Meeting of the Board of Trustees Budget, Finance, & Infrastructure Committee September 28, 2023

AGENDA ITEM

- V. Investment Policy for Institutional Trust Funds...... Vice Chancellor for Administration and Finance
- Situation:Requesting Board of Trustees approval of the attached Investment Policy for
Institutional Trust Funds.
- Background: N.C. General Statute 116-36.1 authorizes the Board of Governors of the University of North Carolina ("UNC") to adopt uniform policies and procedures applicable to the deposit, investment, and administration of institutional trust funds and to delegate such authority through the President to the constituent institutions. ECU has historically used only the State Treasurer's Short Term Investment Fund and has not requested approval of other investment options for institutional trust fund cash balances.

This policy will afford the University the flexibility to maximize returns among the State Treasurer's Short Term Investment Fund, Treasury bills, Treasury notes, and Treasury bonds.

- Assessment: Once approved by BOT and delegation granted by UNC System President, ECU will use the attached policy for investing a portion of institutional trust fund cash balances.
- Action: This item requires a vote by the committee, with a vote by the full Board of Trustees through the consent agenda.

ECU Board of Trustees Investment Policy for Institutional Trust Funds September 28, 2023

Institutional Trust Fund Management - History

- **Institutional Trust Funds (ITF)** are funds generally derived from student fees, auxiliary services revenues, overhead funds, and other miscellaneous receipts
 - ITF funds do not include state appropriated funds, tuition, contracts and grants, scholarship funds, endowment funds, and other restricted funds
- Most NC State agencies invest institutional trust fund cash in the NC Short-Term Investment Fund (STIF), managed by the State Treasurer
- In 2012, Universities became eligible for delegated authority to manage institutional trust funds

Institutional Trust Fund Management–Current Status

- Institutional Trust Fund available cash balance
 - As of June 30, 2023, ECU's available institutional trust fund cash totals \$357 million
 - It is estimated that approximately \$144 million of institutional trust fund cash is needed for the University's continued operations
 - The amount of institutional trust funds available to invest is about \$213 million (approximately 60% of ECU's available institutional trust fund cash)

Institutional Trust Fund Management - Opportunity

- Achieve a higher rate of return relative to STIF investment rates, while maintaining a conservative risk profile and taking into consideration any additional investment and staff support costs
- Recent STIF rates of return

1. Purpose

N.C. General Statute <u>116-36.1</u> authorizes the Board of Governors of the University of North Carolina ("UNC") to adopt uniform policies and procedures applicable to the deposit, investment, and administration of institutional trust funds and to delegate such authority through the President to the constituent institutions. Through UNC policy "<u>600.2.4.1</u>: <u>Delegated</u> <u>Authority for Managing Institutional Trust Funds</u>", upon request by the Chancellor, the President may delegate authority to the Chancellor of a constituent institution to deposit, invest, and administer institutional trust funds consistent with N.C. General Statute <u>116-36.1</u>.

The purpose of this policy is to provide guidelines for the investment of the University's Institutional Trust (excluding, for example, bond proceeds, research contracts, grants, and agency receipts) and Special Funds. This policy will delegate management responsibility for the execution of this investment policy; establish overall portfolio goals and objectives; and will identify permitted investment securities/funds and provide associated investment guidelines.

1.1 Scope

This policy pertains to East Carolina University's Institutional Trust funds only (excluding, for example, bond proceeds, research contracts, grants, and agency receipts). It does not apply to state funds or related Foundation funds.

1.2 Roles and Responsibilities

Authority to manage the investment program in accordance with this investment policy is

granted by the ECU Board of Trustees to the University's Vice Chancellor for Administration and Finance, who shall act and may further delegate the authority to execute and manage investments in accordance with any procedures and internal controls for the operation of the investment program consistent with this investment policy.

2. Policy

2.1 Philosophy

The University relies on operating cash to fund operations, pay debt service, and build reserves. Therefore, an investment program for operating funds must rely on prudent, conservative methods of preserving cash while generating supplemental return. In this investment policy we seek to maintain the highest credit quality instruments, while limiting duration, sector, and counterparty risk. Limiting duration helps to reduce interest rate risk-the likelihood that movements in interest rates will affect the net asset value of investments in the program.

2.2 Goals and Objectives

- To preserve principal.
- To optimize the use and investment of university cash and short-term investments.
- To earn rates of return that consistently exceed money market rates of return over time to generate incremental resources for the central administration of the University.
- To provide liquidity for university operating and capital needs.

2.3 Benchmarks

- Rate of return on the State of North Carolina Treasurer's Short-Term Investment Fund ("STIF").
- Appropriate market-based indexes that represent the asset classes and duration of the underlying investments in a constructed portfolio.

