), and consistent with the spending distributions from similar endowments within the Foundation.

H. A supplemental fund may be established if the Donor wishes to make annual gifts that will be used for the same purpose as the endowment. The Donor may direct gifts to the supplemental fund to make annual awards while the endowment is building, to support annual awards in the event the endowment is underwater, or if the Donor wishes to supplement the annual award from the endowment. The supporting fund is for annual awards, and like other annually funded awards, will be exempt from gift fees. Annually funded funds do not participate in investment earnings and are available to be spent at any time. Gifts made to the supplemental fund must clearly be stated as such or they will be deposited into the related endowed fund.

2 of 3

Jerry E. McGee Fund
I. If at some future time, it becomes impractical for the Foundation to achieve the designated purpose of the Fund, circumstances change, or it becomes unlawful or wasteful to expend the earnings from the Fund in the manner stated above, then, at the discretion of the Foundation Board of Directors, the Fund shall be used to further the objectives and purposes of East Carolina University, bearing in mind the desires of the Donor as expressed in this agreement. Should the academic area move to another school/college, have a name change, or other placement issue related to this Fund that may require a movement of the funding within or between Foundations at ECU, the Foundation Board of Directors shall review and approve the changes, again, bearing in mind the desires of the Donor as expressed in this fund agreement.

IN WITNESS WHEREOF, these parties execute this Agreement.

Hi, Mary Jane -

We would like to order a plaque for outside the Storybook classroom in Messick 201, but I wanted to double check on the spelling for Ann’s name, with you first and also see if you had any suggestions.

Thank you so much! I am hoping you can see the e-mail trace below. If not, I will re-send it to you.

Hi, Jayme and Amanda -
Above is how they have spelled it on the ECU Teaching Resource Production Center Website. I would like to double check with Mary Jane to make sure, however, that this is correct.

I would like to suggest the following:

Ann Rhem Schwarzmann Classroom

Ann Rhem Schwarzmann

...or something like this.....

Thanks so much!

Request for Name Change

Current Name: Entrepreneurship Center

Proposed Name: Small Business Resource Center

Rationale:

During the 2018-19 AY the longstanding Small Business Institute was changed to the Entrepreneurship Center to reside in the Miller School of Entrepreneurship. After additional debate it was decided that further study was necessary to better differentiate the Center and its role in the Miller School. This included input from key stakeholders and donors to ensure an accurate representation of the Center’s name to best fit with its key activities. Below is additional information on the Miller School and how the Small Business Resource Center strategically aligns within the School.

The College of Business established the first School of Entrepreneurship in the region in 2015, made possible by a generous commitment of $5 million by a Raleigh area entrepreneur, J. Fielding Miller, and his wife, Kim Grice Miller. The Miller School of Entrepreneurship serves as a regional hub for preparing students to take an entrepreneurial mindset and skillset into their communities. The Miller School is committed to an experiential-based curriculum and co-curricular activities for students in the BS Entrepreneurship degree and Entrepreneurship Certificate programs. In addition, its faculty are involved in scholarly activities with a focus on applied and/or sponsored research and thought leadership in the fields of entrepreneurship, small business, family business and innovation. The Miller School also provides internships and award winning student consulting projects for regional business clients.

Leaning on the Miller School’s applied research expertise, the Small Business Resource Center provides ECU students and the regional community with best practices and proven knowledge required to start and sustain enterprises in eastern North Carolina. Distinct Center activities include specialized research reports and grants, community workshops, and executive education offerings. In addition, the Center helps convert curricular programs in the Miller School into actionable ideas and ventures created by students from all academic fields. The Small Business Resource Center in the Miller School of Entrepreneurship works collaboratively across campus and with regional partners to sponsor events for both the research and business communities.

Entrepreneurship education incorporates programming through the curriculum and co-curricular activities. At ECU curriculum and entrepreneurial activities are housed in the Miller School of Entrepreneurship, but there is a strategic opportunity to create a Small Business Resource Center to grow co-curricular programming in entrepreneurship. Pairing a strong Small Business Resource Center with a high quality academic degree program in the Miller School will allow ECU to become ranked nationally in entrepreneurship education. Currently, each university in the Princeton Review Top 25 has a Small Business Resource Center but very few have both an endowed Center and School. ECU will be uniquely position among just a handful of universities across the country to have a named School of Entrepreneurship (Miller) and Small Business Resource Center (Crisp). In addition to increased programming efforts, the Crisp Small Business Resource Center can strengthen the branding of entrepreneurial efforts at ECU.

The Miller School of Entrepreneurship is active in launching a new BS Entrepreneurship degree to complement an Entrepreneurship Certificate available to students across our campus. We are currently expanding our co-curricular activities and an active Small Business Resource Center is a key factor in achieving this objective. The Crisp Small Business Resource Center will grow an entrepreneurial mindset in students, youth, faculty, and in the community. Below are various co-curricular programs currently offered in the Miller School, along with key targeted audiences.

To become a recognized entrepreneurship program ECU must formalize a Center. This will allow ECU to compete for national awards as early as Fall 2019 through the Global Consortium of Entrepreneurship Centers, a conference specializing in Entrepreneurship Center programming. Our current co-curricular programming is yielding positive results but there is much more potential for impact on our campus and across our service region. Below are programmatic highlights from the past two years.

In the future the Crisp Small Business Resource Center will continue to grow existing programs but will offer new programming to support entrepreneurial growth in the region. This can range from summer abroad trips to seminars for community entrepreneurs and business owners, including family businesses. Other grants are under review for microenterprise business expansion with students’ businesses based on community needs and for innovative teaching. For program rankings, Princeton Review and other ranking media measure success through activities strengthened by Center programming. Surveys ask for key metrics such as business start-ups, capital raised, and jobs created. Research shows that co-curricular programming drives business startups, creates relationships within communities to leverage resources, and stimulates the creation of an entrepreneurial culture across campus.

With continued support, the Crisp Small Business Resource Center can help make ECU the leader in rural entrepreneurship and become a national model for entrepreneurial success. The co-curricular programming currently offered has already begun to spread an entrepreneurial mindset on campus and in the community, and expanded programming will help grow the economy and revitalize the region.

