### Athletics & Advancement Committee Highlights September 9, 2021

The Athletics & Advancement Committee met yesterday and heard updates from Director of Athletics Jon Gilbert and Vice Chancellor for Advancement Chris Dyba.

Jon reported that the Athletics Annual Fund is up 61K. Athletic expenses compared to budget have done well with the intense monitoring of expenses. An anticipated \$20M deficit turned out to be \$4.5M.

Regarding ticket sales, we are in a better position for FY2021 season football tickets than the last few years with around 13,500. Next year's ticket goal is 14,000. We're actually expecting a large crowd at the game against South Carolina – with over 40,000 tickets sold. Basketball season ticket sales will launch soon with a goal of 1800 tickets.

The Pirate Club is fully staffed for the first time in quite awhile. Premium seating has been a hot commodity. We've made improvements to the Williams-Clark Club area with new furnishings and graphics. Growing the Student Pirate Club has been a priority this year and we're up to about 3700 members.

Jon provided an update regarding our student athletes and Name, Image, Likeness. Currently there are 60 student athletes who have submitted a disclosure form, the majority of which are for social media promotions.

We had some discussion about conference realignment; some institutions in our conference may be leaving. We have the best TV deal compared to the other five leagues. It is important to bring in institutions that bring value and are a good fit.

Vice Chancellor Dyba reports this fiscal year has started off strong with almost \$5M in less than 2 months for east campus and nearly \$785K for west campus. The goal for east campus is \$20M and west campus is \$12M. West campus has strong momentum around the integration model with Vidant. Fundraisers are back on the road being very careful and cautious and are slowly having events on campus and on the road. People seem eager to be engaged again and engagement helps with fundraising. A recent shift in the fundraising model within Advancement resulted in discontinued use of student callers and on to a more personalized effort with two annual fund officers.

Mr. Chairman, there was one action item regarding the appointment of John May to the Endowment Fund Board that was a part of the consent agenda this morning. I will also have two action items coming out of closed session, but for now, this concludes my report.

#### **IN CLOSED SESSION**

On behalf of the Athletics and Advancement Committee, I move the board revise the name of the Leo Jenkins Cancer Center to the "Leo Jenkins Building: as presented in board materials.

#### **AFTER CLOSED SESSION:**

On behalf of the Athletics and Advancement Committee, I move the board approve the non-salary compensation for certain personnel in the Athletics Department as presented in board materials.