2.4 Investment Guidelines

| <u>Asset Sector</u> | <u>Sector Limit</u> | <u>Issuer/Fund Limit*</u> |
|---|---------------------|---------------------------|
| U.S. Treasury bills, notes, and bonds | 70% | 70% |
| State of NC Treasurer's Short Term Investment Fund (STIF) | 100% | 100% |

*As a percentage of the total balance of all "Institutional Trust and Special Funds," less related "Foundation" funds, "Contracts and Grants" funds and "proceeds from bond issuances."

2.5 Custody

All investment securities and funds managed by external parties will be held in the name of East Carolina University by an independent third-party custodian selected by the University.

2.6 Reports and updates

This policy will be reviewed on an annual basis by ECU Financial Services, and a report will be prepared for the Board of Trustees that provides investment results and recommends any potential updates to this policy.

3. Compliance and Enforcement

Administration and Finance will enforce and administer this policy in accordance with the N. C. General Statutes. The policy administrator is the Vice Chancellor for Finance and Administration. Responsible administrators are the Associate Vice Chancellor for Financial Services and the University Controller.

On September 14, 2023, the Construction Manager at Risk (CMR) pre-selection committee for the above referenced project conducted interviews with four (4) CMR teams who were shortlisted for interviews based on the qualifications-based selection criteria required by the State Building Commission.

The committee consisted of the following members;

- •Peter Groenendyk, Associate Vice Chancellor, Student Affairs
- •Gretchen Brockmann, Senior Associate Director, Student Affairs
- •Scott Shook, ECU Board of Trustee
- •Bill Bagnell, Associate Vice Chancellor, Campus Operations
- •Ricky Hill, Director Facility Services
- •Gina Shoemaker PE, Director, Engineering and Architectural Services
- •Glenn Sheppard, Project Manager, Engineering and Architectural Services
- •Albi McLawhorn, Intrepid Architecture (ex officio)
- •Greg Brooks, State Construction (ex officio)

Based on the interviews and requirements of this project the committee recommends the following firms in prioritized order with TA Loving Company being the committee's top recommended firm.

> T A Loving Company Goldsboro, NC Muter Construction Zebulon, NC Blum Construction Raleigh, NC Daniels and Daniels Construction Goldsboro, NC

To our best knowledge and belief, all steps in the selection process were conducted in accordance with the State Building Commission requirements as they apply to the institutions of the University of North Carolina.

Approval of the top recommended firm, T A Loving Company, is requested.

Meeting of the Board of Trustees Budget, Finance, & Infrastructure Committee September 28, 2023

Meeting of the Board of Trustees Budget, Finance, & Infrastructure Committee September 28, 2023

AGENDA ITEM

Situation: This is an informational report of all EHRA salary increases approved during the reporting period pursuant to authority provided in the University of North Carolina Policy Manual 200.6 and the University of North Carolina Policy Manual 600.3.4.

Background: The Board of Trustees has been delegated authority over certain personnel actions, and the Board of Trustees has delegated that authority to the Chancellor to the fullest extent allowed by the delegations and in accordance with applicable UNC Policy Manual provisions and/or Board of Governors directives, including in the June 14, 2022 *Resolution to Amend and Restate Delegated Authority from the Board of Trustees of East Carolina University.* The Chancellor further delegated this approval to the Vice Chancellors, Chief of Staff, Dean of BSOM and Director of Athletics. This report is to provide a summary of all salary actions approved using this delegated authority during the reporting period. Please note that the report contains confidential personnel information in accordance with N.C. Gen. Stat. §126-22, *et seq.*

Assessment: This report covers July 1, 2023 through August 31, 2023, and includes the following:

- 371 permanent salary increases
 - 258 of which are in accordance with the BSOM ECU Physicians Clinical Faculty Compensation Plan
- 22 temporary salary increases

Action: This item is for information only.

VII-C. State Retirement Pension Spiking Monthly Report

Stephanie Coleman Vice Chancellor for Administration & Finance

- Situation: In order to assist employing agencies with planning and budgeting to comply with the Contribution-Based Benefit Cap (CBBC), the State Treasurer's Office provides a monthly report of members who may require additional employer contributions should they elect to retire in the following 13 months from the date on the report. The Chief Financial Officer is required to provide a copy of the report to the Board of Trustees.
- **Background:** During the 2014 General Assembly session, CBCC legislation was enacted effective January 1, 2015. This legislation was created to control the practice of "pension spiking" in which a member's compensation substantially increases resulting in a monthly retirement benefit that is significantly greater than the member and employer contributions would fund. The CBBC was created to protect each system from absorbing the additional liabilities caused by compensation decisions made by other employers. This legislation applies to members who retire on or after January 1, 2015, with an average final compensation of \$100,000 or higher (adjusted annually for inflation) and requires the member's last employer to pay the additional contribution required to fund the member's benefit in excess of the cap.
- Assessment: The report provides a list of potential employees, including those whose compensation average may approach the threshold. It includes employees who may be eligible to retire in the next 13 months (at a reduced or unreduced benefit), whose salary is \$100,000 or greater, and whose estimated monthly retirement benefit exceeds the CBBC based on information in the employee's most recent annual benefits statement. The list is not exhaustive, and members included on the lists may or may not exceed the CBBC upon retirement. This is merely a notification of a potential cost that ECU may be required to pay, in the form of a lump-sum payment, due after the member retires. When a member submits their intent to retire, the State Treasurer's Office completes a Pension Spiking calculation using the CBBC and provides a statement to ECU if it is determined that additional contributions are due. Employers are not required to pay the additional contributions for employees hired on or after January 1, 2015.