Miller School of Entrepreneurship · College of Business · East Carolina University

The College of Business established the first School of Entrepreneurship in the region in 2015, made possible by a generous commitment of $5 million by a Raleigh area entrepreneur, J. Fielding Miller, and his wife, Kim Grice Miller. The Miller School of Entrepreneurship serves as a regional hub for preparing students to take an entrepreneurial mindset and skillset into their communities. The Miller School is committed to an experiential-based curriculum and co-curricular activities for students in the BS Entrepreneurship degree and Entrepreneurship Certificate programs. In addition, its faculty are involved in scholarly activities with a focus on applied and/or sponsored research and thought leadership in the fields of entrepreneurship, small business, family business and innovation. The Miller School also provides internships and award-winning student consulting projects for regional business clients.

Leaning on the Miller School's applied research expertise, the Crisp Small Business Resource Center will provide emerging entrepreneurs from our campus and surrounding communities with best practices and proven knowledge required to start and sustain enterprises in eastern North Carolina. Distinct center activities will include specialized research reports and grants, community workshops, and executive education offerings. In addition, the Crisp Small Business Resource Center will help convert curricular programs in the Miller School into actionable ideas and ventures created by students from all academic fields. Efforts will focus on working collaboratively across campus and with regional partners to sponsor events for both the research and business communities.

Pairing a strong Small Business Resource Center with a high quality academic degree program in the Miller School will allow ECU to become nationally-ranked in entrepreneurship education. ECU will be uniquely positioned among just a handful of universities across the country to have a named School of Entrepreneurship (Miller) and Small Business Resource Center (Crisp). In addition to increased programming efforts, the Crisp Small Business Resource Center can strengthen the branding of entrepreneurial efforts within eastern North Carolina.

In the future, the Crisp Small Business Resource Center can help grow existing activities and offer new programming to support entrepreneurial growth in the region. This can range from student consulting projects to specialized research projects and community workshops for regional entrepreneurs and business owners. For program rankings, Princeton Review and other comparable outlets measure success through activities strengthened by center programming. Surveys ask for key metrics such as business start-ups, capital raised, and jobs created. Research shows that co-curricular programming drives business startups, creates relationships within communities to leverage resources, and stimulates the creation of an entrepreneurial culture across campus and your service region.

(10) Use best efforts to ensure the safety and welfare of student-athletes under COACH’s supervision; use best efforts to ensure that coaching and administrative staff actively support the Basketball Program and ECU’s joint commitment to academic achievement for each student-athlete under COACH’s supervision, to include promoting academic advising and counseling services; promote an environment that encourages student-athletes to achieve the best grades possible and to make progress toward a degree in a defined academic program;

(11) Interview, screen, and recommend to the Director of Athletics for employment all assistant Basketball coaches. The hiring of assistants and all personnel within the Basketball Program shall comply with all applicable ECU policies and regulations. The COACH shall recommend to the Athletic Director that an assistant coach be terminated if the assistant’s services are not satisfactory to the COACH;

(12) Maintain and enforce any and all disciplinary policies and drug/alcohol policies of ECU;

(13) Maintain effective relations with governing boards, associations, conferences, committees, alumni, students, faculty, and staff;

(14) Each Agreement Year make appearances/speeches at Pirate Club fundraising socials and events. Only those appearances made at the request of ECU shall count toward satisfaction of the obligations of COACH under this paragraph;
(15) Promptly advise the Director of Athletics or the Chancellor if the COACH has any reason to believe that any violation of NCAA or Conference constitutional provisions, bylaws, rules, or regulations has occurred or will occur and shall cooperate fully in any investigation of possible violations conducted or authorized by the UNIVERSITY, the Conference, or the NCAA at any time, including but not limited to the NCAA infractions process, including the investigation and adjudication of a case;

(16) Promptly advise the Chancellor, Director of Athletics, and the Senior Associate Athletic Director for Compliance if the COACH has any reason to believe that ECU’s Basketball Program may be at risk of being deemed ineligible to compete in any NCAA or Conference competition due to academic, conduct related or other compliance concerns; and

(17) Perform such other duties as assigned from time to time by the Director of Athletics.

(18) The COACH shall not attempt to raise money to support the Basketball Program budget without the prior written approval of the Director of Athletics. B. COACH agrees to faithfully, diligently, and competently perform the duties of Head Women’s Basketball Coach, and to devote such time, attention, and skills to the performance of said duties as necessary to meet the responsibilities of the position of Head Women’s Basketball Coach. COACH shall report to and be under the immediate supervision of the Director of Athletics. COACH agrees that the failure to discharge any of the duties of Head Women’s Basketball Coach constitutes a breach of this Agreement that would allow ECU to terminate COACH for cause.

C. If COACH is found to have committed violations of NCAA rules or regulations, whether while employed by ECU or during prior employment at another NCAA
member institution, COACH shall be subject to disciplinary action as set forth in the provisions of the NCAA infractions process and applicable ECU policies, regulations or rules, including the Policy. Such disciplinary action may include suspension without pay or termination for cause in accordance with section XI of this Agreement. In the event that any future or amended NCAA or Conference rule, regulation, bylaw, or constitutional provision should render ineffectual this Article II as a basis for protecting the institutional integrity of ECU, then COACH and ECU will, to the extent possible, engage in good faith negotiations to revise this Article II or to substitute an alternative provision that would allow for a materially similar duty to be imposed upon the COACH with materially similar consequences for failure to perform said duty while preserving for ECU as much of the bargained for institutional benefit as reasonably possible.

D. The parties mutually agree that major public announcements (e.g. suspension of players from the team, schedule modifications) made through any medium concerning the Basketball program at ECU will be discussed with each other, including specifically the Director of Athletics (or his designee) and COACH, prior to said announcements being made public.

