### Minutes Athletics & Advancement Committee July 9, 2020

The Athletics and Advancement Committee met via video conference on July 9, 2020.

The meeting was opened with the reading of the Conflict of Interest Statement.

A motion was made by Mr. Plybon to approve the minutes from the April meeting. After a second and no discussion the minutes were approved.

Mr. Jon Gilbert reported that May and June were strong months because of the support of the Pirate Club membership and a strong fan base. He reported that the initial goal for season ticket sales was 16,000 but due to the recent pandemic the goal was reduced to 10,000 and happy to report that total sales are at 10,600. At this time the plan is to not sell single game tickets which will help with the reduced capacity anticipated due to Covid-19.

Athletic expenses compared to budget is tracking in the green and anticipated to remain green due to the pandemic and the shutting down of operations.

Mr. Dyba shared that he is very pleased with East campus fundraising figures for FY 2020. Over \$23M was raised. The \$5M that was discussed earlier did not come to fruition but it remains on the table. West campus did not hit their goals. Mr. Dyba is meeting with leadership to discuss the unfreezing of the president position for the Medical and Health Sciences Foundation.

My Dyba addressed the investments due to the state of the economy and the market uncertainty. He also shared that a leadership change has occurred within the ECU Foundation. Mary Ann Best will now chair the Investment Committee, replacing Kel Normann.

Due to Covid-19 a lot of creativity has taken place on how to engage with the university's donor base. Mr. Dyba commended the efforts everyone has put forth with videos and virtual events to stay engaged.

Pirate Nation Gives was held last month, delayed from March. It was a very successful day that celebrated giving to the university with marketing energy and focus on what's transpiring in our world right now with special emphasis on the Ldenonia Wright Center and student emergency funds, and other areas that advance ECU's mission of service.

The ECU Board of Visitors met on June 29, 2020 and presented a slate of new officers: Linda Hofler, Chair; Wanda Montano, Vice Chair and Shirley Carraway, Treasurer. Ms. Fanning made a motion to accept the slate as presented for recommendation to the full Board. The vote carried unanimously.

Mr. Gilbert reported that 270 individuals have been tested for Covid-19 and 16 have returned positive. Most of the 16 are asymptomatic. They are all being quarantined.

Athletic finances had a projection of a \$7.5M deficit this year and next year an anticipated \$5.5M deficit. In March the deficit increased to \$11-12M for this year; however, Pirate Nation answered the call and a decrease from the NCAA and the AAC athletics may get us closer to the \$7.5M deficit opposed to the \$11-12M. Next year's projection is still \$11M - all of which is contingent on multiple factors this fall. Athletics has instituted many efforts that helped in the reduction of expenses which include the reduction of 4 sports, eliminating summer school except for those students that need it for eligibility or sequencing, eliminated vacant positions, reduction in his salary and furloughed the entire staff for five days. These efforts equal nearly \$4.6M.

In the coming year there is an anticipated reduction of \$4.7M in revenue from decreased student fees, football, pirate club, NCAA, AAC, sports marketing and concessions. This is all contingent on fans in the stands.

Expenses for next year include:

- ESPN contract \$5M
- Spring sports extra year of eligibility 290K
- Positions for ESPN streaming \$165K
- Fully funding of lacrosse scholarships \$120K
- Covid sanitation \$100K

Mr. Gilbert shared that the Pirate Club finished strong, they were \$1M shy of their goal but all things considered he was pleased.

Scholarship support for our student athletes is \$8.4M, the Pirate Club contributes \$4.9M and the remaining \$3.5M from the institution and athletic fundraising. He emphasized the need for institutional support.

Mr. Gilbert addressed stadium capacity for the fall and said we are still waiting for directive. If we are to operate at 50% capacity that will allow 24,577 people in the stadium and 25% will allow for 12,289. The plan is to accommodate season ticket holders, students, visiting team and recruits.

Mr. Dyba discussed the current naming policy for new members and as a review for existing members. He reminded the board that the authority for naming and renaming lies with them and shared that naming can be done by financial means, honorary and renaming.

Committee Chair Miller thanked Mr. Gilbert for his hard work in athletics and acknowledged the agonizing that took place over some hard decisions that had to be made.

### **Closed Session**

The committee moved into closed session to discuss two naming opportunities and one athletic personnel matter.

Two separate motions were made and passed unanimously to approve the naming opportunities for recommendation to the full board later today with the agreement to remain confidential so that proper recognition and celebration can be done later.

A motion was made and passed unanimously to approve the athletic personnel matter for recommendation to the full board later today.

The committee returned to Open Session and concluded.

With no further business the meeting concluded.

Respectfully submitted,

Maha Z. Banning University Advancement
