Minutes Athletics & Advancement Committee September 2022

Advancement

Mr. Dyba reported that last FY fundraising totals were a few dollars short of \$70M. Two months into this FY the total is \$12M. The current campaign total is \$413M. Emphasis was made on the need for scholarship monies. Scholarship dollars are used for recruitment, merit and need based – there is never enough.

A question was raised about the integration of the Vidant Foundation and our ECU Foundation (MHSF). The best practice (both for business and donors) would be to combine both foundations. An update is expected at the November meeting.

Athletics

Mr. Gilbert reported that all fall sports are underway. Basketball season ticket sales will begin Monday, September 19th. Football season ticket sales were 15,850 which is a 15% increase over last year. This is significant as most schools are trending negative. The Student Pirate Club (SPC) increased by 1300 members, bringing this year's total to 5,600. The Annual Fund is \$1M ahead of this time last year at \$6.7M.

Alex Keddie, Senior Associate Athletics Director gave a presentation on the NIL. Since its implementation in July of last year it has changed a lot and is everchanging. She explained the who can and can't hire ECU athletes. She emphasized that NIL cannot be used for pay-to-play or inducements. Also, she shared that international student athletes cannot participate in NIL.

Ms. Keddie mentioned the SABRE program, Student Athlete Brand Resource Education, which is in partnership with the Miller School of Entrepreneurship. This program provides financial literacy, personal branding, entrepreneurship, content management, social media strategies, media training, taxes, and compliance which helps the student athletes with NIL.

Currently ECU has one NIL collective (a group independent of the university that pool funds to create NIL activities for student athletes).

Mr. Gilbert shared that \$9M has been committed in cash or pledges since the launching of their campaign in May. To date there are a total of 222 gifts, 16 of the gifts being six figures and two of them being the 3^{rd} and 4^{th} largest gifts to ECU.

Mr. Chairman, I will have an item in closed session, and one coming out of closed session for consideration.

IN CLOSED SESSION

Three naming opportunities were approved by the committee. One we need to approve in closed session so Athletics can make a formal announcement later today.

Mr. Chairman, I move the board approve naming the Boneyard Student Section in honor of the Bill Clark Family, and the fieldside lot in honor of Scott and Karen Shook as presented in board materials.

UPON RETURN TO OPEN SESSION

Mr. Chairman, I move the board approve naming Conference Room 236 in the Main Campus Student Center in honor of Ken and Lee Conrad as presented in board materials.