E. Both parties agree to give full and faithful allegiance to the other as concerns the Women’s Basketball Program.

The Annual Salary for the position of COACH is Two-Hundred Thousand Dollars ($200,000) ("Annual Salary"), based on a twelve (12) month employment period. The salary will be paid in semi-monthly installments with the first installment paid no later than May 1, 2019 and continuing through the term of COACH's employment relationship with the UNIVERSITY under this Agreement. For purposes of clarification, through the described installment payments, COACH will receive a pro-rata amount of the Annual Salary for each Agreement calendar year. Such installment payment may be in addition to any pro-rata monthly payment amount accrued of any supplemental compensation or bonus due and payable as described in, and in accordance with Appendix A. COACH will receive any and all other regular employment benefits provided by the State of North Carolina to similarly situated employees, plus benefits provided to University EHRA Non-Faculty employees based upon the Annual Salary.

IV. BENEFITS AND OTHER NON-SALARY COMPENSATION

ECU shall provide COACH all benefits and other non-salary compensation included and as specified in Appendix A, attached hereto and incorporated by reference.

V. OUTSIDE COMPENSATION

Such activities are independent of COACH’s employment with ECU, ECU shall have no responsibility for any claims arising therefrom, and the COACH shall indemnify and hold harmless ECU from any and all claims and/or losses as a result of COACH’s participation in such activities. Activities for outside compensation shall include, but not be limited to, engaging in any radio, television, motion picture, internet, stage, writing or any similar activity, personal appearances, commercial endorsements, and sport camps. A sample of the current form is attached hereto as Appendix B for illustrative purposes only. The AIR system may be accessed at https://ecu.myresearchonline.org/air/.

(i) SUMMER CAMPS: The COACH may conduct Basketball clinics/camps in/at ECU facilities at the discretion of the Athletic Director provided that COACH and COACH’S operation of any such camp must comply with all applicable laws, NCAA and ECU regulations and policies, including ECU’s “Youth Camps and Programs” Regulation. At a minimum, COACH will be allowed to operate two weeks of Basketball summer camps on the campus of ECU each summer while she is employed as Head Women’s Basketball Coach, under the terms provided by University policy. The COACH may not solicit sponsorships for said camps without the approval of the Director of Athletics. Said camps and camp sponsorship solicitations must comply with all applicable laws and the policies of ECU, the NCAA, and AAC. Nothing herein shall prohibit COACH from conducting additional Basketball camps and clinics so long as such activities are approved in advance by the Director of Athletics and comply with all applicable University, Conference, and NCAA guidelines and policies, including without limitation the University’s “Regulation on Conflicts of Interest, Commitment, and External Professional Activities for Pay”

(ii) COMMERCIAL ENDORSEMENTS:

a. Only with prior written approval of the Director of Athletics and in compliance with applicable ECU policy, the COACH will be allowed to accept remuneration for commercial endorsements if they (i) fall within the guidelines of the NCAA and the AAC; (ii) do not conflict with sponsorship agreements

The COACH shall not use any ECU students in any endorsement of private products or services and shall not film any commercials or be photographed endorsing private products or services on ECU property.

c. The COACH’S commercial endorsements are independent of her ECU employment and ECU will have no responsibility or liability for any claims arising there from.

d. Notwithstanding subparts V.A.(ii).a-c, the COACH agrees that she shall not establish an internet website or weblog or online presence, Facebook or Twitter account, or other social media program or presence in any form, including any social networking site, that in any way relates to ECU Basketball program or her position as COACH at ECU without the written consent of the Director of Athletics.

B. In accordance with ECU policy and NCAA Bylaw 11.3.2, which are incorporated herein by reference, COACH shall report annually on July 1 to the Director of Athletics and the Chancellor all athletically-related income from sources outside ECU, including but not limited to, income from sports camps and clinics, television and radio programs, commercial endorsements, consulting agreements, and all other athletically-related income from whatever outside source. Such income shall be reported in a manner as prescribed by the Athletics Department, which may be subject to change. The current East Carolina University Athletically Related Income form, as of the date of this Agreement, is attached hereto as Appendix C. COACH shall ensure that upon request ECU has reasonable and prompt access to all records of COACH to verify this report.

C. COACH agrees that ECU may use, without payment of additional compensation to COACH, COACH’s name, picture, likeness and voice in connection with any such programs and endorsements that promote ECU. This provision shall survive expiration or termination of this Agreement.

D. INTENTIONALLY OMITTED.

E. For the duration of this Agreement, the COACH shall not enter into or be a party to any shoe, apparel, or equipment agreement, including any agreement that obligates the COACH to wear, promote, endorse, or consult with a manufacturer or seller concerning the design and/or marketing of shoes, apparel, or equipment. This notwithstanding, ECU may require the COACH to comply and COACH shall cooperate with the terms of any shoe, apparel, and equipment agreements entered
into by ECU, including but not limited to, requiring the COACH to wear or use a particular brand of shoe, apparel or equipment while performing her duties as the Head Women’s Basketball Coach. ECU is entitled to all revenue and/or proceeds derived from any shoe, apparel, or equipment contract entered into by ECU.

VI. BUYOUT PAYMENT

To the extent permitted by applicable law and University of North Carolina and ECU policy, ECU agrees to be responsible for COACH’s obligation under her previous employment agreement with the University of Hartford ("Hartford") to pay a "Buyout" payment to Hartford in an amount not to exceed $65,790 and, in no event, exceeding the actual amount of the buyout amount to be paid by COACH to Hartford (the "Buyout Amount"). ECU shall pay COACH an amount equal to any tax liability incurred by COACH due to the payment of the Buyout Amount to Hartford. The COACH shall use these funds in compliance with NCAA, Conference, and UNIVERSITY regulations, rules and policies.

VII. TAXES

COACH acknowledges that, in addition to the salary provided for in this Agreement, certain benefits and other non-salary compensation she receives incident to her employment relationship with ECU may give rise to taxable income. COACH agrees to be responsible for the payment of any taxes (including federal, state and local taxes) due on such income. COACH also understands that ECU shall withhold taxes on amounts paid or due to COACH and the value of benefits and other non-salary compensation provided to COACH, to the extent required by applicable law and regulation.