Action: This item is for information only.

North Carolina Total Retirement Plans

8/17/2023

20300 - EAST CAROLINA UNIVERSITY ATTN: CHIEF FINANCIAL OFFICER OR BUDGET ADMINISTRATOR 210 EAST FIRST STREET GREENVILLE, NC 27858

Dear 20300 - EAST CAROLINA UNIVERSITY:

During the 2014 General Assembly session, contribution-based benefit cap legislation was enacted effective January 1, 2015. This legislation was created to control the practice of "pension spiking," in which a member's compensation substantially increases, resulting in a monthly retirement benefit that is significantly greater than the member and employer contributions would fund. The Contribution-Based Benefit Cap (CBBC) approach was created to protect each system for current and future retirees and to prevent all employers in the Retirement Systems from absorbing the additional liabilities caused by compensation decisions made by other employers. This legislation applies to members who retire on and after January 1, 2015, with an average final compensation of \$100,000 or higher (adjusted annually for inflation), and will directly impact only a small number of those individuals. It requires the member's last employer to pay the additional contribution required to fund the member's benefit in excess of the cap. [G.S. 135-5(a3); 135-4(jj); 128-27(a3); and 128-26(y)]

In order to assist employing agencies with planning and budgeting to comply with the CBBC provisions, we are required to report monthly to each employer a list of those members for whom the employer made a contribution to the Retirement System in the preceding month that are most likely to require an additional employer contribution should they elect to retire in the following 12 months. This letter and the attached report serve as our required monthly notification to your agency under this provision. [G.S. 135-8(f)(2)(f) and G.S.128-30(g)(2)(b)]

The chief financial officer of your agency is required to provide a copy of the attached report to the chief executive of your agency, as well as to the governing body, including any board which exercises financial oversight. Additionally, the chief financial officer of a public school system is required to provide a copy of the report to the local board of education and notify the board of county commissioners of the county in which the local administrative unit is located that the report was received and how many employees were listed in the report. [G.S. 115C-436(c); 135-8(j); and 128-30(j)]

For the purpose of determining the employees of your agency that are likely to require an additional employer contribution should they elect to retire in the following 12 months, the Retirement System modified the criteria used in the CBBC calculation. This allows for a broad list of potential employees, including those whose compensation average may approach the threshold and attempts to provide your agency with prior notification of a potential cost. The attached report

lists employees of your agency who may be eligible to retire in the next 13 months (at either a reduced or unreduced benefit), whose salary is \$115,000.00 or greater, and whose estimated monthly retirement benefit exceeds the CBBC based on information in the employee's most recent annual benefits statement. In addition, a lower CBBC Factor (i.e., TSERS is 4.2 and LGERS is 4.4) is applied.

This list is not exhaustive, and members included on this list may or may not exceed the CBBC upon retirement, depending on a number of factors such as the member's average final compensation, the member's age at retirement, and membership service. This is merely a notification of a potential cost that your agency may be required to pay, in the form of a lump-sum payment, due after the member retires.

For those employees hired on or after January 1, 2015, the employer is not required to pay the additional contribution to fund the member's benefit in excess of the Contribution-Based Benefit Cap. The employer has the option to pay all or part of the contribution required in excess of the CBBC; the employee also has the option to pay all or part of the contribution. However, should neither of you choose to pay this additional contribution, the employee's retirement benefit will be capped.

You can calculate the likelihood of whether the retirement benefit of a member listed on the attached report will exceed the CBBC with information available on our website at https://www.myncretirement.com/employers/employer-training/pension-spiking.

If you have any questions or need assistance in calculating the likelihood of a potential CBBC liability, please contact us at the address or telephone number listed below.

Sincerely,

Retirement Systems Division N.C. Department of State Treasurer

| | Associate Vice Chancellor for Campus Operations |

| Situation: | Request Increase Authority for MC – Relocate Steam & Condensate Phase 1 project. |
|-------------|---|
| Background: | This project was advertised and subsequently readvertised because we only received 2 bids. The project was bid with 5 alternates. The base bid and a portion of the alternate #1 are within our capital authority for the project. We requested award from SCO for the base bid and the materials only for alternate #1. The additional authority we are requesting is for the labor for alternate #1. Alternates 2-5 will be shelved until a later date when funding is available. |
| Assessment: | Increase in Authority was approved by the Board of Governors on September 14, 2023. |