VIII. UNIVERSITY RECORDS

A. All materials or articles of information including, without limitation, personnel records, recruiting records, team information, films, statistics or any other material or data furnished to COACH by ECU or developed by COACH on behalf of ECU or at ECU’s direction or for ECU’s use or otherwise in connection with COACH’s employment hereunder are and shall remain the sole property of ECU. COACH shall ensure all said materials or articles of information are in the possession of ECU as of the date of expiration or termination of this Agreement. If ECU requests access/or the return of such materials at any time during or at or after the termination of COACH’s employment, COACH shall immediately deliver the same to ECU.

B. COACH may request copies of University records relating to the Women’s Basketball Program from the University, which request shall not be unreasonably denied; provided, however, the Parties understand and agree that the University will not provide COACH records that contain information that is confidential pursuant to applicable law and University’s policies, including, but not limited to, student education records and third party personnel records. Thus, the University will not unreasonably interfere with COACH’s ability to gather, retrieve, and retain materials created and derived from COACH’s intellectual capital relating to coaching concepts,
themes, and ideas that were created specifically for the benefit of the Women’s Basketball Program.

IX. COACH SUBJECT TO REASSIGNMENT

Throughout the term of this Agreement, COACH shall use her best full-time energies and abilities for the exclusive benefit of ECU. It is understood by the parties, however, that during the term of this Agreement, ECU retains the right to reassign the COACH to other positions, for a period not to exceed ninety (90) days and as agreed upon in good faith by COACH, the Director of Athletics, and the Chancellor, with different duties that ECU deems to be reasonably consistent with COACH’s education and experience, with no diminution in Annual Salary. In the event COACH, the Director of Athletics, and the Chancellor cannot come to a mutual agreement regarding reassignment, the Chancellor, in consultation with the Director of Athletics shall have the final authority. Such ninety (90) day period may be extended in the Chancellor’s sole discretion to the extent the Chancellor determines, in good faith, that such extension is necessary. ECU’s obligation to provide non-salary or deferred compensation under Appendix A will terminate upon reassignment at the ECU’s sole discretion, except that ECU shall pay, subject to the conditions in Appendix A, any bonuses earned under Appendix A prior to reassignment and any supplemental compensation earned under Appendix A on a pro-rata basis up to the date of the reassignment. Upon cessation of Head Women’s Basketball Coach duties and responsibilities, COACH shall voluntarily relinquish all appointments on NCAA or athletic conference committees, subcommittees and/or councils of any nature. If ECU makes such a decision to reassign COACH and COACH refuses to accept such reassignment, then ECU may terminate this Agreement for cause.

X. AUTOMATIC TERMINATION UPON DEATH OR DISABILITY OF COACH

A. This Agreement shall terminate automatically upon the death of COACH. If this Agreement is terminated pursuant to this section because of death, the COACH’s Annual Salary and all other benefits shall terminate as of the end of the calendar month in which death occurs, except that COACH’s personal representative or other designated beneficiary shall be paid any bonuses earned under Appendix A prior to death, any supplemental compensation earned under Appendix A on a pro-rata basis prior to death, and all such death benefits, if any, as may be contained in any benefit plan and due to COACH as an EHRA non-faculty employee.

B. This Agreement shall terminate automatically upon the permanent disability of COACH. For purposes of this provision, COACH shall be deemed permanently disabled if, due to a mental or physical impairment, COACH is unable to perform the essential functions of the job with or without reasonable accommodation for a period of ninety (90) days. If this Agreement is terminated pursuant to this section because of permanent disability, ECU’s sole obligation shall be to pay that portion of the Annual Salary as set forth in Article III due to COACH as of the date of termination, disability benefits to which COACH may be entitled to under any disability program in which COACH is enrolled through ECU, any bonuses earned under Appendix A.
prior to permanent disability, and any supplemental compensation earned under Appendix A on a pro-rata basis up to the date of permanent disability.

XI. COACH REPRESENTATION AND WARRANTIES; TERMINATION BY ECU FOR CAUSE

A. COACH represents and warrants that she has disclosed to ECU: (a) any known previous material breach or alleged material breach by COACH of her duties or her employment agreement or other agreement at any other NCAA member institution; (b) any known material violation or alleged violation of any law or rule applicable to intercollegiate athletics by COACH or any person under her direct or indirect supervision; (c) any known major violation or alleged violation by any athletic program, including the Women’s Basketball Program, under the direction of COACH, including, but not limited to, a member of the coaching staff, a player, or any other person affiliated with the intercollegiate athletics program who reported directly or indirectly to COACH, of rules or regulations of the NCAA or any other association, conference or like organization associated with another NCAA member institution, state or federal laws, rules or regulations, or any rules or policies of another NCAA member institution; (d) other known material misconduct or alleged misconduct, including without limitation fraud, dishonesty, acts of violence, or other conduct that is contrary to the mission of another NCAA member institution or an educational institution; and (e) all convictions and guilty pleas of COACH, including an Alford Plea, to (i) a felony or (ii) a criminal offense which constitutes fraud, dishonesty or moral turpitude, the underlying offense or activity, but not the conviction or guilty plea, having occurred prior to the date of COACH’s signature below. COACH understands and agrees that this representation and warranty is a material inducement for ECU to enter into this Agreement, and that ECU has relied upon this representation and warranty in entering into this Agreement with COACH. For the purpose of clarity, the term "alleged" as used in this Section XI(A) means a claim or assertion of which COACH is aware.

B. This Agreement may be terminated by ECU for cause. “Cause” shall include, but not be limited to, the following:

(1) Failure to satisfactorily carry out the duties of COACH as defined in Article II of this Agreement [DUTIES] and, where applicable, failure to cure same within thirty (30) calendar days of receiving written notice of such failure from ECU, or within such additional timeframe as reasonably necessary and as approved by the Director of Athletics;

(2) A major or willful violation or multiple secondary violations by COACH, or knowing participation by COACH in a violation by an assistant/associate COACH or COACH or other staff member of which COACH had reason to know, or should have known through the exercise of reasonable diligence or which COACH condoned of an NCAA regulation or bylaw or a Conference regulation or bylaw, whether while employed by ECU or during prior employment at another NCAA member institution;
(3) Any act or omission that constitutes a violation by COACH of any policy or regulation of ECU or of the Board of Governors of the University of North Carolina, of the constitution, or any bylaw, rule or regulation of the NCAA, AAC, or any other association, conference or like organization with which ECU is or may become affiliated, to the extent such violation is deemed in the sole discretion of ECU to be grounds for termination of the Agreement for cause. ECU will deem a violation to be grounds for termination under this Section XI.B.(3), if it is serious or intentional or negligently committed, including with regard to NCAA provisions any major or serious violation (e.g., repeated violations or any violation that the University determines could reasonably be expected to result in sanctions such as probation, forfeiture of athletic contests, loss of one or more scholarships, prohibitions against conference or championship or telecast appearances, restrictions on a coach’s right to recruit, etc.).

(4) Failure of COACH to appropriately monitor and report any compliance or NCAA eligibility issues of which COACH is aware, or with the appropriate and reasonable monitoring of ECU’s Basketball Program, COACH should have been aware;

(5) Failure of the COACH to appropriately monitor, manage, and report to the Director of Athletics, the Chancellor and other appropriate ECU personnel, any issues or conditions within the COACH’s purview that adversely affect the safety and welfare of student athletes, including, but not limited to, failing to ensure that coaching staff of the Women’s Basketball Program are directed to comply with, and are complying with, best practices with regard to the management of suspected concussions, heat stroke, and other serious medical conditions known to affect student athletes.

(6) Conviction of, or a guilty plea, including an Alford Plea, to (i) a felony or (ii) a criminal offense which constitutes fraud, dishonesty or moral turpitude;

(7) Misconduct of the COACH, or misconduct of any assistant or associate COACH or of a COACH or of his/her staff of which the COACH knew, had reason to know, or should have known through the exercise of reasonable diligence or knowledge or which COACH condoned, of such a nature, as reasonably determined in the discretion of ECU, that would tend to bring disrespect, contempt or ridicule upon ECU, or which brings discredit to ECU, or which harms ECU’s reputation, or which reasonably brings into question the integrity of the COACH or that, as determined in the sole discretion of the Chancellor, would render COACH unfit to serve in the position of Head Women’s Basketball Coach;

(8) Failure by COACH to use best efforts to ensure that academically qualified student athletes are recruited and that student athletes are making adequate progress in a defined degree program;

(9) Refusal of COACH to carry out reasonable directives from the Director of Athletics and/or the Chancellor;
(10) Seeking, interviewing for or negotiating terms for, whether directly or through any agent or representative (acting with or without COACH's knowledge), employment with another sports-related business or program without the express written approval of the Director of Athletics or the Chancellor, which approval shall not be unreasonably withheld;

(11) A breach of any representation and/or warranty made by COACH in Section XI(A) or any other act, whether occurring prior to or during the Term, which brings serious discredit to the Basketball Program or would be likely to cause prospective student-athletes to elect not to attend ECU; or

(12) Any of those causes specified in the Employment Policies for EHRA employees of the University of North Carolina or ECU, as adopted and revised from time to time.

C. In the event of a termination under this section, ECU’s sole obligation to COACH shall be to pay COACH that portion of the Annual Salary as set forth in Article III earned, accrued and owing to COACH as of the date of such termination, but not beyond that date, and any supplemental compensation earned under Appendix A on a pro-rata basis up to the date of termination. In the event ECU exercises its right to terminate the Agreement with cause, ECU shall not be obligated to pay COACH any other compensation or benefits described in the Agreement, including but not limited to any loss of business opportunities or loss of other compensation, income, benefits, or perquisites from any sources, that might occur as a result of such termination.

D. Any process to terminate COACH for cause shall be conducted in compliance with the Policy and all other applicable policies and regulations.

XII. TERMINATION BY ECU WITHOUT CAUSE

A. This Agreement may be terminated by ECU at any time without cause.

B. In the event ECU exercises its right to terminate COACH’s employment or this Agreement without cause, ECU’s sole financial obligation shall be limited to paying COACH the remaining and unpaid amount of Annual Salary that would have been due and payable to her under Article III of this Agreement had COACH remained employed by ECU for the remaining term of the Agreement and, if applicable, any bonuses earned as of the effective date of termination. In the event ECU exercises its right to terminate COACH’s employment or the Agreement without cause, ECU shall not be obligated to pay COACH any other compensation described in the Agreement or be responsible for consequential damages, including but not limited to any loss of business opportunities or loss of other income, benefits, or perquisites from any sources, that might occur as a result of such termination. Payment of the total amount determined shall occur over the remaining term of the Agreement as follows: 1) Within thirty (30) days of the effective date of termination without cause, payment shall be made of amounts due with respect to the remainder of that contract year, and
2) payments due hereunder with respect to each subsequent year shall be made in equal semi-monthly installments during such subsequent contract year, until all amounts due under this Article XII have been paid in full. As a precondition for COACH's receipt of the amounts payable under this Section XII(B), ECU may, in its sole discretion, require COACH to execute a release in favor of ECU, and any affiliated entities, releasing them and their agents, trustees, directors, officers, representatives and employees from any and all Federal or State law claims that COACH may have against them at the time of the release, including, but not limited to, claims resulting from the breach or termination of this Agreement or the severance of COACH's relationship with ECU.

C. COACH acknowledges her obligation to minimize the payments due to her under section XII(B) and agrees to make every reasonable effort to obtain other employment as long as ECU has the obligation to make payments under section XII(B). If the COACH obtains new employment, ECU's financial obligations under section XII(B) shall be reduced by the total compensation that is expected to be received by COACH in her new position, including employee benefits, whether in cash, deferred payments, or in kind if COACH were to fully perform under COACH's new employment relationship. COACH shall immediately, upon acceptance of other employment, notify the Chancellor in writing of such employment and the total compensation to be paid to COACH for the employment. In addition, COACH agrees to provide ECU with a copy of her W-2 form for each calendar year as long as ECU has the obligation to make payments under section XII(B). Any diminution of compensation in COACH's new position or COACH ceasing to be employed in her new position shall have no effect on the reduced financial obligations of ECU.

D. If COACH's total expected compensation in the new position exceeds that which COACH would have been paid at ECU as set forth in Article III, then ECU's financial obligations under section XII(B) shall terminate and ECU shall have no additional or future financial obligations to COACH. In the event that ECU provides written notice to COACH of documented evidence that, during COACH's term of employment would have been grounds for termination by ECU with cause pursuant to the Policy or this Agreement, ECU's financial obligations under section XII(B) shall terminate upon thirty (30) days of such written notice. F. COACH acknowledges and agrees that ECU's sole financial obligation in the event that COACH is terminated without cause is governed by section XII(B) of this Agreement, and any prior agreements or promises in regard to ECU's payments to COACH due to termination without cause, if any, are null and void.

XIII. TERMINATION BY COACH PRIOR TO EXPIRATION

A. COACH agrees that the promise to work for ECU for the entire term of the Agreement is essential to ECU. The parties agree that the COACH has special, exceptional, and unique knowledge, skill and ability as a COACH, which, in addition to the continuing acquisition of experience at ECU, as well as ECU's special need for
continuity in its intercollegiate sports program, render the COACH’s services unique. COACH therefore agrees, and hereby specifically promises, not to actively seek, negotiate for or accept employment, under any circumstances, without first informing and obtaining permission from the Chancellor, such employment including athletic related employment requiring performance of duties prior to the expiration date of the term of this Agreement or any extension thereof.

B. In the event COACH terminates her employment or this Agreement without cause or commits any breach of this Agreement, including but not limited to accepting other employment without first obtaining the permission of the Chancellor, COACH shall pay ECU liquidated damages in lieu of any and all other legal remedies or equitable relief that ECU would be entitled to solely as a direct result of the early termination of this Agreement, equal to the following amounts in each year of this Agreement, respectively:

<table>
<thead>
<tr>

C. COACH, or COACH’s designee, shall pay the total of any amounts owed to ECU by COACH under this Article XIII within ninety (90) days following termination of COACH’s employment or this Agreement. In the event COACH designates a third party to pay ECU on COACH’s behalf, COACH shall remain ultimately responsible to ensure that such third party designee fully satisfy any and all financial obligations as specified herein.

D. This is an Agreement for personal services. The parties recognize and agree that a termination of this Agreement by COACH prior to its natural expiration could cause ECU to lose its valuable investment in COACH’s continued employment at ECU and could cause ECU additional damages beyond its lost investment, including but not limited to a possible adverse effect on the intercollegiate sports program. The parties further agree that it is difficult or impossible to determine with certainty the damages that may result from such termination by COACH and that the liquidated damages provisions of this paragraph are not to be construed as a penalty, but as an attempt by COACH and ECU to establish adequate and reasonable compensation to the University in the event COACH terminates this Agreement. Notwithstanding the foregoing, nothing in this Article XIII shall be construed to, in any way, limit or preclude any claim or legal remedy which ECU may have against COACH that is the result of any other action, inaction or malfeasance of COACH, including any breach of this Agreement not related to COACH’s early termination.

At UNIVERSITY's election, and with reasonable notice to COACH, UNIVERSITY may, in its sole discretion, choose to pay COACH a housing allowance not to exceed $2,000 per month instead of making housing directly available to her.

D. AUTOMOBILE ECU shall make arrangements for and provide one (1) courtesy or leased vehicle for the COACH to use, contingent upon and while performing her duties under this Agreement. ECU shall be responsible for maintaining collision and comprehensive liability insurance on the vehicle. Alternatively, ECU may provide an annual automobile allowance in the amount of $9,071, which amount may be adjusted annually consistent with UNIVERSITY policy. (v) April 1, 2023-March 31, 2024 $135,000

UNIVERSITY’s obligation under this Part F (Broadcast Program Payment) shall be paid in semi-monthly payments to COACH. The COACH shall have no ownership interest in the Broadcast Programs or any part thereof, including but not limited to copyright. ECU will be responsible for payment of expenses incurred in marketing and producing the Broadcast Programs and COACH and ECU will mutually define the role of the COACH in the Broadcast Programs. All rights, title and interests in the Broadcast Programs, whether in whole or any part thereof, and all copies thereof, and all copyrights shall be and remain the sole property of ECU, which may use, assign, convey and otherwise use and dispose of the Broadcast Programs, and any parts thereof, as ECU determines appropriate in its sole discretion and without further consent or participation of the COACH, including, but not limited to, revising, editing, reproducing, broadcasting and transmitting as often and whenever ECU desires. COACH shall be entitled to no consideration for her participation in or contribution to any aspect of production, broadcast, rebroadcast, or reproduction of the Broadcast Programs, in whole or part, other than the amount of consideration provided under this Part F. Notwithstanding the foregoing provisions of this Part F, ECU may, in its sole discretion, reduce the frequency of or eliminate entirely production and/or marketing of any or all of the Broadcast Programs at any time and, in such event, ECU’s sole obligation to the COACH shall be to pay COACH, while she remains employed as Head Women’s Basketball Coach and performing the duties thereof, the compensation that COACH would have earned under this Part F had production and marketing continued and had the COACH participated cooperatively with ECU in said production and marketing. ECU’s obligation to pay COACH any compensation under this Part F shall terminate immediately in the event that COACH is no longer employed by ECU as and with the duties of Head Women’s Basketball Coach.

G. INCENTIVE BONUSES For so long as COACH is employed as Head Women’s Basketball Coach, COACH shall be eligible for additional incentive bonuses, in the amounts and under the conditions as follows, subject to such other contingencies as may be stated in this Agreement:

i. POST-SEASON PLAY For Team achievement payments under one of the following scenarios each year:

1. If the Women’s Basketball Team is seeded third or higher in the American Athletic Conference or Conference (post-regular season) championship tournament, COACH will be paid $10,000;
2. If the Women’s Basketball Team wins the American Athletic Conference or Conference championship tournament, COACH will be paid $10,000;
3. If the Women’s Basketball Team is the American Athletic Conference or Conference Regular Season Champion, COACH will be paid $15,000;
4. If the Women’s Basketball Team plays in the NCAA Women’s Division I Basketball Championship Tournament, COACH will be paid $25,000;

5. If the Women’s Basketball Team plays in the regional semifinals game of the NCAA Women’s Division I Basketball Championship Tournament (i.e., reaches the “Sweet Sixteen”), COACH will be paid $25,000;

6. If the Women’s Basketball Team plays in the national semifinals game of the NCAA Women’s Division I Basketball Championship Tournament (i.e., reaches the “Final Four”), COACH will be paid $50,000;

7. If the Women’s Basketball Team wins the (final) national championship game of the NCAA Women’s Division I Basketball Championship Tournament, COACH will be paid $25,000;

8. If the Women’s Basketball Team advances to the Women’s National Invitation Tournament (“WNIT”), COACH will be paid $5,000; and

9. If the Women’s Basketball Team wins the WNIT, COACH will be paid $10,000.

Payment of any bonus to COACH under this Part G(i) shall be made within thirty (30) days following the final tournament game in which the Women’s Basketball Team plays that relates to said bonus. Eligibility for bonuses is cumulative (e.g., COACH may earn a total of up to $125,000.00 if the Basketball Team wins the NCAA Women’s Division I Basketball Championship Tournament (i.e., COACH achieves the milestones stated in Sections G(i)(4)-(7)). Eligibility of COACH for bonuses in connection with each of the games listed in this Section (G)(i) is contingent upon COACH’s actual participation, as Head Women’s Basketball Coach, coaching ECU’s Team for and during its participation in the particular game identified (i.e., COACH is ineligible while reassigned, suspended or on leave). ECU has sole discretion to determine whether to seek and whether to accept an invitation for the Team to participate in any Tournament relevant to this Part G(i) and failure to seek or to accept an invitation shall not be a breach of this Agreement.

ii. TEAM PERFORMANCE

1. **Top 25.** If the Team is ranked by the Associated Press or USA Today or Women’s Basketball Coaches Association (WBCA) immediately following the NCAA Tournament Championship Game as one of the top 25 teams in the nation, $5,000.00.
2. Twenty or more wins. In any regular basketball season in which the Team has twenty (20) or more wins, COACH shall be paid as a bonus $5,000.

iii. Academic Award. If the Women’s Basketball Team earns the American Athletic Conference or Conference academic award as determined by the American Athletic Conference or Conference (given to the team in each conference-sponsored sport with the highest GPA for the academic year) then, to the extent permitted by law, COACH will be paid a bonus of $10,000.

iv. NATIONAL OR WBCA OR NAISMITH or USBW COACH OF THE YEAR If COACH is named "National Coach of the Year" in NCAA Division I Basketball by one or more of the nationally recognized organizations designated in writing by UNIVERSITY, such as Sporting News and Associated Press, or the Women’s Basketball Coaches Association (the "WBCA"), or the Naismith or United States Basketball Writers (USBW), one payment of $10,000, regardless of the number of national awards.

v. AAC COACH OR WBCA REGIONAL COACH OF THE YEAR If COACH is named as "Women’s Basketball Coach of the Year" in the American Athletic Conference ("AAC") or Conference as tallied by the AAC or Conference, or as the WBCA’s Regional Basketball Coach of the Year, one payment of $5,000.

vi. ACADEMIC PERFORMANCE For annual Team academic performance, calculated according to NCAA requirements, as reported in the Spring 2020 semester and each year thereafter while COACH is employed as Head Women’s Basketball Coach, as follows:

- (A) With regard to single-year Academic Progress Rate ("APR") for the Team, an APR equal to 985 or greater, $2,000; or, for an APR of 950 or more up to 974, $1,000; and

- (B) For a Team single-year Graduation Success Rate ("GSR") greater than 80%, $1,000.

- (C) Any amount earned will be paid within sixty (60) days of when the APR and GSR is reported publicly. In order to receive payment under this Part G(vi), the COACH must be employed by and performing substantial services for ECU on the date the APR or GSR is reported publicly.
H. **LONGEVITY BONUS** If COACH has been employed by ECU in the position of Head Women’s Basketball Coach and with all duties of that position continuously until March 31 of the following Agreement year she will receive the following payment:

<table>
<thead>
<tr>
<th>Date</th>
<th>Bonus</th>
</tr>
</thead>
<tbody>
<tr>
<td>March 31, 2024</td>
<td>$50,000</td>
</tr>
</tbody>
</table>

Any amount earned will be paid within sixty (60) days of the date specified above.

I. COACH agrees that in addition to the salary provided under this Agreement, some benefits and non-salary compensation she receives incident to her employment relationship with ECU may give rise to taxable income. COACH agrees to be responsible for the payment of any taxes (including federal, state and local taxes) due on such income. COACH also acknowledges that ECU shall withhold tax, including FICA withholding, on amounts paid or due to COACH and the value of benefits of other non-salary compensation provided to COACH, to the extent ECU determines it is required by applicable law and regulation.

J. The parties understand and agree that the right to any bonus, supplemental pay, or non-salary compensation (for purposes of this Part J, the "Bonus") described in this Appendix A vests when any such Bonus is earned, not when any such Bonus is paid. In no event shall the payment of any Bonus be considered part of Annual Salary. In the event that any future or amended State or Federal law, rule or regulation, or NCAA or Conference rule or regulation should a) prohibit the payment of any Bonus; b) render any Bonus illegal or ineffectual; or c) subject ECU to a penalty or assessment or violation of law if such Bonus were to be paid, ECU will, to the extent possible, revise such bonus or substitute an alternative incentive payment that would allow for a similar economic benefit to be provided to the COACH while preserving for ECU as much of the bargained for institutional benefit as reasonably possible.

K. The payment of the bonuses and other compensation described in this Appendix A (for the purpose of this Section K only, individually, the "Bonus" and, collectively, the "Bonuses") is subject to the availability of non-State appropriated funds in the Department’s budget and contingent upon a satisfactory performance review of the COACH by the Athletic Director. A Bonus is deemed "earned":

1. **on the date that the milestone tied to the applicable Bonus has been fully completed and/or achieved;**

2. **where the milestone for a Bonus is based on performance over an entire season, on the date of the last day of the regular season for the Basketball Program;** and

3. **provided further, on the date specified in (i) or (ii), where:**
(a) the Women’s Basketball Program is in compliance with all NCAA, Conference, and UNC and ECU policies, regulations, bylaws, and constitutional provisions;

(b) the COACH is actively employed as Head Women’s Basketball Coach at ECU; and

(c) there are no pending or active NCAA or Conference or ECU investigations of violations relating to the Basketball Program.

No bonus will be deemed earned where a condition specified in this Section K is not satisfied.

Request to Board of Trustees for Approval of Faculty Practice Incentive Payments
(Non-Salary and Deferred Compensation Plan in School of Dental Medicine)

The Board of Trustees is asked to approve Faculty Practice Incentive Payments to eligible faculty in the School of Dental Medicine (SoDM). UNC Policy Manual 300.2.14, “Non-Salary and Deferred Compensation”, and ECU Policy on Non-Salary and Deferred Compensation for Employees Exempt from the State Personnel Act authorize the Board of Trustees to approve non-salary compensation for EHRA employees.

In accordance with The UNC Policy Manual 300.2.14, “Non-Salary and Deferred Compensation”, this document delineates the SoDM Faculty Practice Incentive Payment criteria and the process for generating the proposed payments to faculty in the ECU School of Dental Medicine.

School of Dental Medicine faculty in Ross Hall are encouraged to develop a Faculty Practice (FP) to hone and maintain their skill set and to further meet the needs of the patient community. The services performed in the FP are exclusively provided by the faculty as opposed to students and residents under the supervision of faculty. These proposed incentives are designed to encourage activity that provides care to more complex patients in our communities as well as patients from the School of Dental Medicine student clinic whose treatment plans require certain procedures too complex for our students or residents to provide. In addition, these incentive payments are a critical tool in the recruiting package necessary to attract high quality faculty. Students and patients clearly benefit from instruction by faculty who are experienced and committed to caring for the more complex patients.

As the emerging Faculty Practice gains momentum, conventional wisdom is that we develop an incentive model to encourage faculty to increase clinical productivity in the FP. To incentivize the achievement of these clinical productivity targets, the School of Dental Medicine is developing a formal Incentive Payment Plan. Until this plan is developed and approved, we would like to pay 30% of funds actually received (less high cost expenses directly related to a patient’s particular treatment) to all faculty participating in Faculty Practice and thus, we seek the Board of Trustees’ approval to make the specific payments proposed.

With the exception of four, they reflect an amount equal to 30% of collected revenue from the patient care each provider directly performed in the FP.

- The School of Dental Medicine proposes an amount equal to 45% of collected revenue from the patient care performed by two periodontists within the school. Drs. Guillone and Martinez-Luna are both periodontists who came to us in mid-2017 as a result of a search for a periodontist that had begun in March, 2016. We were able to attract both spouses with lower base salaries by offering the 60% incentive plan for their first year. This went to 45% in this, their second year, and will be 30% thereafter.

- The third and fourth proposed exceptions are for Dr. Buschman, an oral and maxillofacial surgeon and Dr. Flores, an oral pathologist. We were able to attract Dr. Buschman by offering a 40% incentive plan for his first and second year and 30% thereafter; and Dr. Flores with 50% in the first year, 40% in his second, and 30% in his third.

All incentives will be paid from non-state clinical funds generated from the Faculty Practice.

Research Activities:

Some of our work has identified the neuroanatomical and transmitter pathways sub-serving angiotensin II actions in brain areas involved in baroreceptor reflex control of the circulation. Long-standing studies investigate neural and hormonal interactions in the kidney and alterations in responsiveness to angiotensin peptides in nervous system, renal ischemia, hypertension and most recently during obesity. The objective is to investigate the mechanistic relationship between the brain and kidney in the long-term control of arterial pressure and body fluid volume. Our lab explores the normal function of specific peptidergic systems that interact with cardiovascular reflex areas of the brain by examining actions of peptide transmitters at specific brain sites and by assessing neurotransmitter release. We also investigated the pathological changes that occur in these systems that lead to hypertension. We use neuropharmacological and physiological approaches, in-vitro receptor autoradiography and in situ hybridization and immunohistochemistry techniques. Current projects focus on the role of the brain and renin-angiotensin-aldosterone systems in hypertension and obesity during Type 2 diabetes. The goal is to understand the mechanisms by which high blood pressure produces profound changes in the physiology of synaptic transmission and cardiometabolic functions in a genetic form of hypertension.

Request to
East Carolina University Board of Trustees

2019-2020 ECU Tuscany Staff
Non-Salary Compensation - Housing

In accordance with UNC Policy 300.2.14 and the ECU Policy on Non-Salary and Deferred Compensation for Employees Exempt from the State Personnel Act, this non-salary compensation plan for East Carolina University ECU Tuscany staff is submitted for approval consideration to the East Carolina University Board of Trustees.

This request for non-salary compensation is made in connection with the ECU Tuscany program in Certaldo, Tuscany, Italy for the academic semester 2019-2020. The compensation at issue is for housing in Certaldo, a small village in Tuscany in which our students live and attend classes. Certaldo is divided into upper and lower parts. Our school site is located in Certaldo Alto, the medieval walled city in the upper part of the town that is home to only approximately 150 residents. Certaldo Alto looks below to the larger urban area of Certaldo Basso, a community of 12,000 citizens roughly a 10-minute walk away. There are significant advantages to housing our EHRA staff nearby and among the students within the Program in Certaldo Alto. However, its small size and population make housing in Certaldo Alto significantly more expensive. The ECU Tuscany program is covering its costs with enrollment and support from Academic Affairs. ECU Tuscany is the only year-round study abroad program at ECU.

To the extent allowed by applicable law and the policies of ECU and the University of North Carolina, and subject to the approval of the Board, the following employees are eligible for non-salary compensation as follows:
